The Laws of The State Of Perfection

The laws which govern the state of perfection in which the Whig's A-B-C Classified Section comes to you daily, are easily defined.

First, there must be reader-convenience—which accounts for the numerical classifying and alphabetical indexing of all the A-B-C offers.

Second, there must be reader-confidence—which accounts for the rigid censorship maintained at all times by the Classified Advertising Department of the Whig.

Under these two fundamental laws, and their corollaries, the A-B-C Classified Section has grown into a vitally important medium of absolutely reliable offers which may be sorted for selection by little more than a single glance.

As soon as people move towards the Classified Section they are moving away from the State of Doubt!

THE A-B-C CLASSIFIED ADS. ALWAYS THE SAME—IN SERVICE. ALWAYS DIFFERENT—IN OPPORTUNITY.
