A PRESENTATION TO VETERAN MESSENGER

Mr. M. J. Kennedy Remembered by Staff at Portsmouth Penitentiary.

Mr. Michael J. Kennedy, the veteran messenger at Portsmouth penitentiary, who recently retired, was given a very pleasant surprise late on Thursday afternoon...

MICHAEL J. KENNEDY

vice rendered by Mr. Kennedy. The latter, he said, had carried out his duties faithfully and well...

Mr. P. M. Beaupre read the address and Mr. James Tweddell made the presentation.

The Address Presented.

The address, which was signed by Warden J. C. Ponsford and P. M. Beaupre, instructor, on behalf of the staff reads as follows:

"Dear Mr. Kennedy: The undersigned, your associates on the staff of Portsmouth penitentiary, take this opportunity, at the time you are completing your fifty-second year of continual service, of expressing in a tangible form their high regard for you.

"Some of us on the staff have been associated with you through almost your entire tenure of office; others have experienced the pleasure of your affable and loyal attachment to this institution for only a short time, and the association has been made so pleasant by your genial kindness under all circumstances that we have been moved to give expression to our feelings in this form.

"In presenting to you these slight tokens of our regard, we feel sure you will accept them in the spirit in which they are tendered to you, and not because of any possible intrinsic value they may possess.

"Our cordial wishes are that, on your retirement, you and yours will enjoy together many more years of health and happiness."

Mr. Kennedy was taken by surprise, but in a neat address, returned his sincere thanks to the members of the staff for their kind gifts. He spoke of his long period of the service, and of the warm friendships he had made.

It is of interest to note that this was the third presentation made to the veteran official during his term of office. On one occasion he was presented with a watch and on another occasion with a chain and locket.

Mr. Kennedy not only made many friends through his connection with the prison, but also through the city and district and all jobs in extending best wishes to him.

OBITUARY

The Late Miss V. H. Morrison. Following a scalding received about a fortnight ago, Miss Victoria H. Morrison died suddenly at her home at 321 Palmerston Boulevard, Toronto, on Wednesday morning. Heart failure was the cause of her death. The late Miss Morrison was born in Kingston in 1873, and was unusually successful in the studies she elected to pursue. For nine years she was a clerk in the Ontario government service, and since 1919 was in the Ontario archives department under Col. A. Fraser. She was a devout Roman Catholic, and took a lively interest in the affairs of her parish. Dr. Ryan, medical superintendent of Rockwood Hospital, Kingston, is a brother-in-law. A brother and sister also live here.

Held Euchre And Dance. A very enjoyable euchre and dance was held on Thursday evening at the Y.I.C.B.A. hall. There were fifteen tables in play at euchre, Mrs. A. C. Cruchley winning the ladies' prize and Mr. Patrick Dee, the gentlemen's. Dancing was held till one o'clock, the splendid music being supplied by McGrath's orchestra.

Wolves Are Bolder Than Ever Before Sault Ste. Marie, Ont., Oct. 31.—That the wolves are becoming more numerous in Algoma is attested by hunters this year. Already several have been shot, and reports are coming in almost daily of the animals being taken in traps. Though there is considerable small game in the bush at this time of year, the wolves have started their annual crusade against the deer, and half-eaten carcasses are being found. East of the Sault residents hear the animals howling nightly and around Bar River and McLennan stock has suffered greatly. The pests now invade
