ST. JOHN'S LADIES' AID.

The Fifteenth Anniversary is Fitly Celebrated.

The Ladies' Aid of St. John's Church, Pittsburgh, met at the home of Mrs. Robert Gates on Wednesday afternoon. It was the occasion of the fifteenth anniversary of the society. There were thirteen members present, also three ex-members who were invited to attend this meeting and four visitors.

The meeting opened with singing, and prayer by the president, Mrs. D. T. Lancaster. Mrs. W. J. Gates was called on and gave an historical address on the activities of this society since its organization on October the twenty-second, 1909. This address was very interesting to all present and a hearty vote of thanks was given to Mrs. Gates for the able way in which she put before those present the untiring efforts of many who have now been called home to rest.

Three new members were added to the roll and Mrs. George Gates was made an honorary member. A few lines of regret were received from Mrs. Daniel McLean, Kingston, ex-president of this society for many years, who was not able to be present but wished to be remembered at this occasion.

The ladies decided to hold their tea and sale in Dufferin Orange hall on the afternoon and evening of December 9th. Refreshments were served by the hostesses. A beautiful birthday cake was brought forward with fifteen lighted candles, and Mrs. George Gates, honorary member was asked to cut this cake and was assisted by the hostesses. The next meeting will be held at the home of Mrs. W. J. Yates in the latter part of November.

The Editor hears

That the wonderful weather is not over and the autumn of 1924 should long be remembered as a splendid one for the lovers of God's great out-of-doors.

That His Holiness the Pope has called upon his people throughout the world to make 1925 a "Holy Year." The influence of a great body of christian people praying for the good of mankind and trying to live as the Christ would have them to live, cannot fail to be felt. The head of the Roman communion has set an example it would be well to follow. Other christian churches should join in this endeavor to bring into their lives the principles they profess to believe.

That Mrs. Ruth Cash, who came to Winnipeg from Littleport, Cambridgeshire, England, eighteen years ago to be with her daughter, has been regularly employed as a cashier since her arrival here, and though eighty-three years of age, is still on duty every day as cashier in a restaurant, in the best of health. Her hobby is knitting, which she works at in spare minutes during the day. A patchwork quilt which she has just completed was done in this way and is an artistic design of knitted

squares of various colors, finished with a pretty crocheted border. Three-quarters of the quilt, Mrs. Cash proudly stated, was done without glasses and in two months' time. She is a great-grandmother, and four generations of the family reside in Winnipeg.

That handkerchiefs, of the "sports" type, are divided into small squares by rows of stitching in brilliant shades. One initial is embroidered in the centre. This is an idea for the girls who are already making Christmas gifts.

That the British Columbia Provincial New Era League voiced a strong protest against the appearance of Roscoe Arbuckle in Vancouver at one of the theatres. Declaring that his appearance for a theatrical performance of any other purpose in public life was a gross insult to the womanhood of Vancouver, instead of elevating the ethical standards or stamina of the citizens, the members thought such an engagement would have a tendency to lower the morals of those attending the theatre, especially the young and impressionable. The league will protest to the city council and any other bodies which are responsible for this appearance.

WOMAN'S INSTITUTE.

SUNBURY.

The Sunbury branch of the Woman's Institute held October meeting at the home of Mrs. Alfred Sands, on Monday evening Oct. 20th. There were twenty-four members and a large number of visitors present. The president was in the chair and after the Ode was sung and the Lord's Prayer repeated the usual business proceeded. The business was mostly in connection with furnishing the new hall. The ladies have decided to purchase a curtain for the stage of an approved and up to date style. They are also putting in a sink and waste pipe in the basement kitchen. A number of the ladies have volunteered to paint and varnish seats out of the old hall and Mr. McBride has kindly consented to let them use the council room to do the work. It was decided that no delegate would be sent to Ottawa convention this year. The president read a copy of the report of the Sunbury branch that was sent in to Ottawa to be read at the convention. The ladies have raised \$1,159 for the hall and we think we have done wonderfully well considering we are a baby branch just organized last December. After the business part of the meeting was concluded dainty refreshments were served by the following ladies Mrs. W. G. Patterson, Mrs. Alfred Sands and Mrs. Wilfrid Cooper.

The next meeting is to be held at the home of Mrs. Charles Nicholson, on Thursday evening, Nov. 27th. Woman's page if possible
