NORMA TALMADGE

PLAYS FOUR ROLES Norma Talmadge, in her latest First National picture, "Secrets," now showing at the Capitol theatre, plays four different roles in four different periods PRICES and in gowns of four different fashion

> It is a picture of modern romance with glimpses into three other periods of American home life. Starting out in 1923, the picture later shows Norma first as a young wife of the early days in Wyoming and the far West.

Then the action switches to the year 1870. Norma has become the mother exhibitions of hockey seen in Kingston of a growing family. The passing years in some time. CIRCLE SIX WINNERS: DEFEAT QUEEN'S 6-4

It would be a very difficult task to pick the best players on the winning team as all the boys gave the best they had. Kirby, the centre player, is without doubt a wonder. Although he only appeared among the goal getters once ship series were played at the curlhe was the man who passed the puck ling rink Monday. The results were at the opportune time. A couple of A. Otto and was in his position when the puck | W. H. Dyde was passed over in the combination J. B. Cooke plays. The Circle Six defence is a good combination. The three players, Hartley, Meltz and Joyce, seemed to have R. H. Fair the ability to close in on the opposing Prof. Neish players and smother the shots. Whitton of Queen's appeared to be only player able to get through during the last twenty minutes. Muchmore, Smith and Taugher, the other members of the

team, played well. It is safe to say that Whitton was the best player on the student team. He is a freshman and certainly a "comer." He skates well and was able to carry the puck through his opponents' defence. Matheson, the Queen's goaler, was "there with the goods" all the time. Time after time he stepped in front of shots which certainly looked like counters. It was due to his wonderful work that the Circle Six boys did not run up a larger score. Gilbert McKelvey checked well and rushed the puck the full length of the ice a number of times, but had hard games played yesterday were as folluck with his shots, Baird, who pair- lows: ed with McKelvey on the defence, was Mrs. Baker responsible for the first score, but did Mrs. Voepar not seem to be able to carry the puck Mrs. Gwillim and was a little off in his shooting. ing through their opponents' defence. Baird who made the first spore of the game, did so on a pass from Nobes. Circle Six brought a three-man combination play down the ice and it looked for certain that Kirby would score but Matheson got in the way in time. Hartley and McKelvey were benched in this period for minor offences. The period ended without any more scores being made. When the second period commenced, the Circle Six team was without the services of Hartley, and Joyce was moved back in his place. Kirby was chased for two minutes for tripping. Gurley took a pass from McPherson and made the score two to nothing. Matheson made a very lucky save when the puck was shot from the centre ice. Lovett got the first score for the winners when Kirby passed the puck out from the corner. Muchmore and Joyce made a rush down the ice and the former tied the score by a nice shot. McPherson put Queen's again in the lead when he took McKelvey's pass. Lovett tied gue, 472; J. Thomson, 433. Total, things up thirty seconds later when 2106 Kirby gave him another next pass. Ten Million Bottles_

VERY year ten million bottles of Dr. Caldwell's Laxative Syrup Pepsin are bought by people who recognize the value of this great laxative as a builder of healthy bodies through the relief of constipation.

This tremendous popularity has been built on confidence. The formula originated and used so successfully by Dr. Caldwell in his own practice has never been changed.

Unlike so many laxatives it has no bitter or nauseous taste. It is a compound of plant drugs proven to be beneficial to the human system without creating habits or injuring the system with mercurials or narcotics. Dr. Caldwell's Laxative Syrup Pepsin is

particularly recommended to mothers as a pleasant-tasting and effective laxative for children. You can safeguard their health by checking colds and fevers through the use of this great family medicine
