A WEDDING AND A DEATH.

Weds Events at Mountain Grove During Week.

Mountain Grove, Jan. 6.—Christmas holidays are over. Schools have reopened, and everyone busy with the New Year's problems. Miners have arrived and opened up a mine on A. W. Thompson's farm, and will soon haul the mineral to Ardendale station for shipment. A quiet wedding was solemnized on Dec. 23rd, at the home of W. Shoots, when Miss Gertrude Raymond, became the bride of Arthur Lockwood. The couple will reside in the community. The death angel has passed over the village again and summoned William Cronk, at the ripe old age of ninety years. Deceased had long been a resident of this place and the last few years had resided with his grandson, Gilbert Cronk. He had been in failing health for some time, but the end came peacefully in the early hours of Friday morning. The funeral services were conducted at the home by Rev. Mr. Hall, a former pastor of this place, who gave a very impressive sermon, after which the remains were conveyed to the local cemetery where they were laid to rest.

A. Brown, also Mrs. Huffman are seriously ill. Election passed off quietly with two newly elected councilmen. The councillors are Samuel Stinchcomb, Ira Smith, Daniel McDonald and Samuel Dawson. Among the Christmas guests were noted, Miss Gertrude Price, Naponee, accompanied by Master C. Price, Brockville, also Mr. and Mrs. Price, Peigboro, at J. Price's; Mrs. R. Sleeth and children, Battersdale, at A. W. Thompson's; Miss Gall, Toronto, at her home "the paragonage"; Mr. and Mrs. C. Clark, Mt. Vale, also Youmans and son, Earl, Harrowsmith at W. Cowdy's. A watch-night service was held in the church on New Year's Eve. The many friends of T. Stinchcomb and Delbert Hawley, who have been undergoing surgical treatment in Kingston, are glad to know they are improving. A Snider is able to be about once more.

SALTS FINE FOR ACHING KIDNEYS

When Back Hurts Flush Your Kidneys as You Clean Your Bowels.

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with bicarbonate which helps to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so they no longer irritate, thus helping to relieve bladder disorders. Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean. A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble. By all means have your physician examine your kidneys at least twice a year.

SPORT

The Rotary Club again gave the Kiwanis a taste of defeat last night at the College Inn Bowling Academy, by taking two of the three games played between the two clubs. Harold Singleton and Cliff Reynolds of the Rotary Club rolled very high scores while Walsh and Sparks of the Kiwanians did the high scoring. The results were as follows: Rotary—Kelly, 348; Ward, 411; Stroud, 434; Reynolds, 614; Singleton, 634. Total, 2341.

Bowling Notes.

Fred McIntyre, Brock street, one of the leading bowlers of the city made a new mark last night when he bowled a total of 226 for one string. This is exceptionally fine bowling and is a high mark for bowlers to aim at. League bowling will be started at the Frontenac Bowling Academy next Monday evening when the clerical girls of the city will get their league under way. On Tuesday night the Mercantile Girls' League will get away to a start. A new check room has been put in the Frontenac Bowling Academy and new show cases have been installed also. Some of the girls, who have taken up bowling, are making high marks and they are scoring well over 100 a string. This is a great improvement over some of the scores made when bowling was first taken up by them.

Curling Games Played.

In an effort to improve the playing of the ladies, mixed games are on the order these days at the curling rink. A mixed game was played yesterday resulting as follows: T. M. Asseltine, Mrs. Moores, Miss Lewis, H. Angrove, R. H. Fair, Miss Daley, Miss Cartwright, N. Swain. Skip—9. Postford went to defeat Laford McRae by a score of 12-11. McLean defeated Rigby 11-5 and Newman defeated H. McCartney by a score of 11-8.

Petes Win Seventh.

On a sheet of very soft ice, Peterboro defeated Hamilton Bowling Club at Peterboro last night by the score of 3-0. The puck combination impossible. Earl Quinn, in goal for Hamilton, played a wonderful game, and turned aside some shots that were labelled for the nets. Freddy Brown played a star game also. This makes Peterboro's seventh straight win this season.

Joseph Ryan, a prominent resident of Marysville, was very painfully injured late Tuesday while working around a wagon which was heavily loaded. While the wagon was in motion, Mr. Ryan fell in front of one of the hind wheels, and it passed over the front of his head, with the result that he suffered double fractures of the jaw on both sides, and his right ear was severely hurt also, causing a hemorrhage, and for a time his condition was quite serious, but Wednesday morning he showed some improvement and in the afternoon was reported to be doing fairly well again at the Hotel Dieu Hospital. The patient is under the care of Dr. I. G. Borgart.

GREATEST PICTURE EVER MADE James Cruise, producer of the Paramount picture, "The Covered Wagon," at the Strand theatre today and Thursday, says it is the greatest picture ever made. It is certainly a pretentious screen offering, the story of which deals with the love trials of a young couple while travelling across the continent in a wagon train. Indian attacks, the fording of swollen streams, a genuine buffalo hunt, a prairie fire and many other dramatic incidents are a few thrills which this superior screen offering presents to the motion picture public.
