PRESENTS

ALL ABOARD!

One of the treats of the theatrical season is promised
commencing Monday afternoon with the opening per-
formance of the great musical comedy extravaganza, "All
Aboard," which is being staged under the auspices of the
Kingston Rotary Club to raise funds for welfare work.

The Rotarians not only intend to raise money on this
venture, but also to give every man, woman and child pay-
ing admission to the show full value for the money re-
ceived.

There will be nearly two hundred Kingston people in
this remarkable production ranging in years from five or
six to—however, as we were saying, the best amateur
talent has been secured and Jack Elder, minus a set of false
teeth, is only one example of the excellent comedy pre-
sentations to be expected.

There are four presentations of "All Aboard." The
first is Monday afternoon, second Monday evening, and
two more on Tuesday and Wednesday evenings respec-
tively. Laughter plus—that's what "All Aboard" means,
and for a fine entertainment it's a winner.

And, in addition to being a good show, it is for the
purpose of aiding crippled and under-privileged children.
Don't miss it!

OPERATING WITH THE WHIG TO MAKE THE
BIG SHOW A SUCCESS.
