Ontario Will Stop the Leak-Not Tear Down the Dike

The real issues of the plebiscite of October 23rd are:

- Beverage sale of intoxicating liquor:

 PROHIBITED under the O.T.A. ALLOWED under government sale.
- 9 Bootlegging in Booze: PROHIBITED under the O.T.A.—ENCOURAGED under government sale.
- Importation of intoxicating liquor: PROHIBITED under the O.T.A. — The Courts must decide under "Sale".

Ontario Must Reject Government Sale, or-

- 1 The MANUFACTURE of booze will be enormously increased;
- 2 The CONSUMPTION of booze will be increased ten-fold;
- 3 DRUNKENNESS will increase in proportion to the ease of access to booze;
- AUTOMOBILE ACCIDENTS will be much more numerous, because of increased facilities to obtain intoxicants;
- 5 HOMES will become drinking places, and comfort and harmony will be
- 6 Our BOYS and GIRLS will be faced with the ensnaring appeals of the booze shop and the pocket flask.

The call of HOME, CHILDREN and COUNTRY is heard heaven-high above the sly whisperings of the liquor interests.

Shall Ontario stop the leaks, or destroy the dike ?

On October 23rd make the majority for prosperity, sobriety and happiness at least half a million.
