COAL
RIGHT UP-TO-DATE
It may seem a little queer to
talk about being up-to-date in
the coal business because coal
doesn't change styles, but there
are all sorts of grades at all sorts
of prices, and we have to keep
posted in regard to dealers, and
quotations, and prices in order to
serve our customers to the best
advantage. We keep as close
watch on these things as the
milliner does of the Paris dic-

**HEART WAS WEAK
NERVES ALL GONE**

Mrs. J. H. Hallenbeck, 117 1/2 Wel-
land Avenue, St. Catharines, Ont.,
writes:—"I was in a gas explosion;
it left me with a weak heart, and my
nerves were all gone. I suffered
everything; couldn't sleep, or endure
any excitement, and when left alone
I felt as if I could scream. I took
dizzy spells, often falling and bruising
myself. My mother read about
your Milburn's Heart and Nerve Pills,
and bought me a box, but having
taken so many different kinds of
medicine it just seemed that I did not
have any confidence in any of them.
I took one box of H. & N. Pills, and
feel so much better I continued with
them until I had used five boxes, and
after I had taken them I did not need
any more. I cannot praise, or recom-
mend Milburn's Heart and Nerve
Pills too highly after all they have
done for me."
