**WELL PRESERVED LADY**  
Mrs. M. V. Robinson, Athens, Celebrated Her 85th Birthday.

Athens, Feb. 13.—In these strenuous days, it is not given to many to live, out the allotted span of life—three score years and ten—indeed perhaps half that length of time is nearer the average life-time at the present, but we have, in our midst, a remarkably well-preserved woman, who, on the 10th inst., celebrated her eighty-fifth birthday. Reference is made to Mrs. M. V. Robinson, widow of the late Amos Robinson, Brockville, and mother of Mrs. H. E. Cornell, Main street, with whom she resides. She is an interested reader of the daily press, and keeps abreast of the times by her fondness for the newest books. She is sane in her judgments, and alert regarding the questions of the day. A daughter of the late Colonel McRae, and Mrs. McRae, Frankville, she was born on the day the girl queen, Victoria, married Prince Albert, hence her second name was Victoria in honor of the Queen. Mrs. Robinson recalls how her mother was an expert horse-woman, thinking nothing of a twenty or thirty mile ride over the bridle-paths of those pioneer days. After her marriage and removal to Brockville, Mrs. Robinson identified herself with the Methodist church, and was one of the charter members of the Woman's Missionary Society organized there over forty years ago. A few years ago she was honored with a life membership in that auxiliary. One of her treasures is an "autograph album" containing greetings and messages penned by cherished friends from sixty to seventy years ago. Members of her family and other friends remembered her kindly on her birthday, sending loving tokens and fond greetings to manifest their regard.

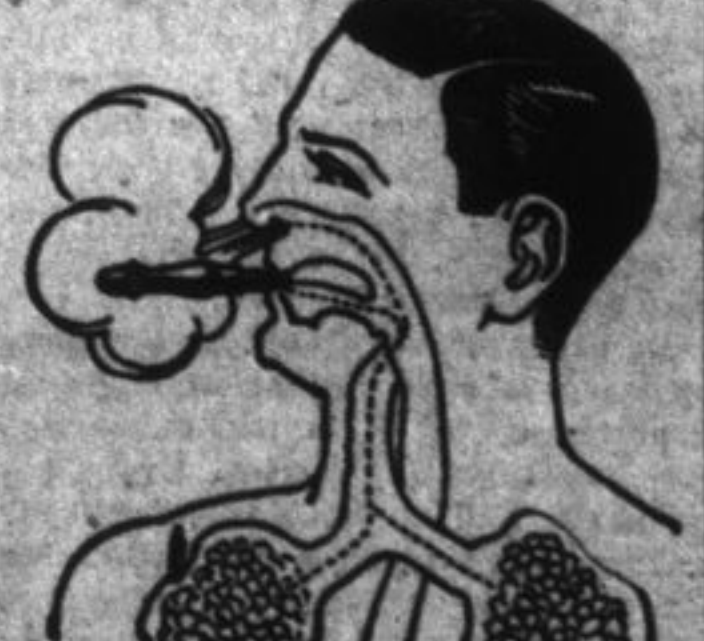

Mrs. (Rev.) G. N. Sherman, Lanark, who has spent several weeks here because of the illness of her mother, Mrs. James Hanna, returned to her home several days ago. Mrs. Matthew Foxton, Isaac street, has been very poorly all winter, and left on Monday for Brockville to spend a few days in an hospital. Frank Foley, Henry street, is giving his friends anxiety, as his condition is considered serious. Dr. Kenneth Blancher, Morrisburg, spent the week-end here with his mother, Miss Letta Arnold, B. A. Montreal, is holidaying at the home of her parents, Mr. and Mrs. H. H. Arnold, Mrs. W. D. Thomas is in Toronto this week, as delegate from the local Horticultural Society.

Local Tuxis Boys are participating in the bond-selling campaign, and as the aims and ideals of the organization are so laudable, many here are purchasing one or more of the dollar bonds. The change in mail service is much appreciated here. We now have two mails east, and two mails west daily. A sleighing party drove to Greenbush, Thursday evening, 8th inst., and enjoyed a social time. The wild weather interfered with the condition of the rink Saturday, and many an interested onlooker was liberally sprinkled with slush in the Athens-Delta game, but who cared when the local team won out by a score of 4-2.

Fancy dress costumes for the proposed carnival on Saturday evening have been laid aside to await more reasonable weather. A splendid view of the partial lunar eclipse was witnessed here Sunday evening, not a cloud obstructing the vision. On Sunday evening, following the regular services in Christ church, an organ and choir recital was given under the direction of the organist and choir leader, Mrs. (Rev.) V. O. Boyle. The programme was varied and included anthems, solos and organ selections, and proved enjoyable to those who had the privilege of attending.

A series of over one hundred slides, depicting the progress of one of our young people, is being shown at the home of Mrs. G. W. Beach, Main street. Arrangements are being made to have the Women's Institute rooms re-decorated, as the place has been occupied as a school room for the past two years.

**Outlet Resident Dead.**  
Outlet, Feb. 11.—The roads are in an almost impassable condition, due to the prolonged rain and soft weather. Misses Leone and Leah Cross are spending a few days in Lansdowne. Miss Veronica Leeder is spending this week with her sister, Mrs. F. O'Grady. A very pleasant evening was spent at F. O'Grady's, on Friday of last week. Ferguson's orchestra furnished music for dancing.

No longer is it necessary to drug the stomach in order to remove Catarrh or a grippy Cold. By a new method you breathe a soothing vapor which is so heating that it drives catarrh completely out of the system. CATARRHOZONE is the name of this wonderful remedy, and it is certainly giving grand results in Grippe, Bronchitis, Catarrh, Sore Throat and Nose Colds. Safe and easy to use. Pleasant, effective and sure; nothing surpasses Catarrhozone. Complete out-let lasts two months, \$1.90; smaller size, 50c. At all druggists, or by mail from The Dr. Hamilton Pill Co., 411 Notre Dame West, Montreal.

Word was received here yesterday of the birth of a son to Mr. and Mrs. Joseph Schaeffer (Kathleen Boyle) at Regina, Saskatchewan. **THE FUNERAL SERVICE**  
Of Mrs. George Elmy, Consocon, Was Largely Attended.  
Consocon, Feb. 12.—The funeral of the late Mrs. George Elmy was held yesterday afternoon at the Methodist church. There was a very large concourse of friends and relatives. The church had an unusually large congregation and the pastor delivered a very appropriate sermon. Interment took place in Albany cemetery and owing to the condition of the roads, it was only two hours before the funeral procession reached there. Deceased left a husband and six children. Mrs. Elmy was a twin sister of Mrs. Charles Cornick of this place. Much sympathy is extended to the bereaved ones. Prof. F. R. Crane, Marchand, Man., and Dr. E. Ayles, Colborne, passed through this vicinity on Tuesday, buying young cattle for the Oregon and Western Colonization Company. The monthly meeting of the Women's Missionary Society will be held at the home of the president, Mrs. C. N. Adams, on Wednesday afternoon. Mr. and Mrs. Egerton Wannamaker entertained at a goose dinner last Wednesday. John Wannamaker, Miss Nettie Stapleton, Mr. and Mrs. Walton Fox, Waldeck, Sask., and children, and Mr. and Mrs. C. C. Wannamaker and children.

C. C. Wannamaker has returned to New York state after spending a few days at home with his family. Thomas Price is able to be out again. Mrs. William Hamilton and daughters were recent visitors at Eastcourt Dyer's. Farmers are busy getting up their winter's supply of wood. Mr. and Mrs. A. Parliament were visitors in the village on Wednesday, also Mr. and Mrs. P. T. Simonds. Mr. and Mrs. Halton Spencer, Salem, attended the funeral of the late Mrs. Elmy. The Trail Rangers are to meet at the school house at 4.30 p.m. instead of at the church or parsonage on Thursday afternoon.

**A SALE OF PROPERTY.**

A few of our young men were able to make their way by auto to the city to witness the hockey game Kingston and Trenton. The Frontenac Dredging Co. has started work preparing for navigation.

A few of the young people are practicing for a play "The Dust of the Earth," to be given in the near future. The social evening held in the church, Feb. 12th, was much enjoyed by a good crowd. Desert Lake News.  
Desert Lake, Feb. 11.—The heavy thaw left the roads in a bad condition. A number from here attended the party at Edward Morey's and reported a good time. Mrs. Blair has returned to her home after spending a month with her daughter, Mrs. George Wilson. Mrs. Edmond Page, also Miss Lora Deyo, at Mrs. Noonan's; Mrs. Alfred Page spent the week-end with her sister, Mrs. W. Bauder; Mrs. Gardner at George Wilson's; Lora Deyo at J. Losses on Amherst Island—  
Fishermen Held a Dance.  
Stella, Feb. 11.—There passed to rest on Tuesday, Jan. 27th, one of Amherst Island's old and respected residents, in the person of Arweel Burieligh, after a long continued illness. Until a few years ago, he had followed the farming occupation when he retired and moved to the village. The late Mr. Burieligh was a Presbyterian in religion and a member of St. Paul's church. Deceased was seventy-four years of age and is survived by his wife and two daughters, Mrs. James Strain and Miss Nancy Burieligh, all of Amherst Island. The funeral was held on Thursday at 1 p.m. to the W. M. church where the services were conducted by the pastor, Rev. R. J. Fay, thence to Glenwood vault. Miss S. Burieligh, Niagara, a niece of deceased, attended the funeral. Another very old and respected resident of the island passed away on Tuesday, Feb. 3rd, in the person of Mrs. James Montgomery, widow of the late James Montgomery, aged ninety-eight years. The late Mrs. Montgomery had only been ill but a short time. For her advanced age she was very bright and knew nearly everyone that came to the house and could talk about past and present events with accuracy. Deceased is survived by four daughters, Mrs. Russell, New York; Mrs. J. Murray, Syracuse, N.Y.; Mrs. John Miller and Mrs. John Taylor, Amherst Island; and three sons, James, Kingston; William and John of the Island. The funeral was held on Thursday at 1 p.m. to Glenwood vault and was conducted by the Rev. R. J. Fry. The fishermen of the island held a dance in Victoria Hall, on Friday evening last. It was a decided success. Music was provided by "Sid" Fox and the Limestone Serenaders. A great deal of grinding is being done by the farmers at R. Rickey's, Millhaven. H. Johnston, Minnesota, at G. Begg's; T. Begg, Cardinal, at G. Begg's; Edwin Patterson, Montreal, at H. S. Patterson's; D. Carney's little boy got badly hurt by being kicked by a horse one day last week. Mrs. T. J. Boone, Kingston, at C. Tugwell's. Debt may be called a peace of mind disturber. Membership does not always mean valuable service.

**GAVE VARIETY SHOWER**  
For Mr. and Mrs. S. Martin Who Lost Much by a Fire.

Whiton, Feb. 11.—Snow is nearly all gone; water rushing down the street like a day in April. The robins have appeared and also the blackbirds. We would like to think spring had come. There is a very heavy fog, some say a sure indication of more cold weather. The rain was very much needed as most of the wells and streams were dry. The farmers are filling their ice houses. The ice is not first class, as the snow came too soon after the ice began to make. The result is some few inches of what is called snow ice. Our mail man is anxiously looked for each day, as many people are reading the Collins mystery. Mrs. William Jordan and daughter, Maggie, are visiting at the former's brother's home, Harvey Mills, and lending a helping hand in the care of their sister, Mrs. Birdsell, who has been ill many months at her brother's home.

Mr. and Mrs. Bert Scontin opened their home for a variety shower in honor of Mr. and Mrs. Stuart Martin. The home was full to overflowing and a very nice collection of useful gifts and many envelopes with bills of various numbers. Very kind of Mr. Scontin; he knows more of Mr. Martin's loss than anyone, as Mr. Martin had his fine home burned. Mr. Scontin suffered the same loss a few years ago. Mr. and Mrs. Robert Asselstine are entertaining in honor of Mr. and Mrs. Harvey Smith this evening. Mr. and Mrs. John Carr are entertaining friends on Wednesday evening. Mr. and Mrs. Sperry Strilbing had their friends with them on Friday evening last. Mr. and Mrs. Fremont Mills entertained a number on Saturday evening last.

Mr. Kenneth Martin at the time of writing, is quite improved. Alfred Babcock, who is renewing acquaintance here, has gone to visit some relatives in around Watertown, N.Y. The friends of Mrs. Anson Martin are pleased to know she is some improved. She has been in the hospital for the last four weeks. The high school boys are home for a few days as the roads are hardly passable. The W.M.S. of the Presbyterian church held its February meeting at the home of Mrs. William Forsythe. A goodly number were present. The March meeting will be held at the home of Mrs. R. N. Lappin.

Debt may be called a peace of mind disturber. Membership does not always mean valuable service.
