 Seat Plan now open at Grand Opera House

AMUSEMENTS
 What the Press Agents Say About Coming Attractions

"UNCLE TOM'S CABIN."
 Tucked away somewhere in the innermost consciousness of every man and woman is the memory of the first performance of "Uncle Tom's Cabin" they ever saw. It was undoubtedly the Stetson company, which is now making its fifty-fourth annual tour and which is announced to be the attraction at the Grand Opera House, for two days with daily matinee, commencing Friday, November 28th.

How vividly, when one of the old recollections is recalled, does the memory of that great epochal period come back? The days of preliminary expectation; heightened by the curiosity-arousing newspaper announcements; the early morning arising so you could beat your chum down to the theatre to be in time to lead one of the dogs in parade, thereby getting the document that would admit you to the still unknown world of wonders; how vividly one lives it all over again, what a glorious page it makes in the life story of days forever gone? Is it any wonder, then, that the coming of the Stetson company stirs the community to its foundations. It is the oldest dramatic attraction touring on this continent. To the children it means the unfolding of new delights, while to those of mature age it is a promise of a renewal of pleasure, of sight and sound that have long been forgotten. In addition there is too the educational side of "Uncle Tom's Cabin," which appeals to instinctively to both young and old.

SPORT

"CARA MIA" MENTIONED AS CANADA'S CUP CHALLENGER
 Canadian yachting is on the boom if the semi-annual meeting of the Royal Canadian Yacht Club of Toronto can be taken as an indicator. The Rochester Yacht Club is very anxious to bring about another contest for the Canada's Cup. It has not been in competition since 1907, when the R.C.Y.C. challenge was withdrawn because Rochester insisted on bringing a boat temporarily from salt water to defend it. The Bay of Quinte yacht club is willing to challenge for it in 1925 with Cara Mia, owned by the Hill Brothers, of Kingston, these sailors belonging to both the Kingston and Bay of Quinte clubs. The Cara Mia is, however, of American design and an effort will be made to produce an all-Canadian P Boat.

The R. C. Y. C. report says more R boats are needed and recommends construction of dinghies in their own shops which may not be duplicated by competitors. It is likely that the Eastern Yacht club, of Marblehead, Mass., will sail at Toronto during 1925.

Strong Position Shown By Bank of Montreal

Lessened Demand for Funds and Lower Interest Rates Make for Smaller Profits—Large Gain in Deposits.

The Bank of Montreal annual statement, always looked forward to as giving a representative reflection of the economic situation in Canada, has just been issued. The statement shows that for the fiscal year ending Oct. 31st the assets stand at \$748,836,083, as against \$629,352,109 at the end of the previous year. Of this amount liquid assets total \$468,516,968, at which level they are equivalent to 62.55 per cent. of liabilities to the public, as compared with \$391,227,837 or 62.55 per cent. a year ago.

The principal gain has been under the headings of government securities and railway bonds and stocks, indicating that, due to lessened commercial activity throughout the country, there has been an endeavor to keep as much as possible of the Bank's funds continually employed. Dominion and Provincial Government securities now stand at \$91,612,453 up from \$63,185,030; railway and other bonds, debentures and stocks, \$6,385,569 as against \$2,328,051; Canadian Municipal securities and British, Foreign and Colonial Public securities, other than Canadian, \$42,392,716 as compared with \$37,601,768. In cash holdings the Bank reports Gold, Subsidiary Coin Current and Dominion Notes \$94,996,723 up from \$81,589,881, and deposit in Central Gold Reserves \$14,000,000 compared with \$17,000,000.

From month to month the Bank has been reporting gains in deposits and at the end of the fiscal year deposits amounted to \$636,869,521, as against \$579,056,733, a gain over \$57,000,000 during the year. These figures indicate a substantial increase in savings accounts and it is also probable that a portion of the large gain is accounted for by Government deposits that were being accumulated in anticipation of the payment of loans maturing on Nov. 1st. Total loans of \$254,269,220 compare with \$274,968,486 at the end of the previous year. The principal accounts in this classification are current loans and discounts in Canada, which now stand at \$214,565,215, as against \$236,656,924; and loans to cities, towns and municipalities of \$15,432,780 in comparison with last year's figures of \$21,703,848.

Net profits for the year, after deducting charges of management and making full provision for all bad and doubtful debts, were \$4,454,504, as compared with \$4,496,416 for the previous year. The profits, added to the balance carried forward, brought the total amount available for distributing up to \$5,114,056. This was distributed as follows: Regular dividends and bonus \$3,315,000; provision for taxes Dominion Government \$412,500; reserve for bank amounts to be carried forward to balance of Profit and Loss at the end of the year \$761,556, as compared with \$59,552.

The report will be submitted to the shareholders at the Annual Meeting, which will be held on Monday, Dec. 1st.

OBITUARY

Late Mrs. James Whitmore.
 Mrs. James Whitmore passed to rest at Toledo, Ohio, on Thursday last after a very short illness. The deceased lady had been in poor health for about two years. Her husband and six children, mostly grown-up, survive. Mrs. Whitmore was a sister of James Hill, Albert street, Kingston and Mr. and Mrs. Hill attended the funeral which took place in Toledo on Saturday.

STRAND
 LAST TIME TO-DAY
BEBE DANIELS and TOM MOORE
"DANGEROUS MONEY"

The ashes of Jean Jaures, famous French socialist, were laid to rest on Sunday in the pantheon to the strains of "La Carmagnole," the old anthem of the French revolution. A lone cornetist played the tune.

"DANGEROUS MONEY"
 AT THE STRAND
 A thrilling story of modern life that sweeps you from New York's gay white way to the exotic south, land in all its romantic glamour. Such is "Dangerous Money" with Beh Daniels and Tom Moore in the leading roles. It offers most unusual entertainment. Last time to-day.

IN MARINE CIRCLES

The steamer City of Hamilton arrived from Montreal and cleared for Hamilton.

The steamers Maple Hill, Vinmount, A. E. McKinstry, Maplehead and Woodcote were lying in port, wind-bound, on the way west.

The steamer Brockville arrived from Bay of Quinte points on the regular trip.

Mikado Matinee.
 The children will want to see this wonderful opera. Schools will all be closed Wednesday afternoon in time for the performance, which will start at 3 o'clock sharp. Any seat in the theatre for children 25c; for adults, 50c.

Ashore Near Morrisburg.
 The steamer Trevisa, of Keystone Transportation Company, went ashore Monday afternoon below Murphy's Island, near Morrisburg. She was laden with oats, and has a list of about three feet. Two tugs and a lighter from the Donnelly Wrecking and Salvage Company have gone to her assistance.

Sure Dominion Champions.
 Speaking of the Queen's-Tiger game the Ottawa Journal says: "Queen's showed all that smoothness and finish which has made them one of the greatest machines in the history of Canadian football. Though they have two games to play, they can be written down as Dominion champions."

In The Running.
 Kingston is placed in the Ontario Amateur Basketball Association. All districts must have their schedules completed by March 10th and the finals must be played by the 15th of the following month.

FRONTENAC BOWLING AND RECREATION CLUB STARTS

"Pat" Moran, Well-Known All Over City, Is Appointed As Manager.
 The Frontenac Bowling and Recreation Club, Ltd., has announced that in the near future, and on a date not yet fixed for certain, eleven of the most up-to-date bowling alleys in Canada will be installed in the large building on Princess street formerly occupied by the T. F. Harrison Company.

Bowling has been given a great reception all over the country. In the larger cities we find fathers, mothers, sisters and brothers all following up this great game which is peculiarly adapted to city dwellers and offers exercise to many undeveloped and unused muscles.

Mr. Karson has invested an outlay of \$25,000 in these new alleys in Kingston as he says he feels that Kingston will at once adopt the sport and take to it spontaneously.

The new alleys will offer accommodation to ladies as well as gentlemen. Ladies' rest rooms will be provided. In Toronto at the ladies' hours the big bowling academy's rooms for men will also be furnished.

The Club has announced the appointment of "Paddy" Moran as manager. Queen's famous quarterback in the days of 1908 needs no introduction here and the backers of the new enterprise are to be congratulated on securing his services.

AWARDED \$105.
 On Tuesday morning Judge H. A. Lavell gave his decision in the case of W. J. Amey vs. the Estate of the late Robert B. Fairbairn. Mr. Amey put in a claim for \$311, which he claimed he was entitled to for special care which he had given the deceased during the last months of his life. The judge awarded the plaintiff \$105.

The Time Extended.
 W. Ford Webster, fish and game overseer, has been notified that the domestic licenses for herring and white fish have been extended to Dec. 5th. The previous date was Nov. 22nd. The extension does not apply to Charleston Lake. Mr. Webster says the herrings and white fish are just now beginning to run.

A Mix-up in Names.
 In the list of the men nominated for aldermen which appeared in the Whig last evening, the name of W. P. Peters, in Rideau ward, was mentioned. This should have been William Peters, popularly known as Capt. "Billy" Peters, one time accountant at the public utilities office. W. P. Peters is a candidate for reelection in St. Lawrence ward. Capt. Peters' friends are urging him to stand, and it is likely that he will do so.

To Qualify To-night.
 To-night at nine o'clock it will be known who will be in the running for aldermanic candidates and members of the public utilities commission. The candidates have until nine o'clock to file their papers.

Offered Ottawa Post.
 Dr. Thomas Little, of the staff of Queen's Medical College, has been offered the position of pathologist in the new Ottawa hospital, and will likely accept.

ADDITIONAL POWER IS AN URGENT NEED

Members of Utilities Commission to Attend Conference in Toronto.

All the members of the Public Utilities Commission, with the exception of Mayor Angrove, will go to Toronto on Wednesday, to attend a meeting of the Ontario Municipal Electric Association, to be held at the city hall in the afternoon, to discuss the development of the St. Lawrence and other waters, and such matters that may be brought before the meeting.

Many places, including Kingston, are in need of additional power which is not available, and unless some action towards further development is taken at once, all Ontario will, in the next couple of years, be face to face with the greatest power shortage ever experienced.

Mr. J. M. Campbell will also attend the power meeting, representing the Eastern Power Association.

The Liberal Executive Enters a Protest

There is strong objection to the action of the militia department in ordering the gun at Fort Henry, which fired each night at 9:30 o'clock, to be stopped at the end of the month. At a meeting of the Liberal executive, the president was instructed to write the Hon. E. M. MacDonald, K.C., minister of militia and defence, and ask that the department reconsider its order and have the gun continue to be fired each night. The minister of militia is at Pictou, N.S., and it is expected he will act in the matter as soon as he returns to Ottawa.

HERE THEY ARE!

No need to tell you who they are—"Pep" Leadley with the diminutive soup-strainer, and Harry Batstone with the freckles. No records in Canadian football can show a pair of half-backs so outstanding, so close in their co-operation, so genuine in their friendship. They are heading for their third consecutive years on a Dominion Championship team.
