TO PROVIDE WORK FOR THE UNEMPLOYED

Olty to Undertake Work on Sewers This Winter to Help Out Situation.

In order to help out the unemployment situation this winter, the city council on Monday night, on motion of Ald. Peters and O'Connor, decided to take up excavation work for sewers on Division, Alfred and Concession streets, for a total of about 1,800 feet, according to the recommendation of the city engineer. A by-law will be prepared for the work.

It will be recalled that Mayor Angrove took up the question of providing for men out of work this winter a few days ago, and proposed that a certain line of work be undertaken.

Ald. Peters, chairman of the board of works, stated that he had taken up the matter with the city engineer. Every part of the city was gone over and the work decided on consisted of a sewer on Division street, Concession HOUND- Lost, in vicinity of Flower, and Alfred streets.

Mayor Angrove pointed out that the Seeley's Bay, Ont. question of employment for men in the winter was a very important, and he asked the members of the council to give the matter their serious considera-

"I have a half dozen to a dozen men calling on me every day for assistance," added the Mayor. "I think we should take on all this work. If the government agrees to pay one-half of the cost, it will make it easier for the city, and I believe the government is considering a plan to do this, but in considering a plan to do this, but in the meantime, I think that we should street and Hemlock Park Stock Farm. get something for the men to do. We want to keep away from giving out

On motion of Ald. Chown, the utilities commission will be asked to provide a light at the corner of Macdonell and Scott street, and will purchase a self measuring gasoline tank for the upper fire station at a cost of \$100.

Council approved of plans prepared for Smith street, as submitted by the engineer. Plans made some time ago had to be secured, showing the var-
