What the World Is Doing

(As Seen by Popular Mechanics Magazine)

Spikes on Wheels of Automobile Serve as Mud Puller

A device that, it is promised, will pull an automobile out of any kind of a mud hole or give traction on the slickest dirt hill has been patented.

Ocean Bottom Rises and Falls in Waves, Charts Show

Islands in the seas which have been carried on shipping and marine charts for years are frequently found to disappear suddenly owing to unnoted sinking of the ocean floors due to earthquakes and volcanic action.

Resin-Core Solder Aids in Wiring Sets

In conquering the problem of radio frequency, radio engineers and manufacturers learned of the importance of using only a pure resin flux for all soldered joints.

Keeping Plants Moist

When leaving home for a visit, and it is not desired to bother neighbors to care for the flowers, put all the pots together on a piece of tile in a cool and shady place in the house.

Children who live in level regions, where coasting downhill is not possible, will appreciate the device shown in the drawing, which will enable them to coast on the ice on a pond.

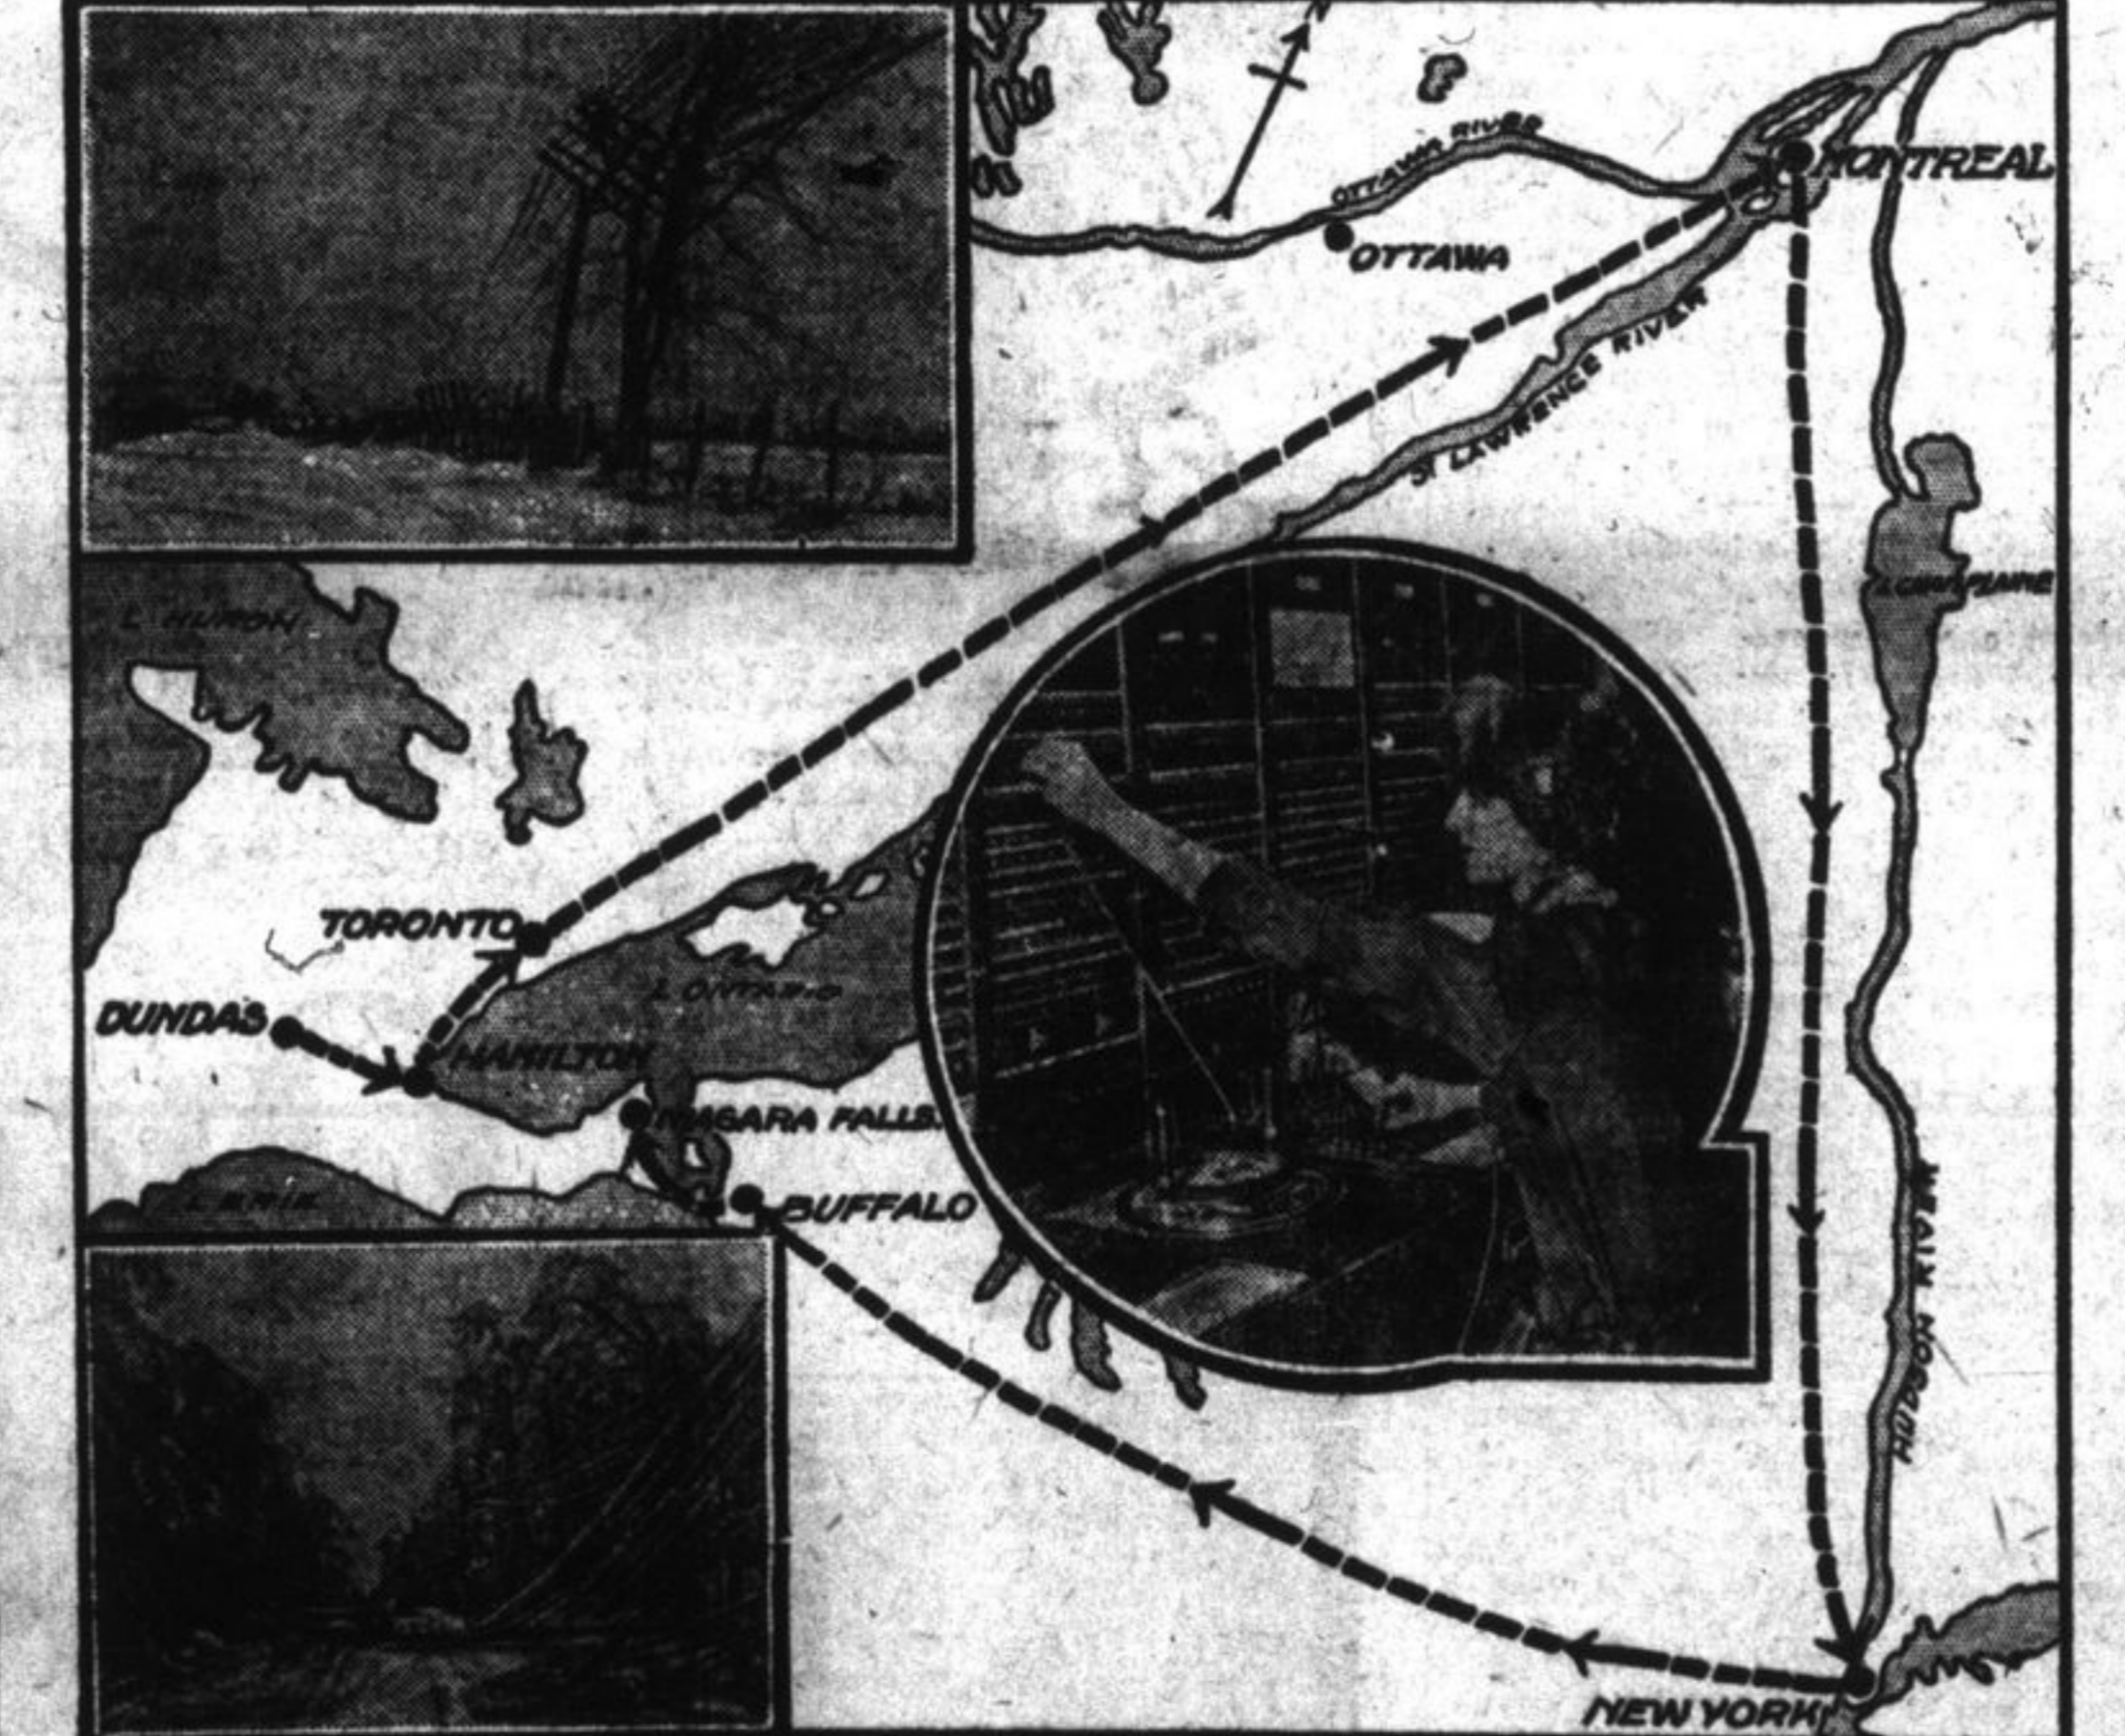

Coasting on Ice

Children who live in level regions, where coasting downhill is not possible, will appreciate the device shown in the drawing, which will enable them to coast on the ice on a pond.

The sled to hold the rope. The rider pushes the sled backward against the rope by digging the sharp ends of his skates into the ice, or he may be pulled back by another boy.

"The Longest Way Round"

"What a storm flash, bang! There goes our last line!" The speaker was the engineer at the Dundas Hydro sub-station.

But the chief had little idea of how that telephone call got through. Not until sometime afterwards did he learn that owing to the same storm which disabled his power leads, the telephone connection between Hamilton and Niagara Falls was out of commission.

Realizing the seriousness of the situation, the Hamilton Long Distance operator took a chance when the Dundas call for Niagara Falls came in.

PROVINCES HOLD UP PENSION PLAN

Four, including Quebec, Have Not Responded to Ottawa Request for Advice.

Ottawa, Jan. 21.—Drafting of old age pension legislation for Canada remains in abeyance pending a complete report from the provinces on the proposal that these should divide a fifty per cent. responsibility, the Federal Government to assume the other half.

Grippe, Influenza, Promptly Relieved

Vapor Treatment is Best

Preventive measures are advisable with so much Grippe in the air. It is easy to keep the throat and nostrils clear of infectious germs by inhaling the balsamic vapor of CATARRH-OZONE.

98,841 persons would be eligible for pension under the proposed scheme and that the Federal Government's share of the cost, if all provinces collaborated, would be \$11,860,920.

LAST VICTIM DIES

Husband, Wife and Five Children Wiped Out by Fire. Cochrane, Jan. 21.—Samuel Bedour, settler, the victim of last Friday's fire, which burned his cabin and snuffed out the lives of his wife and five children, died last night in hospital here from burns and exposure.

If you have any cold lean meat left after a meal you can utilize it for lunch by warming it in gravy or sauce sufficient to moisten it, and spread it on slices of crisp toast.
