SUING URBAN SNIDER FOR SUM OF \$5,000

For Shooting of Percy Clarke, Aged Sixteen, at Odessa, on Oct. 31st.

Cunningham & Smith, solicitors, acting for Percy Clarke, aged sixteen years, who was shot on the evening of October 31st, 1924, in the village of Odessa, have entered an action at the Court House to recover damages amounting to \$5,000, from Urban Snider, general merchant at Odessa.

Although both the plaintiff and the defendant reside in the county of Lennox and Addington, it has been decided that the case will be heard in Kingston at the next sitting of the supreme court of Ontario. The legal documents have already been filed with the local clerk of the court.

It will be remembered that Percy Clarke, in company with a number of other boys from the village, went out on Hallowe'en night for the purpose of making the rounds of the village. They visited the home of Urban Snider, and while near the back door of his home Clarke was shot. The bullet entered the front of his body, going through his lung and lodging in the back. At first it was feared that he would die, but due to the skill of the doctors treating him at the Kingston General Hospital, his life was saved, and he was able to proceed home ten days after the accident happened.

Snider was arrested on the night in question, taken to Napanee, and detained in jail until his trial which took place a short time ago. He was charged with shooting with intent to do grievous bodily harm, and also shooting with intent. The jury found the accused "not guilty" on both counts, and he was given his freedom.

The Week of Prayer.

Thursday evening's meeting of the week of prayer services was held in St. James' church and presided over by the Rev. T. W. Savary. Mr. M. W. Harlow, general secretary of the Y.M.C.A., spoke on the subject of "Canada's Opportunity at Home and Abroad."

At home, according to the speaker, Canada's great opportunity is in making the Christian way of life the real and vital thing to all her people; and her supreme opportunity abroad is in helping to make this religion known to the non-Christian world. Mr. G. E. Hague read the lesson and Archdeacon Dobbs closed the meeting with prayer.

Friday night the last meeting of the series will be held at the First Baptist church. Prof. J. F. McFadyen will speak on the subject of international relationships and world peace.

Will Not Run.

Mr. J. H. Jarvis, who was nominated on Wednesday as candidate for aldermanic honors in St. Lawrence ward, announces that he will not run. He thinks that in view of the big majority secured by Mr. Nash at the civic election it is only fair that he should get the post now by acclamation. Mr. Jarvis promises to be a candidate in 1926, no matter who else may be running.

Ready for Council.

A meeting of the civic finance committee was held on Thursday evening but no report was given out for publication. The report will be presented to the city council on Monday night.

A PRISONER DIES OF HEART FAILURE

Drops to Walk at Penitentiary While Shovelling Snow—Long-Term Man.

James Robinson, aged sixty who was sentenced at Sudbury on October 30th, 1909, to a term of twenty-eight years in the Portsmouth penitentiary, dropped on the sidewalk in front of the prison on Friday morning at 8.20 o'clock and died later.

Convict Robinson, who had served over fifteen years of his sentence, was a well behaved prisoner and during the past few years had been employed doing work on the road-way in front of the penitentiary. On Friday morning he ate his breakfast as usual, and was out in front of the gate shovelling snow from the walk when he was taken ill. The guard on duty on the wall saw him fall and immediately gave the alarm.

One of the prison sleighs, which had just gone out of the gate and was on the way to the quarry in charge of a couple of convicts was close by when Convict Robinson fell to the ground. When picked up Robinson was still breathing, and was rushed to the prison hospital where he died within ten minutes afterwards. The prison physician, Dr. W. G. Anglin, stated that death was due to heart failure.

Coroner R. J. Gardiner was notified and an inquest will be held.

SUING FOR \$120 DAMAGES

For Injuries Caused By His Assaults at Arden.

For the next sitting of the Division court which will be held at Arden on Wednesday, Jan. 14th, when Judge Madden will preside, Ross Barr, mail carrier and tax collector, at Arden, has entered an action to recover damages from Charles and Cecil Barker of the same village. The amount of the claim is \$120 which the plaintiff claims he is entitled to for injuries which he received when assaulted by the two defendants.

It will be remembered that over a year ago the defendants appeared before Judge Lavell on the charge of assaulting and doing grievous bodily harm to Mr. Barr. The judge found both men guilty and imposed a heavy fine and they were bound over to keep the peace for a period of two years.

According to the evidence submitted at the trial, Barr, who is a relative of the Barker Bros., was attacked by the defendants in this action and badly injured. He was confined to his home for some time after the assault took place and is now claiming damages for the same.

T. J. Rigney, K.C., is acting for Mr. Barr and W. S. Herrington, K.C., Napanee, will act for the defendants. Charles Barker is at the present time in the United States.

Wins Trip To Chicago.

Miss Madeline Vanderburg was successful in securing the highest standing among the girls taking part in the Lansdowne district in the judging competition staged during the past season and consequently was advised by the agricultural representative of the department that a championship prize, consisting of a trip to the International Live stock exposition at Chicago had been awarded to her.

To Conduct Military Courses.

Several members of the instructional cadre of the local militia headquarters will leave to conduct provisional courses at centres within the district. S. M. Dryden and S. I. Frege go to Ottawa to the provisional machine gun and infantry schools. Sergeant Majors Holloway and Thomas go to the infantry school at Peterboro, and S. M. Turner to the one at Cornwall.

Addressed Rotarians.

Mayor Thomas B. Angrove was a guest of the members of the Rotary Club, at their noon-day luncheon in the British-American hotel on Friday, and was also the speaker of the day. Mayor Angrove dealt with the financing and operating of the city's business in an able address. A report of his address will appear in Saturday's Whig.
