LEADLEY'S TOE HUMBLER THE BENGALS; QUEEN'S CAPTAIN KICKED EVERY POINT

Tigers Outclassed 11 to 1—Two Field Goals in Five Minutes—Efforts to "Get" Leadley, Batstone and Thomas Proved Fruitless.

(By Whig Staff Reporter.) The game was underway sharp on time and there was a slight rain falling as the teams came to the centre. Leadley, who kicked off for Queen's, pulled his short kick and to the amazement of all, "Bud" Thomas got the ball on Tigers' 40-yard line. On the first down Roy Reynolds made a 20 yard gain through the centre. Batstone made another five yards and Reynolds came back with another plunge. Baldwin added two more yards. Queen's were then thrown back. Reynolds tried to gain on the second down but failed and, with the play on Tigers' 10-yard line, Leadley brought the crowd to their feet when he dropped the ball over the bar for three points. Queen's 3, Tigers 0.

goal, but it failed, however Batstone roused. Queen's 7, Tigers 1. Reynolds plunged for five yards. Cox was hurt, but remained in the game after being patched up. Reynolds made two yards on a plunge. Leadley kicked to Crocker, who was downed hard by Thomas and was knocked out. Queen's smothered a Tiger plunge. A backfield run by Tigers looked pretty, but gained only four yards. Gibb kicked to Batstone near centre, and he was downed. Reynolds was held. Reid and Reynolds were penalized for mixing it up. Leadley made only two yards on a run, and then kicked to Gibb, who was held on his 35-yard line. Timmis made five yards on a plunge, and was held on the second down. Gibb kicked beyond Leadley, and he was downed on Queen's five-yard line. Queen's were stopped on the first down without a gain, and made two yards on the second attempt. Leadley kicked to Crocker, who returned to Leadley at Queen's five-yard line. Burton replaced Weaver for Tigers. Baldwin was held on the first down. Reynolds made five on a plunge. Leadley kicked to Gibb. Gibb kicked to Leadley, who avoided half a dozen tacklers but made no gain and was held 10 yards out from his own goal.

QUEEN'S MAKE MICE OF TERRIBLE TIGERS WHILE WINNING THE EASTERN SEMI-FINALS

Reynolds Made Hash of Vaunted Tiger Line to Prove His Ability—Chantler Appeared as "Sub." Quarter—Only Two Substitutes Used by Queen's.

(By Whig Staff Reporter.) It was established beyond a doubt on Saturday afternoon at the Varsity Stadium that the Queen's senior rugby team, for the past two years' Dominion champions, are still the greatest team in Canada. Before a crowd of over seventeen thousand people, which filled every available spot in the Stadium, Queen's defeated Tigers of Hamilton, champions of the "Big Four," by a score of 11 to 1. There is no question that the better team won, and it certainly was entitled to victory, as they played first class rugby and made few mistakes. Every player worked into that wonderful rugby machine, which has demonstrated on many occasions that it cannot be beaten.

When the fourth period opened the rain had commenced to fall again. Tigers were in possession of the ball on their own 35-yard line. On the first down Gibb, of Tigers, broke through for fifteen yards on a beautiful line plunge and repeated the same stunt for another gain of two yards. "Art" Lewis, by a beautiful play, at the centre of the field,

broke up a Tiger play and got possession of the ball. Reynolds plunged for seven yards and Harry Batstone went around the end for one yard. Leadley kicked to Gibb who immediately returned and Queen's made a slight gain on the exchange of kicks. Leadley was given a very dirty tackle from behind and many thought that he had been hurt but he just got up out of the pile smiling and patted the player on the back who pulled the "dirty stuff." Quinn, of Tigers, was hurt but came to and continued. Reynolds, playing at top speed, went at the Tiger line, but was stopped by Cox who had been putting up a great exhibition. Quinn, after getting Leadley's kick, which went over the Tiger line, ran for thirty yards before tackled by Wright. To the surprise of the crowd in the open stands they saw Karl Quinn attempt to get even with his tackler by kicking with both feet and how he missed striking Wright in the face is a mystery. He got well roasted by the fans but was not penalized.

It was clearly evident that Tigers were going to almost commit murder to attain their own end. Tigers then kicked the ball up the field and it bounded for some distance before Harry Batstone got his hands on it but he ran it for about thirty yards, evading the Tiger tacklers, and before he was stopped he had knocked two of the enemy over and it took some head salts to revive them. Harry Batstone got a dirty tackle and Billie Hughes brought him around. Tigers then attempted two inside kicks. The first time "Ken" Walker got the ball and made about twenty-five yards. The second attempt resulted in the ball going into touch. Elford was banished for a few minutes for scragging. With about five minutes to go Tigers were playing a great game. Leadley kicked the ball over the Tiger line a couple of times but the Tiger halves by good work were able to carry it out. Walker was sent to the back position and he distinguished himself by getting one of "Pep" Leadley's punts from behind the line.

Johnny Evans, who had been giving his best during the game, was carried off the field and replaced by Burton. Tigers attempted a back field play but Queen's caught the ball with the ball before he accomplished anything. Queen's were given a penalty but "Pep" Leadley was able to keep the battling Tigers on the defensive. With three minutes to go Baldwin was penalized and Chantler came on the field to fill the quarter position. Tigers tried two more inside kicks but Queen's knocked one into touch and a stone got the second. Airth made a three-yard gain by plunging through the centre. Just as the time-keepers were walking on the field to call time "Pep" Leadley kicked to "Ken" Walker who was behind the Tiger line and he ran the ball out into safe territory. Final score—Queen's 11, Tigers 1.
