

Facts About Optometry

R. Arthey, Optometrist 148 FRANCES STREET NO. THIRTY-SEVEN.

In examining a child does the Optometrist depend upon the answers given by the child? It is not necessary for him to do so. He can with the instruments he uses determine the condition of the eyes without asking a question.

(To be continued)

NEVER BEFORE Not in fifty years has there been so persistent and widespread use of Scott's Emulsion yet thousands have only begun to realize what it might be to them in strength, health and robustness.
