**Death of John McLaughlin.**  
 The death occurred Monday at his  
 late home, in the township of Rich-  
 mond, of John McLaughlin, at the  
 advanced age of seventy-eight years.  
 The deceased had been in ill health  
 since April, having suffered a stroke  
 at that time. He was an honored  
 and esteemed resident of the town-  
 ship for many years and leaves a  
 wide circle of friends who sincerely  
 regret his passing. He leaves a  
 widow, three sons and three daugh-  
 ters.

**Took No Action.**  
 The Picton Library Board asked  
 the council for \$300 to buy new  
 books. Prof. Iva Martin urged the  
 matter. The books were in a very  
 poor physical condition and extra  
 grants would be required for sev-  
 eral years to gradually replace the  
 books, which have been allowed to  
 deteriorate for ten years or more.  
 The Picton Library has an exceed-  
 ingly large circulation, about 28,  
 000 a year. It was decided to do  
 nothing as the council's finances  
 were low.

**Teaching the Blind.**  
 Many of our citizens do not know  
 that there is a home teacher in  
 Kingston who has been working  
 here amongst our blind people, un-  
 der the jurisdiction of the Canadian  
 National Institute for the Blind.  
 Miss Loop, the teacher, also blind,  
 is doing good work, having at the  
 present time nine pupils, who are  
 being taught to read and write by  
 touch, making basketry, etc., and  
 any other handicraft for which the  
 blind are adapted. This is being  
 done to make the blind self-suffi-  
 cient and self-respecting citizens.

**Kept Slaves In Old Days.**  
 The will of the solicitor general  
 of Canada, Mr. Grey, who was lost  
 in 1804, when the government  
 steamer Speedy sank with all on

board, gave to his "faithful black  
 woman servant—Dorinda" and to  
 her children their freedom, and fur-  
 ther directed that 1,200 pounds  
 should be invested and the interest  
 used for maintenance. To two of  
 his black men servants, Simon and  
 John Baker, he gave besides their  
 freedom, 200 acres of land each,  
 and other monetary assistance. The  
 former of these was with his mas-  
 ter and perished also in the wreck  
 of the Speedy, but John Baker is  
 stated to have lived to see his 105th  
 year, and died at Cornwall in 1871.  
 He served throughout the war of  
 1812, having previously seen ser-  
 vice with his master in the revolu-  
 tionary war and coming with him  
 to Canada in 1792.

**for Strength and Health**  
 Thousands Have Used  
 This RED BLOOD FOOD  
 If you are weak, sickly, nervous  
 and run-down, what you need is not  
 merely stimulating medicines and  
 drugs, but something that will put  
 more iron into your blood to make it rich  
 and so that it can carry strength and health  
 to every nerve and muscle of your body.  
 Thousands of men and women have  
 banished every trace of that weak, tired,  
 out-of-feeling and increased their strength,  
 energy and endurance often in just two  
 weeks' time by simply taking organic  
 iron—Nuxated Iron.  
 For Nuxated Iron is a wonderful new  
 combination of organic iron, like the iron  
 in your own blood. It is entirely different  
 from ordinary iron medicines—does not  
 injure the teeth or disturb the stomach.  
 Furthermore, it is so highly concentrated  
 that one dose is equal to eating one-half  
 quart of spinach or a quart of green ve-  
 getables. Take Nuxated Iron for just two  
 weeks and you'll be astonished how  
 much stronger and better you feel.  
 Money back if not delighted. At all  
 good druggists.
