AN ENJOYABLE AFFAIR.

Was the Closing Dance of the Season by Elgin L.O.L. Elgin, Feb. 25.—The funeral of the late Albert Koraney, who died at the home of his uncle, Thomas Dennison, was held in the Anglican church on Wednesday afternoon. The closing dance of the season was given by the L.O.L. in the town hall on Friday evening, and a goodly number enjoyed the evening despite the fact that it followed so closely on the Valentine party of the preceding Wednesday, which was also a very enjoyable affair.

Miss Ursula O'Mara is spending a couple of weeks with friends in Lombardy. Walter Powers is on the sick list. M. J. O'Brien has returned to Kingston. Capt. and Mrs. W. Kenney spent Wednesday with the former's parents at Jones' Falls. Mr. and Mrs. James Kenney are recovering from recent severe illness.

The Late James Mitchell. Wolfe Island, Feb. 25.—There passed away on Feb. 24th, an old resident in the person of James Mitchell, aged sixty-seven years. Mr. Mitchell was born on the island, and lived the greater part of his younger days here. When he was twenty-two he met with a very unfortunate accident, having both his eyes shot out by shot gun wounds which destroyed his eyesight entirely. The funeral was held on Saturday, Feb. 21st, from the home of William M. Meier to the Union church. Rev. A. M. Russell spoke very feelingly of the patient life of the deceased, stating that he set a great example to others who complained of having so hard a life to live. Mr. Mitchell endeared himself to all with whom he came in contact and the large cortege that followed the body to the church spoke eloquently of the esteem in which he was held. The body was placed in the vault to await burial in the spring. The bearers were Thomas Allen, James Hutton, Edward Still, David Bustard, George Friend and David Watts.

Warden Gray at Toronto. Fall River, Feb. 27.—The weather has turned cold again but there is very little snow. Some of the farmers are busy hauling wood. Howe Island, Feb. 21.—Filling ice houses is the order of the day. The ice now is in excellent condition for this purpose. The recent rain has taken away most of the snow leaving the roads bare in some places. Travelling on the ice is much better than the highways. Fred Marshall had a "bee," on Saturday, getting his coal from Kingston. The carload was ordered through the U.F.O.

Many attended the euchre and dance at J. A. Wilson's, Pittsburg. Mrs. J. Beaubien was successful in winning the first prize. The younger set attended the C.M.B.A. ball on Wolfe Island, last Wednesday night. Those who went down to the Opera in the Lyceum, Gananoque, report it to be very good. J.
