## LONDON'S GREAT "G" AS GOOD AS EVER

Pleased Good Audiences at the Grand Opera House on Thursday Evening.

Tom Copeland, the prince of Scotch entertainers, and his splendid company of artists delighted what was a good audience considering the interest shown in the election returns, at the Grand Opera House on Thursday evening. The violinist, Miss Dorothy Alwynne, was certainly wonderful and her numbers were enthusiastically applauded. She was most generous with her music as indeed were all the English artists. Miss Alwynne's technique is beautiful, her fingering and bowing delightful to watch and the exquisite expression with which she plays, makes her music, real music. The cellist who played with her in several duets and with her accompanied, with the piano, some of the songs, was also excellent. But Miss Jean Duff, the slender girl of sixteen, who has a great future before her, is truly fascinating. She plays difficult accompaniments for the violin numbers with perfect sympathy and a touch now brilliant, now soft as velvet, and as for the songs, be they grave or gay, she is with the singer and his mood with unerring skill. Tom Copeland and his baritone and tenor were heard with pleasure in "Willie Brewed a Peck o' Malt," and many another old favorite as well as some new songs. Miss Mary Mackie sang "When Mother Bobbed Her Hair" and was loudly applauded. Her "Annie Laurie" was most sweetly sung. The "g" sang together "Roamin' in the Gloamin'" with good effect. Altogether the performance was an excellent one and the London "g" will always find a welcome in Kingston.

### BROCKVILLE DISTRICT W.M.S.

The Convention Was Held In Prescott Methodist Church.

One of the "red letter days" in the Woman's Missionary Society calendar is the annual district convention, held this year in Prescott Methodist church. Ideal weather conditions prevailed, resulting in a large attendance. Not often is such a gathering favored with the presence of two outstanding personages, but this year Mrs. W. H. Henderson, Ottawa, president of the Montreal branch, and Miss Martha Barnett, home on furlough from Chengtu, China, both contributed materially toward making the occasion a memorable one. The former during the afternoon conducted an auxiliary conference in which Mrs. Murray, Maynard, Mrs. Wesley Towrie, Brockville, Miss Lillian Connell, Spencerville, and Mrs. Thomas Scott, Prescott, participated, and at the evening meeting, in her characteristic manner she gave a stirring address, containing a resume of the year's work, and a plea for the needs of the field, meaning in many items gleaned from the recent meeting of the board of managers in Toronto. During the afternoon Miss Barnett appeared in Chinese costume, speaking but briefly, then at the evening session she spoke at length of her call to the foreign land five years ago, of the trip out, which lasted from May to November, of her experiences, varied and various, as matron of the Chengtu hospital in Szechwan, west China. During the three sessions, Miss Lillian Connell, Spencerville District Superintendent, occupied the platform, and, at the afternoon session gave a brief account of the year's activities. Reluctantly she yielded to the unanimous wish of the convention that she retain the office for the ensuing year.

Encouraging reports were received in the morning from eighteen auxiliaries, five circles, six bands, showing most commendable endeavor and gratifying achievement. Devotional exercises were in charge of Mrs. D. Rooke, Donville, in the morning; Mrs. Walker, Algonquin, in the afternoon; Mrs. Murray, Maynard in the evening. Mrs. Murray also conducted a helpful half hour in the morning on "What The W. M. S. has meant to me."

The subject of paramount importance at present was stressed, Mrs. Warren, Athens, giving an illuminating paper on "Temperance" in the afternoon. Rev. Mr. Geo. Warren, Elgin, rendering a solo in fine voice and Mrs. Heman Troop, Maynard, giving a pathetic reading, "The bride wine cup."

In the afternoon also, there was an acoustic on "Prayer," introduced by Mrs. William Towrie, Athens, and concluded by her after six two-minute papers had been contributed by Prescott, Elgin, Addison, Lansdowne, Philipville and Maynard auxiliaries.

At the evening session special music by the Prescott choir was much appreciated, also the pretty pageant "What The Circle Stands For" presented by the six Prescott mission circle girls and Mrs. William Towrie, Athens, was much enjoyed.

The assistance of the pastor, Rev. Thomas Scott, added much to the success of the day, while the kindness and hospitality of the Prescott friends left nothing to be desired.

An invitation to meet next autumn in Brockville was gratefully accepted.

The Pretoria correspondent of the Cape Times states he was definitely informed that the Union Government does not intend to participate in the Wembley exhibition in the event of its being continued next year.
