 W. W. Behlin has purchased
 James Allan's ice business in Perth.
 Mr. Allan has been in this business
 for a long period of years. The origi-
 nal ice-house is situated off Drum-
 mond street in the East Ward. A

 an additional ice-house in Fair-
 holm Park. Mr. Behlin takes pos-

Wedding Bells.
 A pretty informal Christmas wed-
 ding was solemnized at the home
 of Mr. and Mrs. Frank Peterson,
 Bordenwood, when their only
 daughter, Flossie May, was united
 in marriage with Ernest E., son of
 Mr. and Mrs. Adam Godfrey, Ar-
 den, on Dec. 22nd, at 10 a.m. Rev.
 Harold E. Frair, Arden, tied the
 nuptial knot. The bride was sup-
 ported by her cousin, Miss Mar-
 jorie Peterson, whilst Roy Scott
 was best man. The bride looked
 very sweet in brown silk crepe. Af-
 ter a dainty lunch, they took the
 west bound train for their honey-
 moon trip.

Of U. E. Loyalties Descend.
 Mrs. Margaret Darling, Almonte,
 has received word that her eldest
 sister, Mrs. Anne Garrison, passed
 away on December 9th. Mrs. Garri-
 son was in her ninety-fifth year,
 and was ill but a few days. For some
 years she had made her home with

a daughter in New York. Mrs. Garri-
 son is remembered here as she
 visited Mrs. Darling several times
 before going to New York. Her
 maiden name was Anne Jenkins,
 and she was a native of Selby, near
 Napanee. Her mother was an Em-
 bury, one of a well-known U. E.
 Loyalist family. They were among
 the first Methodists in the district
 and were relatives of Barbara Heck.

Mr. Dunlop Improving.
 Word from E. A. Dunlop, Renfrew,
 who is in the Roosevelt Hospital in
 New York recovering from the ef-
 fects of a serious operation per-
 formed on Tuesday of last week,
 continues to be reassuring. It will be
 good news to his Pembroke and
 Kingston friends to learn that the
 trouble from which he suffered had
 not reached a critical stage, and that
 there is every reasonable hope now
 for a complete and satisfactory re-
 covery.

Dufferin School Closing.
 The closing exercises of Dufferin
 school took place on Monday after-
 noon. The school room, which was
 beautifully decorated, and the
 bright, happy faces of the children
 made a pleasing picture. A Christ-
 mas tree laden with gifts for the
 children made everyone feel that
 the great festival was very near.
 The pupils sang a number of Christ-
 mas songs and gave several amus-
 ing dialogues and recitations. The
 programme closed with the singing
 of the National Anthem. The teach-
 er, Miss Ethel Quinn, distributed
 the gifts from the tree, after which
 each child was given a liberal sup-
 ply of candy and fruit. This treat
 given the children by their teacher
 was a pleasant surprise to them. The
 parents and friends of the children
 who were present were delighted
 with the entertainment, and all
 agreed that much credit was due
 Miss Quinn for the training of the

New Lamp Burns
94% Air
BEATS ELECTRIC OR GAS.
 A new oil lamp that gives an amaz-
 ingly brilliant, soft, white light, even
 better than gas or electricity, has
 been tested by the U. S. Government
 and 35 leading universities and found
 to be superior to 10 ordinary oil
 lamps. It burns without odor, smoke
 or noise—no pumping up; is simple,
 clean, safe. Burns 94% air and 6%
 common kerosene (coal oil).
 The inventor, F. B. Johnson, 246
 Craig street west, Montreal, is offer-
 ing to send a lamp on 10 days' FREE
 trial, or even to give one FREE to
 the first user in each locality who
 will help him introduce it. Write
 him to-day for full particulars. Also
 ask him to explain how you can get
 the agency, and without experience
 or money make \$250 to \$500 per
 month.

 young.

There's Plenty of Work.
 It is said that apart from farm-
 ers' sons, who alone constitute
 quite a number, there are about 150
 men employed in different lumber
 camps in the Calabogie neighbor-
 hood. There is not an idle man in
 the village. A large number have
 come in from outside points and
 found work. The output of the
 camps consists of matchwood for
 Pembroke, pulpwood, ties, hard-
 wood, etc., together with sawlogs.
 One of the leading operators is
 James S. Dempsey, Renfrew who is
 to erect jammers at Calabogie and
 Ashford for the loading of logs on
 freight cars. With all the work go-
 ing on accidents are few. The only
 one so far reported occurred to a
 young man named Shuld from Arn-
 prior, who had bones in one of his
 feet broken through the "kick" of
 a falling tree. Dr. Flynn attended to
 his injuries and he went home.

 The success of the National in
 building up its traffic between To-

 every detail that speaks for the com-
 fort of the travelling public; din-
 ing car service that is not surpassed
 anywhere; courtesy from every em-
 ployee. Combined with convenient
 hours of departure and arrival, cen-
 trally located terminals, and finest
 modern equipment, embracing club-
 compartment-observation cars, stan-
 dard and tourist sleeping cars,
 coaches, dining and colonist cars,
 you have everything to insure you
 of a superior type of service. Then
 at Winnipeg there is the Fort Garry
 Hotel where characteristic Canadian
 National Service is at your com-
 mand.

 train, leaving Toronto 8.45 p.m.
 daily, arriving at Winnipeg 3.45
 a.m. second day, where connection
 is made for Calgary, Edmonton,
 Vancouver and all points in West-
 ern Canada.

There is a standard sleeping car
 on this train Toronto to Sudbury;
 also sleeping car connections for
 Port Arthur.

A fashion note says old men are
 to wear the clothes of the young
 bloods. What's the idea? Trying to
 tip them off to the fact they are
 heading for their second childhood?
 Satin is said to lead all other fab-
 rics in preference for general wear,
 and the black satin frock is as much
 of a uniform as the blue serge used
 to be.
