The Fun Shop

MAXSON FURNAL JAMES

MY FUN SHOP.

By Myron W. Johnson.

The barber shop is my delight; I find diversion there. I'd like to go there every night. For waiting hours are now so bright since women bob their hair!

It's lots of fun to sit and wait beside two chatting girls. Who enter into loud debate upon the choosing of a mate. As each her choice untaris.

And when they sit within the chair The mirror holds their gaze. With self-admiring eyes they stare At works of art reflected there. And smile with inward praise.

The once drab barber shop is now A place of untold mirth. Since women patrons made their bow With painted cheek and pencilled brow—

A FUN SHOP filled with mirth!

Never Lacking.

W. H. Montgomery Passes.

At Franklin, on Tuesday night, the death occurred after a short illness, of William H. Montgomery, for many years prominently connected with the life of the township of Kitley and active in the work of the Leeds Conservative Association. Born at Franklin 47 years ago, a son of the late Joseph Montgomery, he spent his early life there and afterwards was for a time an examining officer in the service of the department of customs at Brockville. Later, he had been secretary of the Franklin Fair Association and took a deep interest in municipal affairs. He was a former officer of the Leeds Conservative Association. Besides his wife, Mr. Montgomery is survived by four brothers and one sister.

Kenneth Tompkins, Newburgh, has purchased a farm from A. Caton, and will take possession at once.

WANTS ROAD OUTLAYS FAIRLY DISTRIBUTED

Mon. G. S. Henry Requires the Observance of Proper County Standards.

Toronto Mail and Empire.
A deputation from the County of Frontenac interviewed Hon. G. S. Henry, minister of highways, Friday at the parliament buildings relative to the stand which the government is taking generally towards all municipalities in the matter of road grants. The point upon which the government is now insisting is the maintenance of county road organizations, in default of which it will award its grants only upon a municipal basis. Frontenac county has been one of five counties, which originally were twelve in number, which have been strenuously fighting this attitude.

While the point at issue is largely technical, it is regarded by Hon. Mr. Henry as having a bearing of highest practical importance upon the development of the roads of the province. Legislation provides that as high as 60 per cent. assistance shall be given by the province to county roads, administered through a county organization, whereas assistance to municipal roads runs as low as 20 per cent. Many counties, however, are declared by the highways department to have been apportioning their road grant simply on a basis of assessment, which has made the road work practically a township proposition and which has meant that the government has been paying 60 per cent., where it possibly should have been paying only 20 per cent.

Outlying Parts Suffer.

The fundamental feature of a county road organization is that it shall spend money not according to assessment, but upon the advice of its engineer in those parts in which it is most needed. The inevitable result is that outlying parts of the county do not receive so large a disbursement, as the traffic over their roads is less and their consequent needs also less. When money is spent according to assessment, roads near town centres, which have perhaps ten times the traffic of roads in other parts of the county, but have not ten times the assessment, with the result that their proportionate needs are not met and that traffic conditions suffer just where they should be best maintained.

In view of this situation, Hon. Mr. Henry is strongly insisting upon the maintenance of county organizations, which shall spend their road money upon the advice of the engineer, where it is most needed. As a compromise to the Frontenac deputation, he suggested that the county should have the power to expend in each municipality the amount which that municipality contributed, but he insisted that the government subsidy should be disbursed at the will of the county organization.

GANANOQUE

March 2.—The funeral of the late Mrs. Henry Jackson, Pittsburg, took place Saturday morning at St. John's church, and was largely attended.

Douglas Bews, C.E., Port Hope, spent a couple of days in town with friends at the week-end.

The Wanderers will contest the Stewart Cup in Brockville this evening and here's hoping! Quite a number will go down from here to see the games. Athens and Newboro play first and Gananoque the winners.

Mr. and Mrs. M. B. Stack and Miss Mary LaQue motored from Brockville to spend the week-end.

W. A. Dansereau of P. Bacon and Co., Montreal, was in town for a couple of weeks at the week-end.

The euchre held in the Orange hall last Wednesday evening was a great success and one of the most enjoyable of the season. The prizes were won as follows: Ladies' first, Mrs. William Ormiston, a roast of beef; and Mrs. McMaster, Jr. the second, a nice dish.

Wyman Mullin, Ottawa, is spending a few days in town. Mr. McMullin will be coming back to resume his duties as professor for our Golf Club in the course of a month or so.

Mrs. T. J. Leahy, Ottawa, is spending a few days in town with her daughter, Sister M. Mercedes, at St. John's convent.

Mr. and Mrs. Driscoll, and daughter Miss Mildred, Brockville, motored from Brockville yesterday and spent the day with Mr. and Mrs. Sanford Delaney. Miss Mildred Delaney returned with them for a few days visit.

Some of the residents claim they felt the earthquake quite perceptibly here Saturday evening. One lady became so alarmed that she phoned Chief Chevris to see if he couldn't stop it, which is just another proof of our confidence in our chief.

Ottawa Old Boys.

The Ottawa Citizen of Friday has the following:

"Mr. Richard H. Lake, teacher at the Ottawa Conservatory of Music, has undertaken the task of organizing former Kingston residents who live in Ottawa for the purpose of visiting Kingston in August, on the occasion of the old boys' celebration there. Mr. Lake is of the opinion that there are about 300 Kingston old boys living in Ottawa and he hopes they will all get in touch with him. Dr. W. W. Sands is in charge of the arrangement for the celebration, which is expected to be a record breaker."

HERE'S SOMETHING NEW.

With Regard to the Good Times We All Remember.

The "Do You Remember?" articles that have appeared in the Whig recently have attracted considerable attention and comment and the column is very often referred to lately when old time occurrences are being brushed up and talked over, but the Painters' Journal has a new line on old events and inquires the following:

Do You Remember?

When we were rich enough to throw old shoes and rags at newly-married couples?

When mince pies had a kick in them?

When one could borrow a little butter or sugar from a neighbor?

When it was safe to leave the washing out at night?

When the butcher threw in a pound of liver for the cat?

When men kicked when the barbers raised the price of shaves from a dime to fifteen cents?

When prospective auto owners asked how many miles per hour instead of how many miles per gallon?

When people economized by eating ham and eggs?

When the landlord offered you a month's rent free?

When you could buy prunes, raisins and yeast without arousing suspicion?

EAGLE PATCH WON.

Challenge Trotting Contest at Westport on Saturday.

Eagle Patch and Arlie B., owned respectively by Harry Blair and J. H. Scott, Newboro, are two rival horses in the Leeds county and for some time past there has been considerable discussion over which was the better trotter. The talk grew and grew until a \$400 side bet was put up and an agreement was made to race the two horses at Westport on Saturday. Between five and six hundred people saw Eagle Patch take all three heats, making the best mile in 2:33 1/4. The judges were Mat Fahy, Jack Hamilton and Jim McCann. Charles Foy, Perth, was the starter.

Stock Slightly Damaged.

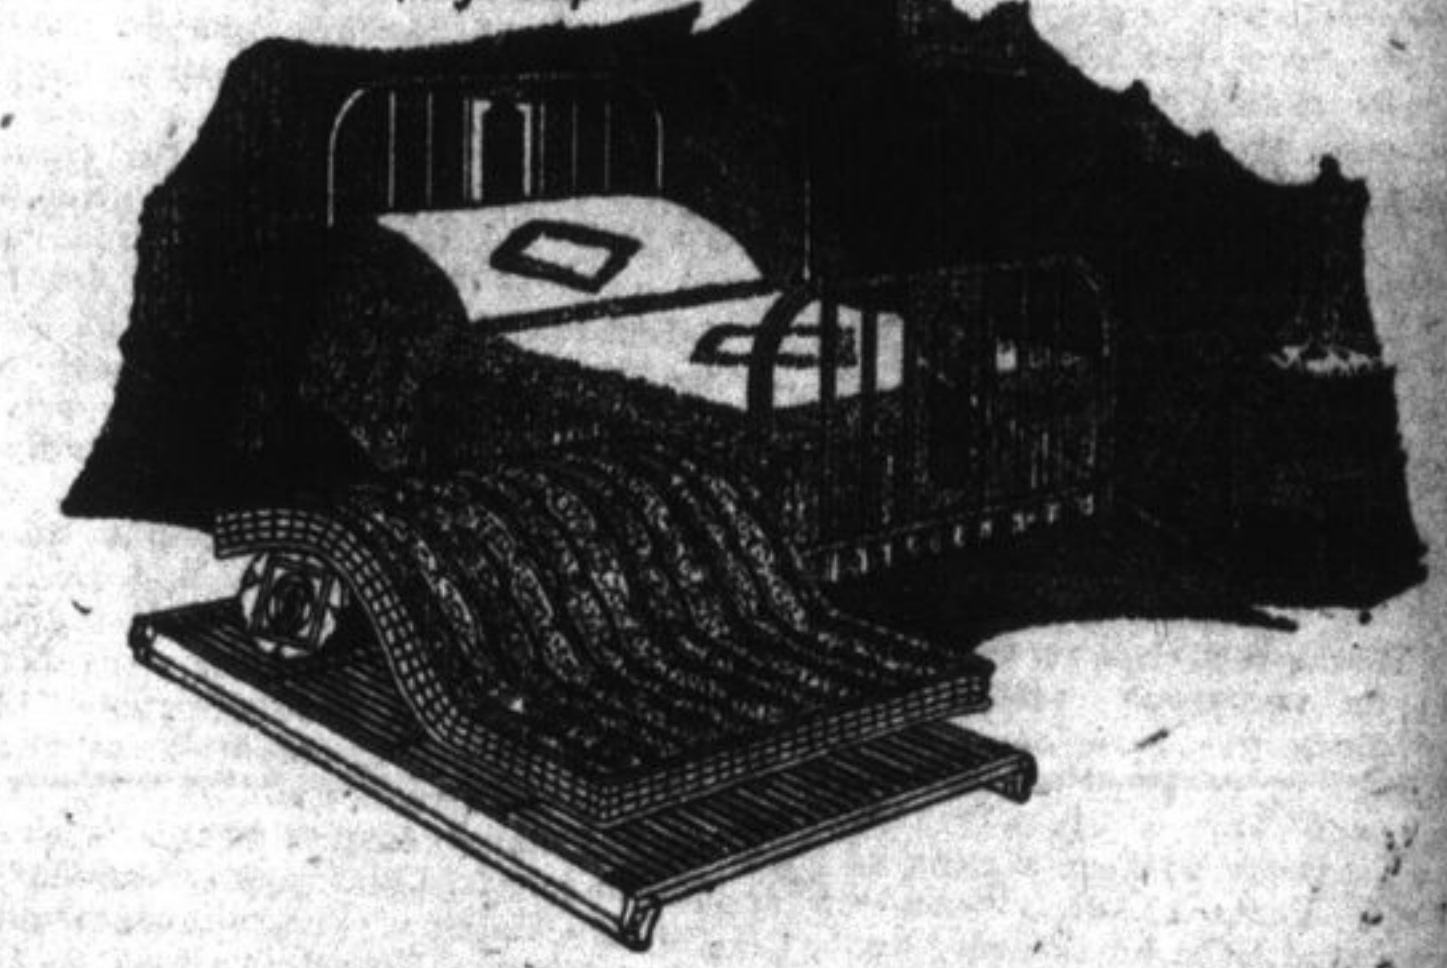

On Friday morning there was a big fire in the Henry block in Ottawa. J. E. Wilmot's jewelry store next to the Dominion Floral Company was filled with smoke and in fear that the fire had spread into the basement the firemen entered the store. Some valuable goods, which were not in a vault, were removed to the police station for safe keeping. Mr. Wilmot's stock was slightly damaged. Mr. Wilmot is a son of Mrs. Frances Wilmot, Clergy street, Kingston.

Farewell With Presentation.

On the evening of Feb. 23rd, at the home of Mrs. E. Craig, Brighton, about thirty-five friends of Mrs. C. S. Lake, who is leaving Brighton for Detroit, Mich., gathered to have a farewell party, and a pleasant evening was spent in cards and dancing. About midnight a fancy lunch was served, during the course of which Mrs. Lake was pleasantly surprised by being presented with a bouquet of roses and a leather satchel bag.
