QUEEN'S MEN ARE BARRED FROM CITY HOCKEY LEAGUE

City Players Allowed to Come And Go at Will With New Amalgamated Intermediates.

A meeting of the City Hockey League was held in the Standard building on Wednesday evening with President C. E. Taylor in the chair. There was a large attendance. Two more teams were entered bringing to list now as follows: Circle-Six, Live Wires, Regiopolis Irishmen, R.C.A. and Club. All teams made proper entry and paid their fees. R. J. Boyce entered for Regiopolis and Sergt. Mallon for R.C.A.

Roy Ludlow consented to act as secretary pro. tem.

It was decided that no Queen atudents may play on any teams in the City Hockey League. This is for the purpose of avoiding the troubles which always arise when Queen's men participate. If they show improvement they are desired by their college teams and then the trouble starts. The new rule solves the difficulty and the studnts do not suffer as they have plenty of inter-year, inter-faculty and higher grade .hookey. Queen's A. B. of C. will be notified of this rule.

It was also decided that City League players may come and go at will on the new amalgamated in termediate O.H.A. team, providing they stick to their own team in the City League.

The delegates to the joint conference at Queen's on Monday made their report. It was the unanimous opinion that

the league should aid the new team in every way. The matter of a secretary-treas-

urer was taken up. E. J. (Ned) Hartrick has finally decided not to take office. Harry Law was finally chosen as the new official. J. S. McDonell, secretary of

Queen's Athletic Board, addressed For Hearing At The County Court the meeting pointing out the need for co-operation and thanking the City League for its offer of support. He announced that the Jock the Peace and the county court Harty Arena would be available all which opens at the court house on next week, free of charge, for City Tuesday before Judge H. A. Lavell. Of the New Harty Arena on Thurs-

It was announced at Queen's University on Thursday morning that the flooding of the ice surface at the new Jock Harty arena will be commenced on Thursday evening. Major Grant of the Royal Military College, who has been superintending the erection of the building when speaking to the Whig, stated that it would take about thirty-six hours to make the ice surface and then hockey practices and skating can be started. The ice makers' will work day and night to get a good surface. It has been arranged that the caThe British Whig

The cadets intend to put a real strong team on the ice, and with this in view have arranged for B. G. Carr-Harris and C. H. Walker, graduates of the college, who were hockey stars, to come to Kingston and take part in the contest. T. D. K. Rooney, a Kingston boy who is captain of the R.M.C. team, will take part, and G. M. Smith, one of the star football and hockey players, will be one team. It is not known who other players will be.
