IN MEMORIAM. In memory of my dear, beloved husband, George W. Crisley, who died November 21st, 1923. One year has passed. My heart's still sore. As time goes on, I miss you more. Your cheerful voice, your welcome face. No one can take my dear George's place. Your memory is as dear, to-day, as in the hour you memory still. When days are dark and friends are few. Dear George, oh how I long for you. You're not forgotten, dear. Nor ever shall you be. As long as life and memory lasts, I will remember thee. The happy years we enjoyed together. How sweet their memory still. But death has left a vacant place. No one can ever fill. Free from all worry and pain. You have gone to that beautiful home of bliss. Where I hope soon to meet you again. With perfect peace and heavenly rest. Sadly missed by his wife.

UNABLE TO ARRANGE MEETING AT NIGHT

As the Regular City Council Meeting is to be Held Then.

Ald. C. C. Nash, candidate for majority honors, was very anxious to have a night meeting for the nomination speeches, instead of having the addresses following the nomination in the forenoon on Monday.

Mayor Anrove explained to the Whig on Friday morning that it would be impossible to arrange for a meeting on Monday night as the regular meeting of the city council will be held on that night. Mayor Anrove also received an invitation to preside at a meeting to be held on Monday night in Memorial Hall, under the auspices of the National Institute for the Blind, but as he will have to be present at the council meeting, Mr. J. B. Walkem, K.C., has very kindly offered to take his place.

The suggestion was made that the meeting for nomination speeches be held on Tuesday night but this would clash with the time for the receiving of qualifications for the candidates running in the municipal election. Thus Mayor Anrove feels that the only time for the speeches will be following the nominations in the forenoon on Monday.

appoint a township committee to act as key men in arranging for live stock meetings and talk up the question of better live stock to the ratepayers; the local agriculture department to furnish speakers when demanded.

Another question considered was the advisability of the townships of the county setting aside wood lots and the department of forestry would furnish trees which would be planted and the ratepayers would get very valuable information on the question of reforestation.

The plowing match recently held at Glenburrow was considered and the committee went on record of being in favor of more plowing matches to be held as they are a benefit to the farming community. Mr. McLean, who was the judge at the recent event, stated the class of plowing which was done in Frontenac was not up to the standard.

The question of a central cleaning plant for geed was considered but no decision was arrived at.
