An Inactive Liver Is The Cause of CONSTIPATION

When your liver gets sluggish and inactive your whole health suffers. Your bowels become constipated; you have sick and bilious headaches; your tongue coated and furry; your breath bad; specks float before your eyes, and often you feel as if you were going to faint, especially if in a crowded place where there is little or no ventilation.

MILBURN'S LAXA-LIVER PILLS

They will stimulate the sluggish liver so that it will regulate the flow of bile to act properly on the bowels, and thus clear away all the poisonous matter that is responsible for all your liver troubles.

ATHENS CONTRIBUTES NUMBER OF LEADERS

To Various Professions—Pioneers of Mission Fields Educated in the Village.

In the Athens Methodist church recently the pastor, Rev. H. E. Warren, according to the Athens Reporter, announced his theme as "Some Sons of Athens Who Have Won Distinction." At the outset a distinction was drawn in a picture contrast of two women of these counties.

One, a celebrity of Athens, known abroad as the "Witch of Plum Hollow," whose notoriety passed with her passing; the other, Barbara Heck, whose distinction was not recalled until a century after her death, and then by two natives who reared at Prescott a memorial to her honor as the founder of North American Methodism.

The speaker in his choice of candidates for distinction had found a feast and not a famine and feared the subjective element had probably warped his judgment.

From that distant past stood out two names—both alive—Sir Clifford Sifton and Dr. Leonora Howard King. From the country land of the Farmersville Grammar school to cabinet minister in the federal cabinet was a big step.

He has given to the bench, Their Honors, George W. Greene, of Alberta; A. A. Fisher, junior judge of the county of Renfrew, and Judge H. E. Mott, of the Toronto juvenile court, not to speak of other townsmen who have been members of the Canadian senate and houses of parliament.

A Bold Adventure. Dr. Leonora Howard King left home as a young school teacher to blaze a new path for women in the medical profession.

But distance is dispensable as a criterion of distinction. "Greatness may dwell at our very doors," said the speaker, and soon was recognized one who has for half a century moved along our streets, and played the double role of faithful servant and expert surgeon—an exceptional record. He is known far and near by the familiar name of Dr. "Charley" Cornell.

Pioneers in the Mission Fields. Nearly 40 years ago the Methodist church determined to enter China. She needed new adventure, culture and faith. Strange that Athens had them in waiting.

Service and Drummond. "The missionaries are monopolizing most of the seats of distinction to-night," Dr. Charles W. Service is a son of the Athens paragonage. His father was Rev. William Service. So

HELP KIDNEYS BY DRINKING MORE WATER

Kidney and bladder irritations often result from acidity, says a noted authority. The kidneys help filter this acid from the blood and pass it on to the bladder, where it may remain to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night.

Bladder weakness most folks call it because they can't control urination. While it is extremely annoying and sometimes very painful, this is often one of the milder ailments of old age.

Jad Salts is inexpensive, and is made from the acid of grapes and lemon juice, combined with lithium and is used by thousands of folks who are subject to urinary disorders and acid.
