ARAB BRIGANDES
 KIDNAPPED MAGE

Sensational Blackstone Illusion Is Founded on Real Experience With Bedouins.

Blackstone's sensational stage creation, *Burned at the Cross*, is founded on fact. For theatrical purposes a certain amount of license has been permitted. Much of the make-believe incidents were actually undergone by Blackstone himself in Africa two years ago. The famous mage, who will appear at the Grand for two nights and Saturday matinee commencing Friday, February 13th, has written a brief story of his encounter with desert tribesmen exclusively for this newspaper. Blackstone says:

"On a trip to the south Mediterranean countries two years ago, in search of new material for my show, I decided to take a journey into the Sahara. I was accompanied by native camelteers and an Englishman, well versed in the ways of the desert.

"After several days of traveling the wastes of sand we were set upon by a band of Bedouins. We were made prisoners and taken to an oasis. Despite my predicament I could not but feel happy that we had been captured. The green spot in the desert was the loveliest place I have ever seen. And girls—the charm of the surroundings paled when one of these daughters of Allah looked into one's eyes.

"The brigands treated us like princes but declared we would never be released until our friends came across with a huge sum of money. I ingratiated myself with the chief by showing him some card tricks. Then I made him a bet of freedom against my life that I could escape from any prison he could devise. He chose to have me freed. In ten minutes I was free. The boss bandit made good his word and even offered to let me have the choice of any lady in the seraglio to take home as a memento. Although refusing his kind proposal he did allow an escort of tribesmen to see us safely to the walls of Algiers."

REGIOPOLIS HANDED K.C.I. A SHUTOUT

Now Have Three-Goal Lead To Carry Them Into Next Game.

In an intercollegiate junior game that threatened for a time to develop into a rough little party, but which was nipped in the bud by Reggie W. P. Hughes, by administering stiff penalties, Regiopolis shut out K.C.I. yesterday afternoon at the arena by the score of 3-0. The hockey in the first period was not as fast as it might have been had the boys played more hockey and paid less attention to letting the other fellow know that they were on deck and "were not afraid of anything". The second frame was much better, however, and the third was better still and after the boys had been told to play according to Hoyle, they settled away and turned in a very good brand of hockey.

Combination was unknown in the first period and the boys depended on wading through to their opponents' net. There were some good rushes made, however, but the defence work on both sides was pretty heavy. Little side arguments were picked up all along the route and McKelvey and Collins held a little bee of their own. They kept after each other all through the period and it was just the same in several other cases. There was only one goal registered in the first period, James of Regiopolis putting by the loner.

In the second period the players were more like themselves and the hockey served up was more refreshing. They tried to work the passes but were wont to skate off side when they picked them up. A close check was kept on them, however, and they did not take so many chances. McKelvey and Mike Gibson did some pretty rushing in the second period and Gibson especially came very close to ringing up a counter for his team. Tauger and Powell were called on frequently to come to the rescue of their respective teams, which they did, neither team scoring in the second period.

In the last frame Regiopolis showed more condition than the K.C.I. boys and were the masters of the situation in the closing moments. They tallied two counters in this frame, one coming from McGrath's stick on a low shot that was deflected into the net by a K.C.I. defence man's skate and the other being scored by Cavanagh on a nice rush. Regiopolis forced the play and backed K.C.I. up although the latter made brave efforts to come through and score.

There was a fairly large crowd of students of both schools on hand for the game and they made things lively with their yells.

The teams:

Regiopolis—Goal, Tauger; defence, Cavanagh, Collins; centre, Joyce; wings, McGrath, James; subs., Amodeo, Prout.

K.C.I.—Goal, Powell; defence, McKelvey, M. Gibson; centre, Boyd; wings, Gamble, F. Gibson; subs., Wheeler, Cruise, Burke.

Referee—W. P. Hughes, of Queen's.

In Belleville and Brockville the prices throughout the winter were higher than they have been here and they were just group schedule games. The best hockey is on now and the fans will not begrudge the extra charge.

Official Count.
 The crowd that attended last night's Queen's-Varsity game was given out this morning officially as totalling 1,960.

Kingston Irishmen Won.
 The Kingston Irishmen captured the first game in the second half of the Bay of Quinte league schedule last night by defeating the strong Napanee team by the score of 6-3. Napanee led the locals at the end of the first period by a score of 3-1, and at the end by 4-3. Babcock, the Napanee goal-tender, was seriously injured in the first period, and did not play the remainder of the game.

The Irishmen play Point Anne here on Monday night, and this game will have a big bearing on the second half. The Kingston team was: Goal, Tobin; defence, Melts, T. Angrove; centre, Purdy; wings, Millan, Lawless. Subs.: Compeau, A. Angrove.

New Officers.
 Before the Napanee-Kingston game at Napanee last night the new officers of the league were elected to succeed those who vacated their offices over Terry Millan's eligibility. J. H. Leggett, of Point Anne, was elected president of the league, and Mr. White, of Napanee, was elected secretary-treasurer.

Brockville Won.
 Brockville juniors defeated Trenton Juniors last night at Trenton by the score of 4-3, in the first round of the play-offs. The Brockville team has a one goal lead for the game in Brockville on Monday night.

Ladies' Curling Bonspiel.
 A party of twenty-five or thirty ladies from Toronto, North Bay and Peterboro will arrive in the city on Monday next for the purpose of taking part in the bonspiel which will take place on Tuesday and Wednesday at the curling rink. The Kingston ladies who are members of the curling club have been making elaborate preparations for the great event.

The games will commence on Tuesday morning and will continue until Wednesday afternoon. The games will be played at ten o'clock in the morning and three o'clock in the afternoon.

Active Men's Bible Class.
 The King's Own Men's Bible class of Princess Street Methodist church held their monthly meeting at the home of Mr. James Wiskin, one of their number, last evening. Sixteen members of the class answered the roll call. Class activities in relation to the work of the church were discussed, and some resolutions suggesting helpful activities on the part of the class in relation thereto were unanimously passed.

The ever pressing need of room in the church building for Sunday School classes to meet, was discussed at length, and the kind offer of Mr. Richardson to give the office of his barber shop for the Sunday sessions of the class was gratefully approved.

Mr. B. Elliott, the secretary of the class, presented various class matters for consideration and discussion. Mrs. Wiskin, the hostess, served refreshments, and a resolution of appreciation, moved by Dr. Murphy and Mr. Gilmour, were well presented to the president, Mr. George Pound.

"SILENT WATCHER."

Noted Authoress' Latest Film, With Bessie Love and Glenn Hunter.

"The Silent Watcher," featuring Glenn Hunter and Bessie Love and adapted to the screen from Mary Roberts Rinehart's "The Altar on the Hill," has been announced as the next attraction at the Capitol Theatre starting Monday, for three days.

Frank Lloyd, producer-director of "The Sea Hawk," and other recent screen successes, has transferred the Rinehart narrative to film as a First National, and, according to previewers, the picture stands out as one of the distinct dramatic achievements of the year.

The story deals with the efforts of a young secretary to a senatorial candidate to show his appreciation of a promotion given him, by his loyalty, and many intensely interesting and exciting developments arrive simultaneously with the news that Lily Elliott, a show girl, with whom the candidate had been in close association, had been murdered. How the boy shields his employer by assuming the blame forms a plot which brings about an unusual climax.

Glenn Hunter, famed for his stage creation of Merton in "Merton of the Movies," and featured in several motion picture successes of the past two years, plays the part of Joe Roberts, the secretary. Bessie Love, whose work in "Those Who Dance," "Gundown," "Woman on the Jury," and "Human Wreckage," cannot soon be forgotten, has been cast as Mary Roberts, Joe's sweetheart. Hobart Bosworth plays the character of Senator Steele and Alma Bennett, recently seen in support of Corinne Griffith in "Lilies of the Field," portrays Lily Elliott, the show girl. Gertrude Astor, Lionel Belmore, DuWitt Jennings, Aggie Herring, George Nichols and Brandon Hurst are among the other members of the supporting cast.

Funeral on Monday.
 The funeral of the late John E. Murphy, Erinville, who died on a C.N.R. train enroute to Kingston, will take place at Erinville on Monday. He is survived by his mother, Mrs. Catherine Murphy, Kingston; three sisters, Mrs. Margaret Cullen and Mrs. J. B. Greene, Watertown, N.Y.; Mrs. Jane McAvoy, Pardeus, Sask., and a brother, Patrick Murphy, Washington, D.C.

Fat fish such as salmon or mackeral should not be cooked in fat but are best baked or broiled.

THE FAMILY MARKET BASKET

The market took on quite a spring-like appearance on Saturday. Flowers bloomed gaily on the florists' wagons, and vegetables of all kinds were exposed for sale. Apples made their appearance for the first time for some weeks. Mr. Vanalstyn had brought a splendid load from Napanee and seldom have the marketers seen "better Northern Spys" apples. Huge green apples, known by the name of Rhode Island Greenings, were offered for sale at reasonable prices. They were all sold early in the morning, but the owner promises to come back next Saturday if the fine weather lasts. Beef, Pork, Mutton and poultry were plentiful. Turkeys were selling at 35c a pound. Eggs were sold at 60c a dozen and butter for 35c and 40c a pound. There were more buyers out than there have been for some weeks, and the mild air tempted them to loiter and inspect what was for sale.

Printed velvet is used effectively for day dresses and for short and long coats as well as for negligees and evening costumes.

Nile green is second after white as the popular color for evening. Shades of orchid and blue too are very much liked.

Frontenac Club Officers.
 A meeting was held Friday night by the directors of the Frontenac Club for the purpose of electing officers. The election of president was left over but the other officers were elected as follows: Secretary-treasurer, Mr. Hubert Ryan; chairman of house committee, Dr. Frederick Cays; chairman of reading room, Mr. W. M. Niekie; chairman of billiard room, Mr. F. Evanson.

When the senate assembles on Tuesday, the address in reply to the speech from the throne will be moved by Senator Robinson, New Brunswick and seconded by Senator Tessier, Quebec.

KINGSTON BOYS STAR.

Bill Driscoll and Eddie Holman Play Good Hockey.

A copy of the Morristown Times and Herald has been received in the city in which an account of a recent hockey game between Shellington and Morristown occupies considerable space. The game in question was taken part in by Bill Driscoll and Eddie Holman, two former Kingston boys with the Granites of the Kingston City League. Driscoll was the star of the game, playing for Morristown and scored the winning goal after seventeen minutes overtime, the score being 2-1 for Morristown. The paper stated that Holman starred in the nets for the Morristown team. It was one of the fastest exhibitions of hockey of the season.
