**ARTICLE THAT UPSET  
LABOR GOVERNMENT**

**A Perusal Will Convince Canadians That Communism is Not Wanted Here.**

**Labour Leader.**  
For the benefit of Canadian Labor men, who have not had the pleasure of reading in full the article written by Editor Campbell, of the Workers' Weekly, that was responsible for the defeat of the British Labor Government, we are publishing the same in full. A perusal of the same will convince Canadian working men that we want no Communism in Canada. Mr. James Ross Campbell was born in the U.S.A., and saw service with a Scottish regiment. The article in question appeared in the Workers' Weekly of July 25th. Here it is:

"Comrades,—You never joined the army or navy because you were in love with warfare, or because you were attracted by the glamor of the uniform. In nine cases out of ten, you were compelled to join the services after a long fight against poverty and misery, caused by prolonged unemployment.

"Once in the services, you are subjected to a military discipline that bears down upon you in an ever-increasing manner.  
"Repressive regulations, and irksome restrictions are intentionally imposed upon you. And when war is declared, you are supposed to be filled with a longing to beat the enemy. The enemy consists of working men like yourselves, living under the same slave conditions. But the Government not only organizes the services for war, it always keeps them fully equipped to be able to crush their own workers when the need arises.

**Soldiers in Strikes.**

"Have you ever noticed how, in large strikes and lockouts, all the newspapers condemn the strikers and talk about maintaining essential services and the food supplies? Have you forgotten that during the Tony pandy strike of railway men in 1911, the soldiers were used, and workers were shot? That gunboats were used by Asquith to defeat the dockers in 1912? That troops were used at Liverpool against the transport workers in 1912? Have you forgotten how the Labor Government threatened to use naval men during the dockers' strike this year? How in the tramway strike, the Government threatened to introduce the E. P. A. (the Emergency Powers Act), which would have forced many of you to have shot your own brothers and fathers? Have you forgotten the miners' lockout in 1921, when the reserves were called out and Hyde Park was turned into a military camp in order that a large section of the army could be ready to suppress any action that might take place as

the result of the triple alliance strike?"  
"Soldiers, sailors, airmen, flesh of our flesh and bone of our bone, the Communist Party calls upon you to begin the task of not only organizing passive resistance when war is declared or when an industrial dispute involves you, but to definitely and categorically let it be known that neither in a class war nor in a military war will you turn your guns on your fellow workers, but instead will line up with your fellow workers in an attack upon the exploiters and capitalists, and will use your arms on the side of your own class.

**Urges Organization.**

"Form committees in every barracks, aerodrome and ship. Let this be the nucleus of an organization that will prepare the whole of the soldiers, sailors and airmen, not merely to refuse to go to war or to refuse to shoot strikers during industrial conflicts, but will make it possible for the workers, peasants and soldiers, sailors and airmen to go forward in a common attack upon the capitalists, smash capitalism forever, and institute the work of the whole working class.

"Refuse to shoot down your fellow workers.  
"Refuse to fight for profits.  
"Turn your weapons on your oppressors."

**GAVE FAREWELL PARTY**

**To a Bank Clerk Leaving Odessa for Prescott—A Variety Shower.**

Odessa, Oct. 20.—There was a farewell party given for Charles Conway, who has been one of the Royal Bank staff for nearly three years, at the home of his sister, Mrs. Roy Graham, last Thursday night. There were about sixty of his friends present and a most enjoyable time was spent with dancing, cards and music. One of the important features of the evening, and one that came as a great surprise, was the presentation of a handsome gold signet ring, also a purse of money. The presentation was made by Mr. Holmes, the Royal Bank manager. Mr. Conway responded in a very appreciative manner, evidently finding it hard to leave his friends. He left Friday to join the Prescott Royal Bank staff. Mr. Conway's father, William Conway, New York, was at the farewell and remained a few days to visit his daughter, Mrs. Roy Graham.  
Delicious refreshments were served by the hostess, Mrs. Thomas Graham.

The variety shower for Mr. and Mrs. Vernon Smith, held at the home of the bride's parents, Mr. and Mrs. Henry Venton, last Thursday night, had a very large attendance, and the many beautiful gifts told of the esteem in which the bride and groom are held. The evening was spent pleasantly with music, dancing and cards, and the dainty lunch served at the midnight hour, by the hostess, was indeed worthy of note.

Dr. Harold Ettinger, Mrs. Ettinger, Miss Georgie Ettinger, Kingston, and Mr. Stuart, Toronto, were Sunday guests of Mr. and Mrs. H. J. Smith. George Brown, Stella, spent a couple of days last week with his sister, Mrs. Robert Findlay. Robert Haymen and children, Marguerite and Kenny, and Mr. Grange, Kingston, were Sunday guests at R. Smith's.

James O'Mara and Miss M. O'Mara, Bicknell's Corners, and William Conway, New York, spent Sunday at B. L. King's. Mr. and Mrs. G. B. Jay and Miss Rose Jay, Napanee, called on friends Sunday afternoon. Miss Zita Kenyon, Kingston, spent the week-end with Mr. and Mrs. B. L. King.

Mr. and Mrs. James Young, accompanied Mr. and Mrs. Thomas Davidson when they motored to Belleville, to spend Sunday with their daughter, Mrs. Weese. Mr. and Mrs. Marcus Fraser returned recently from spending a couple of weeks with Dr. Ross Parrott and Mrs. Parrott, Midland.

Mrs. Charles Timmerman has returned from spending a week in Kingston with her daughter, Mrs. (Dr.) H. E. Day. Mr. and Mrs. Holmes have returned from a delightful motor trip of two weeks spent in New York, and other places of interest. Mr. Brown, Toronto, relieved Mr. Holmes during his absence. Mr. Sine, Brockville, has been appointed to take Charles Conway's place on the Royal Bank staff.

**SCREEN HIDES KITCHEN**

Hostesses do not like to show the kitchen to their guests, while preparations for the dinner are going on. Yet the swinging door alone can't shut off the view. So a screen is used across the door, forming a sort of entry-way from the kitchen to the dining-room. At the same time it is a beautiful attraction.

Most of those who can't find time to vote can find time to criticize the election results.
