"MEN OF AFFAIRS" in KINGSTON

BY FRED MEYER

ALD. HAVELOCK FORD PRICE

Alderman Havelock Ford Price, son of Samuel C. Price, captain in militia, and Eunice Lutz, was born February 23rd, 1861, at Butternut Ridge, Kings county, New Brunswick. His forefathers were American refugees who settled in Canada in 1778.

Alderman Price attended the public schools of Butternut Ridge and then received a second class teacher's certificate in Fredericton, N.B. He taught school for one term in that town.

He started his business career as junior member and manager of the firm of Price Bros., dealers in general merchandise, at the age of 21, and remained with that firm for a period of ten years. In 1900 he came to Kingston as a representative of the American Tobacco Company, and remained in that capacity until 1903, when he started the Price Confectionery Company and made the first ice cream in Kingston. In 1909 he bought out what was known as The Clarified Milk Company and changed its name to its present one, "Price's Dairy." He built the present business up from a three horse can to its present capacity of 2,500 quarts per day, delivering the milk, clarified and pasteurized, in bottles. This is all done under the personal supervision of Mr. Price. At the present time of increased business he expects to handle a million quarts this year.

Alderman Price is a member of St. George's cathedral and the city council; he is also a member of the Frontenac Club, Canadian Foresters and Masonic order.

He was married to Minnie E. Archibald, of Amherst, N.S., in East Lexington, Mass. They are the parents of one daughter, who is now residing in Regina, Sask.
Residence, 76 Sydenham street.
Politics, Conservative.

BILL MOORE HEADS KIWANIS FOR 1925

Succeeds as President of Active Club—Murdoch Johnson Elected Vice.

At the annual meeting of the Kingston Kiwanis Club held in the Frontenac hotel on Monday evening the following officers were elected for 1925: Immediate past president, W. Y. Mills; president, William Moore; vice-president, M. G. Johnston; secretary, W. K. Macnee; treasurer, S. Crawford; board of directors, A. C. Hanley, T. A. Kidd, Dr. L. J. Austin, S. Crawford, R. Crawford, A. J. Maklejohn, Jack McGill, Harry Wilder and J. P. Hanley.

To the strains of "Here Comes the Bride," the new president was led to the chair by W. R. Givens. In earnest and sincere phrases the retiring president, W. Y. Mills, told him of the high honor conferred upon him, the manner in which he had earned it, and his own personal pride and pleasure in pinning the president's button on so good a Kiwanian.

In a suitable reply, President Moore thanked the retiring president and the club for the position in which he is pleased and congratulated the outgoing executive on its excellent work. He appealed for co-operation and help from the whole membership and before concluding extolled the services rendered by Billy Mills as president and pinned on him the past president's badge.

Reports of Committees.

A nominating committee brought in the names of carefully selected candidates and, as each office was voted on, the reports of the various committees were heard, as follows: Kivis, Harry Wilder; speakers, James Armstrong; sick and visiting, R. H. Fair; reception committee, Dr. Bruce Hopkins; publicity, George McLean; intercity relations, Sir A. C. Macdonell; membership, J. F. Rowland; entertainment, H. W. Newman; benevolence, M. Oberdorfer; boosters, E. O. Smithies; attendance, Reg. Crawford; athletic, Harry Law; district trustee, F. J. Hoag; secretary, W. K. Macnee. The report of the treasurer was deferred until the next meeting.

President W. Y. Mills delivered a splendid report covering the activities of the year. Among the events covered were the Kiwanis Charity ball, Kiwanis Carnival, held day at Newboro with Kiwanis Club of Syden-

ham, summer band concerts, moonlight excursion, community singing, Kiwanis boys camp, Kiwanis community dance, Kiwanis picnic at Eastview, visit to Mowat hospital, visit to Wilton church, "The Mikado," entertainment to Queen's champion football team, and other activities.

The adjournment for the summer months had not been approved by Kiwanis International and would not likely be repeated. During the year money had been expended as follows: \$1,000 to boys farm; \$400 for band concerts during summer; \$200 for coal for the poor; \$200 for the camp for underprivileged boys, \$100 to the Victorian Order of Nurses to buy milk and \$50 to the 4th Hussars to compete in the O. B. A. A. finals.

In conclusion the president said: "I desire to submit that the Kiwanis star in Kingston beams brightly, that our efforts in service have the unqualified support of our citizens, and without brag or boast that our club among others in our city stands best and highest, not only among those it has tried to help, but among the many we know who watch our activities with the greatest interest."

Election System.

In order to make the annual election of officers snappy and at the same time force competition, a nomination committee consisting of W. R. Givens, Jack McGill and A. H. Fair was appointed to bring in a slate of officers. Two men were placed for each office and for the directors those with the most faithful attendance records placed on the lists. The elections went over quickly and with no drag nor delay.

Secretary W. K. Macnee read Christmas greetings from many outside clubs and organizations and also a letter of thanks for aid in the supplying of coal.

Under the energetic direction of Ernie Smithies the song programme was a fine one, being featured by a "Happy New Year" song, a bagpipe song by R. E. Burns and ending with a rousing "Auld Lang Syne" by the whole assemblage.

A special collection was taken up for the benefit of the waiters during the evening and a great many little stunts and bits of by-play pulled off that made the time pass quickly and pleasantly.

Returns to Sarnia To Open Shoe Repair Shop.

Frank Zanzow of Sarnia, who was sentenced to be hanged for murder and whose sentence was commuted to twelve years in the Portsmouth penitentiary, has been released on parole after serving eight years of his sentence. After leaving the Portsmouth institution he returned to Sarnia. A despatch from Sarnia says:

"Back in the year 1916 Sarnia was stirred by the murder of Frank Schmidt, a well-known member of the foreign colony. The slaying was done with a knife, during an altercation over a card game in the south ward. In Port Haron the following morning, Alex. Zanzow, a fellow-countryman, was arrested charged with the crime. He was subsequently tried, found guilty and condemned to hang. A few days before the execution was to take place a message was received here announcing the commutation of his sentence to 12 years' imprisonment. After serving several years, Zanzow has been liberated on parole, police officials said here to-day, and he is to report at police headquarters once a month until June 4th, 1925. Parole was granted for good conduct and, according to the police, Zanzow plans to open a shoe shine and shoe repair parlor in the south ward."

Orphans' Guild Enquire.

The Orphans' Guild held a euchre in the Recreation Hall, of the House of Providence, on Monday evening. It was well patronized. The convokers were Mrs. V. Melville and Mrs. M. Murphy, assisted by Mrs. W. G. Bailey, Miss M. Shanahan, Miss M. Murphy, Miss H. Coyle and Misses S. and C. Melville. There were thirteen games played. Mrs. R. Beaudry won the ladies' prize; C. Nolan scoring highest for the gentlemen's prize.

Belgium Removes Speed Limit.

New Belgian road traffic regulations which go into effect in February provide that a speed limit will no longer apply to motor-cars. Motorists merely must avoid driving in any fashion which may endanger the public, and pedestrians must get out of the way and allow cars to pass.

Tenth Anniversary Of the Great War

Dec. 30th, 1914.

The British gained over two miles in a series of conflicts which ended in a charge which drove the Germans back. London and Paris are electrified at the Allies' success. The recapture of the trenches west of Apremont, from the Germans occurred at a heavy loss.

The Russians turn the Germans right wing and are within striking distance of Cracow. The Warsaw attack fails for the second time in a month. The Germans suffered huge losses, and the allied enemy may possibly have to retire from behind. Germany has notified the United States that several of the United States consuls in Belgium are not acceptable to German governors and must be changed.

An official British eye-witness story says that the condition of the trenches on both sides of Flanders is desperately bad and that many of the men are almost buried alive in the trenches.

Because their supports were cut in two, the Russians have been forced to abandon the siege of Cracow.

The Germans claim they have four hundred and fifty thousand prisoners on hand and half of them are Russians.

Official German losses to date are two million killed, wounded and missing.

Slight Blaze in Theatre.

In the Capitol Theatre on Monday evening a break occurred in a roll of film being shown and a slight blaze resulted in the projecting loft. There was little or no danger, but the cessation of the picture and a small quantity of smoke frightened some of the patrons near the back and caused a commotion for a few minutes.

Queen's and Toronto.

The Belleville Ontario says: Colonel Ponton was re-elected the other day as a governor or rather member of the senate of the University of Toronto, a post he has occupied with honor for twenty years. But it might not be out of place to mention that Judge Fraeick has been on the governing board of Queen's University for thirty-five years, a goddiah long period of time in the life of a man, in which fine service has been rendered for a great and growing institution.
