POPULAR PLAY NOW

GREAT FILM DRAMA

Once more a well-beloved and successful stage play has increased its popularity in its translation to the screen. "The Man Who Came Back," which began a three days' run at the Capitol Theatre yesterday and was well liked by those who attended the opening performance. There is no question of its high entertaining value, and a capable cast, headed by smiling George O'Brien and Dorothy Mackaill. The leading players are given excellent support by Ralph Lewis, Cyril Chadwick and other able screen favorites.

"The Man Who Came Back" relates a few crowded months in the life of young Potter, son of an indulgent millionaire father. O'Brien appears as the son and gives an interesting portrayal of a jazz-crazy ne'er-do-well early in the picture. He sends the boy to San Francisco to work in a shipyard but the youth, for spite, allowed himself to sink lower and lower until he finally reaches the very bottom in a Shanghai dive. Then he attempts to rise from the mire and there is hope that he has rehabilitated himself in Hawaii. There is a splendid thrill as well as a surprise in the closing twist. "The Man Who Came Back" is well worth anybody's seeing.

"MAYTIME"

The screen version of the great stage-play, "Maytime," closes at the Strand Theatre to-day, with Harrison Ford and Clara Bow in the leading roles. The great success enjoyed by the stage play has been duplicated by the picture, which offers rare entertainment.

SHOT BIG BLACK BEAR

IN NORTH OF COUNTY
David McQuaid's Rifle Got It—Bruin at Dr. Nicholls' Hospital.

A party of hunters consisting of Dr. William Nicholls, James Roho, George Hillard, David McQuaid, Charles Bowen, Kingston; Harry Woodruff, Colebrook; Ross Peters, Wilton; William Boyd and James Richardson, Lavant, have returned from a hunting trip to the northern part of the county. The hunters shot their allotment of deer and in addition secured a large bear weighing about three hundred pounds.

The bear was brought to the city and is at the present time at Dr. Nicholls' veterinary hospital, and scores of people have viewed it. The bear was shot by David McQuaid who happened to see it one day when he was out in search of deer. He fired one shot and the bear fell dead. The hind feet of Bruin would be about ten inches from toe to heel.

ALDERMEN WHO WILL SEEK RE-ELECTION

Chown, McCartney, Peters, Godwin, Kidd, O'Connor, Johnston, Driscoll Named

A large number of the present members of the city council will seek re-election.

Now that the candidates for mayor, Thomas B. Angrove and Dr. C. C. Nash have announced themselves, interest centres in the candidates for aldermen. Mayor Angrove and Dr. Nash have their cards in the Whig and are ready for the campaign.

Ald. P. B. Chown will again offer his services in Victoria ward and Ald. William McCartney will also be in the running in this ward. Ald. McCartney was in the council about thirty years ago. He served for three years following his first election and he also has the past three years to his credit.

Ald. Peters, who has given much of his time to civic business, is willing to give his services for another year in St. Lawrence ward. This year he has served as chairman of the board of works.

Ald. Godwin will seek re-election in Cataragui ward and Ald. Johnston is in line for re-election in Ontario ward.

Ald. Kidd, who was very prominently mentioned as a candidate for mayor several weeks ago, will seek re-election as a representative of Sydenham ward.

It is understood that Aids. Kelly, Boyd, Richardson and Lawler will not seek re-election.

Ald. F. J. O'Connor, who was also mentioned as a mayoralty candidate, will run in Sydenham ward, and Ald. Driscoll in Cataragui ward.

Ald. H. F. Price will be a candidate for re-election in St. Lawrence ward.

Ald. Harvey Milne is out of the city, and could not be interviewed, but it is understood that he will be in the field for re-election.

Ald. R. E. Kent, the "dean of the council," will again be a candidate for Ontario ward. He has the longest service to his credit of any member around the "horse shoe," and also had the honor of serving the city as chief magistrate.

Ald. George Laturney will be in the running in Rideau ward. He was asked by a large number of friends to be a candidate for the mayor's chair, but as Mayor Angrove is seeking a third term he decided not to enter the contest.

While he has not stated definitely, it is believed that Ald. Sargent will allow his name to go before the electors of Victoria ward for re-election.

Although no statement has been secured from Ald. J. B. Holder and Ald. William Holder, it is believed that they will be candidates.

The above line-up of the present aldermen shows that nearly all the members of the council will seek re-election.

Will Not Run.

B. N. Steacy, president of the Board of Trade, this afternoon, informed the municipal committee of the Board of Trade that he would not be able to contest for a seat in the city council for 1925, on account of the pressure of business responsibilities. Mr. Steacy gave his answer only after the greatest consideration to the question.

FINED FOR NOT PUTTING STAMP ON A RECEIPT

Charge Was Laid by Tenant Against the Agent of a Property.

If you are lucky enough to own a house, or a string of houses, don't forget to put a two-cent government stamp on every receipt for rent of \$10 and over. If you neglect to put on the little stamp, and you come before Magistrate Farrell, there is a fine awaiting you.

In the police court on Tuesday morning, a well-known citizen, who has been acting as an agent for the owner of property in the city, neglected to affix a stamp to a receipt he gave to a party for a month's rent, and as a result he was fined \$5 and costs. The magistrate could have imposed a fine up to \$100.

Ambrose Shea appeared for the government, conducting the prosecution. Business being conducted between landlords and tenants calls for the use of these stamps continually.

The charge in this case was laid by the tenant, who recently vacated the house and who had, so it is stated, been a tenant for upwards of thirty years.

The accused stated that he had mailed the stamps to the tenant but that the latter had refused to accept them and had mailed the stamps back to him.

Another old resident of Rednersville has passed on. The death occurred Saturday of Capt. Alpress Rayner Ashton for nearly two score years general store-keeper and tax collector. He was eighty-five years of age.

While handling a pipe at the Cardinal plant of the Canada Starch Co., Gilbert Jones had the fingers of one of his hands crushed. It was found necessary to amputate one finger.

At Belleville on Saturday eggs touched the highest price of the season when they sold at 55c per dozen.

SPORT

NOT OVER CONFIDENT

Coach Hughes Speaks About Queen's and Hamilton.

The Toronto Globe says:—Coach Bill Hughes of Queen's, who was here yesterday with the intermediates, is not claiming that the Tricolor will have any easy task disposing of the Bengals. Hughes is not exactly satisfied with the way his team has performed in some of the games, but he thinks the champions will show their best form of the season when facing the Interprovincial Union titleholders. Those close to the Queen's players say that they were over-confident when they played against University of Toronto, and that they were fortunate to escape defeat. Hughes plans to see that this does not occur again.

Opinion is divided as to the outcome of the game. Tigers have plenty of supporters who think that they are strong enough to defeat the Canadian champions. Along the wing-line Tigers appear to have the advantage, and in Johnny Evans they have the smarter quarterback, and this is no reflection on the ability of Baldwin. The latter was second string pivot man to Evans at Queen's for two years, and even the Kingston fans will admit that Evans, being the more canny and experienced man, is the better of the two.

Tigers' outside wings will have a harder task than will Thomas and Wright, and the game may be decided right there. Tigers have no player, not even Main, approaching the class of the great "Bad" Thomas. "Cap" Fear of the Argonauts is the only outside wing in Canada capable of giving Thomas a brush for the honors. The Tiger backfield men will be downed in their tracks by the hard tackling Thomas, the man who has never failed to stifle even when players like Lionel Conacher and Warren Snyder, are opposing him. They all look alike to the idol of Ottawa.

"Liz" Walker and Dr. Weaver will likely be Tigers' outsiders, with MacFarlane as relief man. "Petie" Burton will get plenty of work, however, and he appears to be the only Tiger capable of outguessing the Leadley-Batstone combination. Burton looms up as the Bengals' hope in the big battle of the year.

Officials Agreed Upon.

"Hal" DeGruchy of Toronto will referee the Eastern semi-final between Queen's University and Hamilton Tigers here next Saturday, "Phin" Flanagan of Montreal will be his assistant, and thus positions have been reversed, as Flanagan was referee in the Tiger-Argonaut game at Hamilton and DeGruchy was umpire. Jack O'Connor of Argonauts will be the head linesman. The clubs agreed on these officials, and they are Interprovincial Union men, DeGruchy and Flanagan being officials and O'Connor coach of the Argonauts.

The clubs also agreed on Professor Jolliffe of Queen's University and Dr. W. C. Thompson of the Tigers as time-keepers. The rest of the officials were appointed by the Canadian Union, and they are as follows:

Penalty timekeeper, Dr. John McCallum of Toronto; yard stick men, Bob Isbister, Hamilton, and Jim Campbell, Kingston; line judges, Warren Snyder, University of Toronto, and Joe Breen, Argonauts.

Queen's athletic board of control, who returned from Toronto on Monday evening after making arrangements for the Queen's-Hamilton Tiger game in Toronto next Saturday, stated that he looked forward to a record breaking attendance. He stated that the tickets for the game were picked up like hot cakes and the authorities were making special arrangements for standing room.

The eighteen hundred tickets, which were sent to Queen's University on Monday morning, found a ready market, and Mr. McDonnell brought an additional two hundred and ninety-one tickets back with him.

Mr. McDonnell stated at nine o'clock on Tuesday morning all the seats for the covered stands had been sold out but there were still a few seats in the bleachers.

It is estimated that about five or six hundred students will go to Toronto for the game. Many will go by train, but others are making arrangements to motor.

W. P. Hughes, coach of Queen's who was in Toronto on Monday with the intermediate team which was successful in defeating St. Michael's, returned to the city on Tuesday morning. He stated that the team would have five or three real hard practices before leaving for Toronto on Friday noon. He said that all the players with the exception of "Jack" McKelvey were in good condition.

To Play For Dominion Honors.

The members of Queen's intermediate rugby team which was successful in defeating St. Michael's in the final game of the intercollegiate union in Toronto on Monday, and winning the intercollegiate championship, returned to the city on Tuesday morning. The players were delighted with the showing they made in Toronto and intend to go after the Dominion honors.

The Queen's men feel that in view of the fact that at the present time the Dominion championship is held by the cadets of the Royal Military College who were eliminated by Queen's, the trophy should stay in Kingston and they will do their utmost to win it for their Alma Mater.

QUEEN'S MASONIC LODGE.

Officers Were Elected At Meeting on Monday Night.

At a meeting of Queen's Lodge, A.F. & A.M., held on Monday night, officers were elected, while a special feature of the proceedings was the celebration of the 80th birthday of "Daddy" (John) Smeaton, of Kingston, one of the oldest Masons in eastern Canada. During the evening, Mr. Smeaton was presented with a case of pipes, the best wishes of every member of the order accompanying the gift. Mr. Smeaton is widely known and beloved by all his acquaintances. Following is a list of officers elected by Queen's lodge:

Immediate past master, Dr. Stuart Houston; worshipful master, Prof. Rutledge; senior warden, Prof. J. A. McKee; junior warden, Prof. Stanley Graham; chaplain, Rev. William Black; secretary, Capt. E. W. Skinner; treasurer, B. I. England.

MRS. MCCREE INJURED.

Wife of Lyn Pastor Taken to General Hospital.

Mrs. McCree, wife of Rev. Walter McCree, pastor of the Presbyterian church at Lyn, is a patient at the Kingston General Hospital suffering from an injury to her head which she received as result of an automobile collision on Tuesday at the corner of Clergy and Brock streets. Mrs. McCree and her husband were driving up Brock street and when at the corner of Clergy a car collided with them. Dr. Quigley was called, and Mrs. McCree was taken to the General Hospital.

Mr. McCree was pastor of the Union church at Amherst Island for a number of years. He had recently been called to the Lyn charge and had just taken over his duties.

R. Y. Burglass, Toronto, is to be manager of the Brockville branch of the Canadian Bank of Commerce, in succession to W. C. James, transferred to the management of the St. Clair avenue branch, Toronto.

The action of Mrs. Adeline Lepointe against William J. and Joseph Anderson, all of Elizabethtown for the value of eleven turkeys was decided in favor of the defendants.

On Friday evening at the family residence, Mrs. James W. Nelson passed away after a long illness, aged seventy-four years and three months.

APPEAL BOARD LOSES ON FOUR LAW POINTS

The Justice Department Upholds Pension Commission in Giving Official Ruling.

Ottawa, Nov. 18.—At the request of officials of the G.W.V.A. disputes over certain cases between the Federal Appeal Board and the Board of Pension Commissioners were referred to the Department of Justice. There were eight individual cases which, however, involved only five points of pension law. The ruling of the Department of Justice on these five points has now been received and is as follows:

Has the Jurisdiction.

1. Whether the Federal Appeal Board has jurisdiction to reverse the decision of the Board of Pension Commissioners in those cases in which the Board of Pension Commissioners has decided that death was not the result of the aggravation on service of a pre-existing injury or disease.

The Department of Justice has ruled that the Federal Appeal Board has such jurisdiction.

Cannot Reverse It.

2. Whether the Federal Appeal Board has jurisdiction to reverse a decision of the Board of Pension Commissioners discontinuing pension on the grounds that aggravation during service had ceased.

The Department of Justice has ruled that the Federal Appeal Board has no jurisdiction.

3. Whether the Federal Appeal Board has jurisdiction to reverse a decision of the Board of Pension Commissioners refusing pension in full (and awarding pension for aggravation during service only) on the grounds that the disability at the time of enlistment was obvious or was wilfully concealed or was a congenital defect.

The Department of Justice has ruled that the Federal Appeal Board has no jurisdiction.

Case of Misconduct.

4. Whether the Federal Appeal Board has jurisdiction to reverse a decision of the Board of Pension Commissioners refusing pension on the grounds that the disability was the result of the man's misconduct.

The Department of Justice has ruled that the Federal Appeal Board has no jurisdiction.

5. Whether the Federal Appeal Board has jurisdiction to change the diagnosis of an injury or disease respecting which the Board of Pension Commissioners has refused pension and to substitute therefor another injury or disease in respect of which the Federal Appeal Board renders judgment that such injury or disease was attributable to or was contracted during military service.

The Department of Justice has ruled that the Federal Appeal Board has no jurisdiction.

The county council was called to meet at the court house on Tuesday afternoon at three o'clock.

GENERAL WILLIAMS' HOUSE IS BOMBED

A Hand Grenade is Hurling at Home of Provincial Police Chief.

Toronto, Nov. 18.—The home of General V. A. S. Williams, commissioner of the Ontario provincial police, 161 Spadina Road, has been the mark for a hand-grenade bomb, and city and provincial police admitted last night that they are puzzled.

General Williams, when asked for details, pleaded to be excused from giving any information, as it might interfere with an investigation under way to determine what connection the incident may have with the announced intention of the Commissioner to make the Ontario Temperance Act a matter of serious business for those who engage in the bootlegging business.

Friday and Saturday of last week General Williams headed a conference of the provincial police inspectors and O.T.A. enforcement officers at the parliament buildings, when it was decided to put on more men, use more motorcycles and better motor cars; in short, vigorously to attack the bootlegging gangs operating in this province.

General Williams was in his home when he heard the report of an explosion, and on going out into the yard found unmistakable evidence of the throwing of a hand-grenade bomb.
