

ENJOYS EVERY MEAL SAYS MONTREAL MAN

Lecavalier Gives Tanlac Full Credit.

Another well known Montreal business man pays high tribute to the merits of Tanlac. This time it is Hector Lecavalier, dairy and grocery merchant, 390 Beaubien St. Mr. Lecavalier resides at 1923 Chateaubriand Avenue, Montreal. Here is what he says:

"I am now enjoying my three square meals a day, sleep good at night and feel fine, but that is vastly different from the condition I was in before taking Tanlac. I used to have indigestion so bad I dreaded to eat and could hardly keep anything down."

"Besides, I was troubled with bronchitis, dizzy spells and upset nerves. My tongue was coated white, all the time. Several bottles of Tanlac has stopped my troubles and now I am a new and different man."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.

ADOLPHUSTOWN SERVICES.

Held At Anniversary of The Methodist Church.

Adolphustown, Nov. 3.—The pleasant weather still continues, but rain would be very welcome as plowing has come to a stand still. The anniversary services held in the Methodist church, Oct. 28th, passed off very successfully. The weather was all that could be desired. The church was beautifully decorated with cut flowers and good congregations greeted Dr. Malott both morning and evening.

The Adolphustown choir is busy, this week, preparing music for Hayburn anniversary to be held next Sunday. Mrs. M. Purdy and Miss J. Clarke, Napanea, were recent guests of Mrs. R. Carr. Mrs. C. F. Allison and Miss Annabell Magee attended the Eastern Ontario Women's Institute convention which met in Ottawa last week.

Mrs. Robert Foster, who has been visiting in and near Ottawa, for several weeks, returned on Thursday.

A serious accident occurred last week when Fred Galleher's wagon tongue broke and the horses became frightened and started to run throwing the children off the wagon and injuring four of them, two seriously. Little George suffered a broken thigh and Mary was crushed so that internal injuries were feared at first but all are progressing favorably at the time of writing.

A gang of men are at work widening the road just west of the old Hay Bay church. It is to be hoped the work will be extended for a mile or more to the east.

H. John has returned after a trip to Denbigh. Hugh Allison returned on Thursday after assisting with the western harvest.

Charged with operating a motor passenger bus between Gananoque and Brockville, a Gananoque man was fined \$10 and costs, \$4.60, in Brockville police court.

We have been having some very fine weather for this season of the year. The roads are in the condition. Flowers have been in blossom. Mr. and Mrs. Eastford Leaman were visitors at Warner Switzer's, Godfrey.

The Great Breathable Remedy

PEPS

FOR COUGHS, SORE THROAT, COLDS & BRONCHITIS

As you dissolve a Peps tablet on your tongue, certain healing fumes are released which are immediately taken with the breath down into the furthest recess of the lungs where liquid medicines cannot penetrate. These Peps fumes on their way bathe the whole of the breathing passages with their healing potency, soothing the throat, allaying inflammation in the bronchi, and relieving the chest. Liquid medicines are simply swallowed into the stomach and cannot act in this direct Peps way.

While Peps are an expensive remedy to produce, the demand has become so great that it has now been found possible to have the
