TRY TO GET BOYS TO STAY ON FARM

This is One of the Aims of the Agricultural Department Representatives.

On Monday evening A. W. Sirett, the local representative of the Ontario Government agricultural department, was the special speaker at the weekly meeting of the Y's Men's Club at the Y.M.C.A. Mr. Sirett in a brief address told of what the department was trying to do for the children of the rural communities by the school fairs. He stated that in 1912, when the school fairs were first organized, there were twenty-five held. Since that time they have become very popular throughout the province, and last year there were five hundred and ten such fairs conducted by the representatives of the department.

Mr. Sirett stated that one of the things which the agricultural representatives try to do is to keep the boys interested in farm work and keep them from coming to the city and taking employment.

A vote of thanks was tendered to Mr. Sirett.

Arrangements were made for the Y.M.C.A. officers and the members of the club agreed to help C. O. Chamberlain, physical director of the "Y," who is superintending the event.

CONCERT AND BOX SOCIAL

Held on Monday Evening by the B.N.S. Club.

On Monday evening a concert and box social was held at St. Luke's hall by the B.N.S. Club of the church. During the first part of the evening a programme, consisting of the following numbers, was rendered:

Opening chorus, "O, Canada"; Scotch songs, Mr. J. Marshall; dance, Miss Violet Jackson; solos, Miss Hughes; duet, (Misses N. Patterson and G. Murray); comic duet by Messrs. O. Simpson and G. Connors; solos, Miss Louise Patterson; comedy sketches, Mr. R. Betts and Mr. G. Shea. The soloists were accompanied on piano by Miss Helena Connor.

The auction sale of the dainty boxes of refreshments was conducted by Mr. Hyland, who acted as auctioneer. Mr. Hyland was assisted by Messrs. Shea and Betts. Hot coffee was served by the social committee.

A short dance was held and the music was supplied by the club orchestra. The evening was brought to a close by the singing of "God Save the King."

KINGSTON TO BE GOVERNED

By Action of the Government Regarding the Unemployed.

Copies of the report made by the government at Toronto following the interview held a few days ago, with representatives from various municipalities regarding help for the unemployed, have been received in Kingston, and the report verifies the statement made in the despatch from Toronto in the Whig on Monday, referring to the fact that the province would bear one-third of the excess cost over normal works undertaken.

Mayor Angrove stated on Tuesday morning that Kingston would be governed by this decision of the government. It was action of this character that Mayor Angrove expected the government would put through following the interview.

OBITUARY

Late Harriet Connors.

The death occurred at the General Hospital Tuesday morning of Harriet Connors of Gananoque, aged 43 years. The remains were sent to Gananoque for interment at noon.

An Infant Dead.

The infant of Mr. and Mrs. John Harding, Earl street, died on Monday morning and the funeral took place on Monday afternoon to Cataraqui cemetery in charge of John Cornelius, undertaker.

UNANIMOUSLY ENTER.

The United Church of Canada Without A Ballot.

Toronto, Feb. 10.—The list of Presbyterian congregations which voted unanimously to enter the United Church of Canada has now grown to great proportions, totalling 679, so that this number falls not far short of doubling the entire count of the anti. Only seven preaching points are listed as voting unitedly against entering the union. By provinces the unanimous list is as follows:

	For	Against
British Columbia	49	0
Alberta	53	1
Saskatchewan	352	2
Ontario	152	2
Quebec	46	0
Nova Scotia	25	1
Prince Edward Island	5	0
Totals	679	7

Fire in Earl Street Home. The firemen received a call at 12.23 p.m. Tuesday for a fire that started on a linen shelf at the home of Mr. E. Kelly, 216 Earl street. The fire was confined to the hallway and there was considerable damage done by water. The cause of the fire is not known. The building is owned and tenanted by Mr. Kelly.

WHIG GAVE HOCKEY SCORES TO THE FANS

Hundreds of Calls Answered Monday Night—Harty Arena Audience Kept Posted.

On Monday evening the Whig reporter telephone was kept busy for about three hours by people who were anxious to hear the result of the hockey game in Trenton between Kingston and Trenton. It had been arranged that the scores would be received by telegraph, but on account of the weather conditions the telegraph operators found difficulty in getting in touch with Trenton. The Whig then brought the long distance telephone into service, with the result that it was the first to announce the progress of the game. The first score received showed that each team had made one score. The Whig sporting editor, who was in Trenton, called the office a few minutes after the second period was under way and said the score was two to one, and Vernon Johnston, of Queen's, who was playing his first game with the Kingston intermediates, was responsible for both counters. Before the period ended, another telephone message stated that Watts had made the score three to one for Kingston.

When the three-to-one score was announced, there was great rejoicing. The final score reached the city about 10.15 o'clock.

During the evening a Whig man who was on duty kept the hockey fans at the Jack Harty arena in touch with how things were going in Trenton.

Hundreds of calls were handled by the Whig and it is safe to say that more than half of those calling were ladies.

A PUBLIC DUTY UNFULFILLED.

A Note of Warning To All Trustees. "Everybody else is in danger but me." This is the feeling that largely possesses mankind in general. Trustees are no exception to this fallacious way of doing (rather not doing) things. What are we hinting at? This: A church is burned, costing \$100,000; insured for \$30,000. Who meets the loss? Not the trustees. Who is morally responsible. The trustees, of course. And they may be legally responsible, too, if the matter were pushed to a conclusion. We could multiply illustrations. Now in what position do our Kingston trustees stand? Schools, churches, colleges, city buildings, hospitals, etc., are our public buildings insured sufficiently? That is the question. We venture to say that many of them are not. Would it be worth while heeding the note of warning and looking into the matter specially. Then, act.

The cost of insurance each year is only a fraction of the interest charges on a bond or mortgage, yet often the latter has to be met because of neglect of the former. All public buildings should be insured to ninety per cent. of the cost of replacement value. If this warning is needed and heeded, then please do not forget the agents that gave it, so that we will, at least, get enough patronage to pay the cost of this advertisement. Mills Company, general insurance agents, 79 Clarence street.

N.B.—The warning given to trustees may well be taken by many of our private citizens, merchants and others. Yes, we are looking for some business, that's true. We need the business and you may need the protection. A school was burned the same day the above church was burned, worth \$75,000, and insured for \$20,000. How absurd?

Supreme Court Action. Burns Lymau Smith, millionaire manufacturer of Syracuse, N.Y., is the defendant in a supreme court action instituted by Miss Bessie Dodican, of Watertown, N.Y., who seeks \$20,000 for the death of her sister, Miss Grace Dodican, aged twenty-eight, who was run down and instantly killed by a motor boat, owned by Smith, and driven by Frank Cappen, an employee, opposite Alexandria Bay on August 19th last. Charges that the boat was being operated at an excessive rate of speed are made in the complaint. The victim was employed as secretary and stenographer by W. H. Warburton, proprietor of the Thousand Island House at Alexandria Bay.

Building Permits. The building permits for January came to \$1,375 as compared with \$545 during January 1924, and \$4,005 for the previous January. January and February are the two quietest months in the building trades.

Fifteen armed men in five autos early Tuesday raided a railway warehouse in Chicago and escaped with forty-six barrels of port wine.
