MAE EDWARDS PLAYERS  
AT OPERA HOUSE

"The Unseen Hand," Will Be the Big Attraction To-night.

The Mae Edwards players have made a big hit at the Grand this week, and the plays presented have been enjoyed by large audiences. This is the first time the company appeared in Kingston, but it is hoped that a return engagement can be arranged. Producing a new play every night is no light task, and as this has been accomplished, the theatregoers have certainly had a good variety. But speaking about the show, one must not overlook the jazz orchestra. Not in many a day has the Grand provided such a fine musical treat. On all sides warm praise has been heard for the orchestra.

Friday night the company presented "Her Sacrifice," regarded as one of the strongest plays put on by the Mae Edwards Players. The various parts were in able hands, with Mae Edwards taking the title role of Adela La Monte. The play is in three acts, the first taking place in a hotel room in Hollywood; the second in a New York home and the third in twin rooms in a New York roadhouse.

The company will close its engagement at the Grand tonight, when another very strong play entitled, "The Unseen Hand," will be presented.

MADE HER BABY  
PLUMP AND WELL

Nothing makes a mother more grateful than a benefit conferred upon her child. Mothers everywhere who have used Baby's Own Tablets for their children speak in enthusiastic terms of them. For instance, Mrs. Zepherin Lavole, Three Rivers, Que., writes:—"Baby's Own Tablets are a wonderful medicine for little ones. They never fail to regulate the baby's stomach and bowels, and make him plump and well. I always keep a box of the Tablets in the house, and would advise all mothers to do likewise." Most of the ordinary ailments of childhood arise in the stomach and bowels, and can be quickly banished by Baby's Own Tablets. These Tablets relieve constipation and indigestion, break up colds and simple fevers, expel worms, allay teething pains and promote healthful sleep. They are guaranteed to be free from injurious drugs and are safe even for the youngest and most delicate child. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Portsmouth Girl Guide Meeting.

The second Kingston Company of Girl Guides held their regular meeting in St. John's School House, Portsmouth, Wednesday, Feb. 18th. After roll call, Mrs. Scally, who is acting Captain of the company, spoke to the girls for a few minutes thanking them for their kindness and sympathy shown to her in a recent bereavement. The cancelling of a sleigh drive to which all had looked forward to with so much pleasure was not only a mark of respect but also a proof of sympathy much stronger than words. She was much pleased with the readiness with which the Company had undertaken public service as visiting the sick and needy, as this was the work she hoped the Company would make a specialty of. The rest of the evening was spent in drills, exercises, games. Some of the time was devoted to taking tests. The Company was deeply grieved by the death of their little arboreal mascot, Laddie.

Reached His 70th Birthday.

Dr. James L. Hughes, brother of the late General Sam Hughes and Brig. General W. S. Hughes, and who for years was active in the field on education having occupied the position of chief public school inspector for Toronto, was seventy-nine years of age on Friday. Dr. Hughes arrived in the city to-day and will speak in Sydenham street Methodist church on Sunday evening.

Married in Toronto.

Walter C. T. Jenkins, Kingston, Ont., and Mrs. M. A. Oke, Toronto, were united in marriage by Rev. R. Newton Powell on Wednesday afternoon, Feb. 18th, at the residence of Mr. and Mrs. William T. Sweet, 98 Peare avenue. Mr. and Mrs. Jenkins have returned to Kingston.

To Secure Photographs.

Napanee council will make an effort to secure photographs of all the mayors since Napanee was incorporated as a town, and when properly framed, have them hung on the walls of the council chamber. The work was left in the hands of the town clerk.

Engagement Announced.

The engagement is announced of Gladys May Bouck, R.N., eldest daughter of Mrs. George Bouck and the late George Bouck, to John Sanford, eldest son of Mr. and Mrs. James Zeron, both of Iroquois. The marriage is to take place early in March.

Miss Phyllis Fluke, Picton, underwent a serious operation on both mastoids in Prince Edward County Hospital. She came through the operation well. Miss Fluke taught school last year at S. S. No. 18, Camden.

ROTARY CLUB LUNCHEON

Kiwanian A. J. Meiklejohn Spoke on "Business and Life Insurance."

Kiwanian A. J. Meiklejohn was the speaker at the Rotary Club Luncheon at the British-American Hotel on Friday, and in an illuminating address, dealt with the subject, "Business and Life Insurance." He referred to insurance as permanent security and pointed out the many important features of the problems of business.

During the course of his address, in which he strongly emphasized the great need and the benefits from insurance, the speaker showed how business had grown, and also told the story of the long long trial, in the turning out of a pair of shoes for a customer in a shop. He explained about the different kinds of goods required, and how they were secured, and also told about the money that exchanged hands in the turning out of the one pair of shoes, the question of transportation, bookkeeping and in fact everything that had to do with the business.

Mr. Meiklejohn's address dealt with many matters of interest to the business man, and was listened to with keen interest by the members of the club, and at the close he was tendered a hearty vote of thanks on motion of Rotarians Wightman and Litton.

On motion of Rotarian Nash, the club empowered the entertainment committee to make arrangements for a welcome to be extended the students of the Queen's Summer school during their first week at the college. The committee will prepare for their entertainment.

A request was received from Dr. J. C. Connell, on behalf of the Kingston and Frontenac medical association asking that the club appoint a representative on the special committee to work on behalf of crippled children. The board of directors named Rotarian Mac Thomas as their representative and the club warmly endorsed the recommendation. The directors appointed Sidney Smith as a director of the club to fill the vacancy caused by the resignation of Rotarian (Rev.) J. S. LaPlat, who is leaving the city shortly, to take over his new charge at Aylmer, Ont.

Rotarian Ray Van Luyven has made arrangements for the club to hear the address of International President Everett Hill, over the radio on Monday night and also an address from Paul Harris, the founder of Rotary. These addresses will be delivered between 9 and 10 o'clock, and the radio will be placed in the club room, and it is hoped that there will be a good attendance.

President Arthur Lyster will represent the club at the district conference at Quebec on March 2nd and 3rd.

It was announced that on March 6th, the club will be addressed by Mr. Coo, Chinese representative at the opium conference held in Washington. The luncheon will be held at 12 o'clock (noon) in the main dining room of the British-American hotel, and the members of the Kiwanian club have been invited to attend.

Rotarian (Prof.) Caldwell presided at the piano, in the absence of Rotarian Harold Singleton, and a "sing-song" of Rotary selections was a special feature.

Guests introduced at the luncheon included Kiwanian Harry Wilder, Harold Thompson, William Simmons, Chaffey's Locke, Dr. Day, Harroworth, E. A. Edwards, Montreal; Rotarian Ross Robinson, Belleville.

COUNCIL MONDAY NIGHT  
CALLED FOR 7.30 O'CLOCK

In Order That Members May Witness the Hockey Match.

In order that the members of the city council may have an opportunity of witnessing the big hockey match on Monday night, between Kingston and Brampton, the meeting of the council on Monday night has been called for 7.30 o'clock. Mayor Angrove is very anxious to have all the members in their places sharp on time so that business can proceed without delay and so the aldermen will have a chance of going to the rink and cheering the hockey team to victory. Mayor Angrove is one of the warmest supporters of the local team and never misses a game if it is at all possible to be present. There are several other members of the council who are hockey fans and they are very anxious to attend the game.

HEWITSON TO REFEREE

Very Likely He Will Get Call For Monday Night.

Secretary J. S. McDonnell of the Athletic Board of Control announced this morning that Bobby Hewitson of Toronto, would very likely come down here on Monday night for the Kingston-Brampton game. This was the result of a telephone conversation with Secretary Hewitt of the O.H.A. Kingston tried to get Harold Farlow for the game, knowing his efficiency, but he could not come. They then asked for Mike Rodden but he too was tied up.

The main thing is, Lou Marsh will not referee in Kingston on Monday night. Bobby Hewitson should be able to control the game up to the handle. He has been here before, and while he has been the "goat" for some good natured "calls" in the Intercollegiate series, he is a capable referee and should go well.

Secretary E. J. Hartrick of the Kingston Hockey Club was in long-distance telephone communication with Coach T. F. Geley after the game last night and the latter stated that the boys were all fine and had come through the game without injury with the exception of Joe Smith, who was struck by a puck in the neck. He will be in good shape for Monday, however. The Kingston players claim that Watts scored a perfectly legitimate

goal but it was not allowed. Watts took the puck from centre ice and shot it, it being claimed by the Kingston players that it went into the net and came out again. Lou Marsh, however, would not allow the goal.

It was the intention of the players to stay in Toronto today and see the Parkdale-Peterboro game.

Late Mrs. Joseph Donaldson.  
On Friday morning, 20th inst., there passed to rest Agnes Dunlop, widow of the late Joseph Donaldson, after an illness of about a year.

The late Mrs. Donaldson was born in Quebec eighty-three years ago. Her maiden name was Agnes Quirt and she was twice married, first to Mr. A. Dunlop of Barriefield and after his death becoming the wife of Mr. Donaldson, who died here just one month ago.

Deceased was of a gentle and lovable character and leaves many sincere friends to mourn her loss. Always kind and thoughtful for others, she endeared herself to all, and will be sadly missed by those who knew her as a true friend and sympathizing neighbor. The funeral was held on Saturday afternoon at Cataraqui cemetery.
