To All Our Friends

A Very Happy

Christmas

HRISTMAS has come to our doorstep,

lives added vigor; chasing all thoughts

our troubles and toils from our hands. Lead-

lands. Days when the holiday spirit enters

and gives us a thrill, lighting our lives with

happiness, giving our friends our good will.

Christmas is just a reminder, telling us which

is the best way of conducting our living, but

few of us stand to the test. Seems like we al-

ways forget what Christmas teaches us each

year. We plunge back to what we were do-
