HOLINESS MOVEMENT RALLY

During the Week-end Attended by Large Congregations. The three-day rally held in the Holiness Movement church, on Friday, Saturday and Sunday, was a time of great spiritual refreshment and crowds greeted the speakers at each service. The Evangel male quartette of Ottawa led the singing and gave many very fine selections throughout the services. Rev. P. Wiseman, Ottawa, and Rev. S. H. Jeffery, Roblin, were the speakers, and the discourses given were very eloquent and inspiring, and attentively listened to by those in attendance. The three services on Sunday were times of rejoicing and blessing to those who had the privilege of being present. The gospel truths were very forcibly given, and in the after-meetings many decided to lead a Christian life. The Movement church on Division street has always upheld a standard of holiness and perfection and a most excellent work is being done there. Special meetings are to be held again the first of the coming year.

AT BETHEL CHURCH

Christian Endeavor Delegates Tell of the Toronto Convention. The evening service at Bethel Congregational Church, on Sunday was taken by the members of the Christian Endeavor Society, who had attended the "Friendship Convention" in Toronto, November 8th, 9th, 10th. Bethel society had ten members of their society at this convention and gave a number of the more important addresses that were given. Herbert Porter was chairman and was assisted by Stanley Wilson who read the scripture lesson, and Aubrey Williams and Ronald Metcalfe who led in prayer. Miss Mary Porter gave the address of Dr. Margaret Patterson, whose subject was "Making My Country God's Country." It dealt with the ways a young woman could help to make Canada God's Country. Mack Veale gave an account of the meeting addressed by Bishop Williard Brewing, which told of how the young men could help to Make Canada God's country. Fred Buck told of the address of Edward P. Gates, general secretary of the United Society of Christian Endeavor, who spoke on "Miracles of Christian Endeavor." He told of the many things accomplished by young men and women for Christ that were considered miracles. Some of these tasks were tremendous and were only accomplished after great sacrifice of self had been made for Jesus Christ. Robert Trener spoke on "Christian Endeavor Girdling the Globe, and The Christian Endeavor Grip" which was an address given by Carlton M. Sherwood, field secretary of the State of New York. It told of the great value of the movement in all the countries of the world, and of the great convention held last August in Hamburg, Germany, where 12,000 delegates attended and seventeen nations of Europe were represented. A great gathering for interdenominational and international fellowship. William Bruce gave an account of the Christian Endeavor sermon, preached by Rev. D. N. Morden, of St. James Square Presbyterian Church, Toronto, who was a former pastor of Bethel church. His subject was "Loyalty to Christ" and was dealt with under three headings: Loyalty to King and country, Loyalty to Friends and Loyalty to the Marriage Vow, loyalty to Christ and the Church. During the evening Mr. James Lomax rendered a solo, and the Misses Jennie and Lucy Wilson sang a duet, which were greatly enjoyed. The entire society which occupied the platform and choir loft also sang one of the Christian Endeavor hymns, "Higher Ground" at the close of the addresses.

Strachan-Saunders Wedding. A pretty November wedding took place at the home of the bride's brother, Mr. J. W. Price, 194 Roseberry street, St. James, Man., when Mrs. Winnifred A. Sanderson, second daughter of Mrs. M. W. Price, of Mountain Grove, Ont., became the wife of Mr. George Strachan, Devlin, Ont. The ceremony was performed by Rev. Mr. P. Jones, La Vallee, Ont. The bride wore an imported gown of navy blue crepe, heavily beaded. Her bouquet was of small bronze chrysanthemums. Only very immediate relatives were present. After the ceremony a sumptuous dinner was served. The house was tastefully decorated with chrysanthemums and wedding bells. Mr. and Mrs. Strachan will be at their home in Box Alder after November 20th.

Ice Plant Completed. The work of installing the artificial ice plant at the new Jock Hart's arena was completed on Saturday. The testing of the plant, which usually takes about five days, was commenced on Monday morning. The nine miles of pipe which cover the playing surface are being tested by the city water pressure being turned on them. The sink is now practically completed with the exception of the fence which surrounds the ice surface, and as all the wood is cut in lengths it will require only a few days to put it in place, and then the icemakers can commence making ice.
