MCGILL GIRLS WIN

The Debate in Montreal With the Queen's Girls.

Montreal Gazette.
McGill University, represented by Miss Esther England and Miss Isabelle Scriver, was declared victor over Queen's University, represented by Miss M. Moffatt and Miss Hazel Argue, in a keenly-contested debate on the subject, "Resolved, that Unions of Employed Workmen Are Beneficial to Society," held in the assembly hall of Royal Victoria College on Saturday evening. This constitutes a two-fold victory for McGill, since Miss Joan Gard and Miss Madeline MacSporran, who were representing the university in a debate between McGill and Varsity in Toronto on Saturday evening, were adjudged winners over the Toronto team. In the debate between Queen's and Varsity held in Kingston on the same evening, Toronto received the decision over Queen's. The debate held here, in which McGill supported the affirmative, is the first intercollegiate debate of its kind to be held at the college. It was well-attended, despite the unfavorable weather conditions prevailing.

Miss Bryan of Trafalgar Institute, Mr. Armitage Ewing and Mr. Howard S. Ross, K.C., acted as judges, and their decision was presented by Miss E. Eardley, president of the Delta Sigma Society, who occupied the chair. Miss Eardley, in announcing the result of the debate, informed the audience that the decision had not been an unanimous one, two of the judges having been in favor of McGill, and one for Queen's. In a brief address which preceded the contest, Miss Eardley welcomed the girls from Queen's, outlined the development of the Women's Intercollegiate Debating Union, and commented upon the part which it is anticipated the organization will play in strengthening the bonds of fellowship between the universities which it embraces.

Don't Miss This Meeting.
Captain E. A. Baker will address a public meeting in the Memorial Hall to-night, at which all citizens are invited to be present.

Captain Baker is one of our citizens and gave his sight in the great war. Let us all turn out to give him a welcome; he is a splendid speaker, and is one of the originators of the Canadian National Institute for the Blind, the only organization that cares for the blind, teaching them to be self-respecting, and self-supporting citizens. Captain Baker will tell us of this great work that is being done not only in our own city, but from coast to coast. This is truly a great work. Let us turn out in large numbers and give the Captain a royal welcome. A good programme has been arranged. Time 8.15 p.m. Place, Memorial Hall.

At St. George's Cathedral.
Yesterday being the Sunday before Advent, both services and sermons in St. George's cathedral emphasized the fact that it was the last Sunday in the church's year. The Bishop of Ontario preached a thoughtful sermon to a large congregation in the morning and the anthem "O God Our Help in Ages Past" was beautifully sung. At evening the dean was the preacher, and during his sermon referred to the canvass of the city which will be made this week for the Canadian National Institute for the Blind and the splendid work which was being done for those, more than 6,000 in number, who have lost their sight in the world war. During the offertory, Mr. C. B. S. Harvey sang, very beautifully, "A Few More Years Shall Roll."

This badly mangled switch locomotive of the D.L. & W. went through the open end of a siding at Orange, N.J., with the results here graphically pictured. The engineer and fireman were thrown clear of the cab and but slightly injured.
