Facts About Optometry

R. Arthey, Optometrist 148 PRINCESS STREET

Is some of the energy produced by the body used in seeing?

Yes, the amount varies according to the condition of the eyes and the amount of the eye work done.

If the eyes are abnormal they demand more than their share of nerve force?

Yes, and that is what causes headaches, nervousness, and other ills.

How can this be prevented? By having the Optometrist furnish glasses and by wearing them as instructed by him.

PAVING PROGRAMME PASSED BY COUNCIL

Report of Board of Works Adopted at Meeting on Monday Night.

The city council, at its meeting on Monday night, approved of the paving programme for this year, as recommended by the board of works, at its last meeting.

Ald. Joyce moved, seconded by Ald. Dunphy, that the paving of Raglan Road from Rideau to Montreal street, and on Garrett street, between Division street and University avenue be not undertaken, and that Pine street be paved instead.

Ald. Joyce stated that last year he had a strong petition for the paving of Pine street, and that the residents of that street were very much disappointed when the petition was turned down.

Ald. Nash wanted to know why Raglan Road should be struck off the list.

Ald. Joyce said that the board only wanted to do a certain amount each year, and he felt that the paving of Raglan Road and Garrett street was not so pressing as that of Pine street.

Ald. Craig wanted to know if the chairman of the board of works had taken into consideration the fact that it would be necessary to cut down the paving this year on account of the financial standing.

Ald. Peters said he lived on Garrett street and the paving was certainly needed there. A petition had been prepared, signed by practically all the ratepayers, asking for the paving.

Should Be Paved. Ald. Driscoll put in a strong plea for the paving of Raglan Road.

Ald. Joyce stated that the city engineer had put Pine street first on his list for paving. It was sadly in need of a pavement.

Ald. Joyce stated that the city engineer had put Pine street first on his list for paving. It was sadly in need of a pavement.

Ald. Price stated that the city engineer had placed Pine street in his list at first, but it was found

that a sewer had to be constructed on this street. The board of works had no choice, but as the city had a good plan for the paving, it was felt that a certain amount of work should be proceeded with.

Wanted to Co-Operate. Ald. Kidd, chairman of the board of works pointed out that the board wanted to co-operate with the utilities commission and that the city engineer had recommended the streets to co-operate with the commission.

Report of Board of Works. The following report of the board of works was adopted: "That no action be taken on the communication from W. J. Gates, re purchasing stone for break-water."

"That the following streets be paved during 1926: Johnson street, from Wellington to Bagot. Johnson street, from Barrie to Victoria. William street from Clergy to Barrie. William street, from Barrie to Division. Barrack street, from Rideau to Bagot. Earl street, from University avenue to Frontenac. Garrett street, from Division street to University avenue. Raglan Road, from Rideau to Montreal. Division street, from Pine to city limits."

"That the following streets be re-surfaced: Barrie street, from Union to Princess street; Clergy street, from Barrie street to University. "That a concrete walk be laid on River street, and one on Princess street, the by-laws having been passed for these last year."

Finance Committee's Report. The financial committee's report was adopted as follows: "That the communication from the American Association of Port Authorities, re directory, be filed. "That the application of the Ontario Municipal Association and the Union of Canadian Municipalities, re membership be not granted. "That the communication re the annual meeting of the Ontario Electrical Association, Toronto, Jan. 28th and 29th, be referred to the Mayor for consideration. "That the request of the central council of the Home and School Club, asking council to appoint a representative, be not granted. "The following recommendation of the property committee was adopted: "That the tender of Thomas Nicholson, to renew the lease of the pasturage on Murdoch Farm, on the same conditions as previously, be accepted. "The report of the fire and light committee was adopted as follows: "That the tender of M. Yampolsky, to furnish seventeen men's uniforms at \$30.45 each, and three

officer's uniforms at \$27.15 each, be accepted. "That a light be placed at or near the intersection of North and Balclutha streets."

The following communications were received and referred to the finance committee: City of London, re exemption of municipal institutions from payment of inland revenue taxes. City of London, re exempting municipalities from motor vehicle licenses.

Ontario Municipal Electric Association, re annual meeting in Toronto. City of London, re deputations to the provincial government, re unemployed, on Wed., Feb. 4th. Rotary Club, re refund of rent for Ontario Hall.

The petition of Sydney H. Turner and others, re paving of St. Catherine street, was referred to the board of works. Mayor Angrove presided at the meeting, and the other members present were Alds. Boyd, Craig,

Driscoll, Dunphy, John Pite Johnston, Joyce, J. E. Johnston, Kidd, Kent, Laturner, Milne, Nash, Peters, Price, Reid, Shea and Wood.

HOLSTEIN BREEDERS CLUB. J. J. Wilnot, President, to Exhibit a Herd. The annual meeting of the Kingston District Holstein Breeders club, held in the district agricultural representatives office on Saturday, proved to be one of the best yet held by this club.

The auditor's report showed a balance of \$18.86. The club has decided to select a county herd from the members' herds and will exhibit at the larger fall fairs this coming season, and will also have a consignment sale in the fall if thirty females can be secured.

The following officers were elected for 1925: President, J. J. Wilnot; 1st vice-president, W. A. Bena; 2nd vice-president, D. C. Rogers; directors, H. Baker, A. H. Fair, J. S. Sibbit, F. J. O'Neill, J. D. Morris, J. Baxter, F. S. Ferguson, G. F. Merton, W. S. McAdoe; auditors, J. S. Sibbit, J. D. Morris; secretary-treasurer, J. R. Henderson.

Two new members Mr. A. H. Fair and Mr. Edward Atkinson joined the club. J. R. Henderson was appointed delegate to attend annual meeting of the Holstein Friesian Association in Toronto.
