**"SMILE AND SPEAK FIRST."**

A reader thinks that Kingston at this Christmas season should adopt as its motto "Smile and Speak First." He has lived in the far west and like many warm-hearted easterners he sees a lack of friendliness in this older section of Ontario. He has hit upon a good motto. Sons and daughters of the Limestone City, who have not been here for years, are coming to the old home for the Yuletide. "Smile and Speak First" to them, he advises. Leave off the mantle of stiffness and welcome the stranger.
