BONSPIEL AT NAPANEE

The Bishop of Ontario to Dedicate Leonard Memorial Windows on Sunday.

Napanee, March 7.—A jolly time was had at the curling rink last night, the occasion being a bonspiel played by the members of the club. An enjoyable prelude to the games was an excellent supper served in the clubrooms; about forty or fifty men surrounded the festive board, and did ample duty to the good things provided. The play on the whole was very good, especially as with the extra large membership this year, many of the men played for the first time during this season.

Mrs. F. F. Millar and Miss Diana Miller, who have been visiting in Montreal, have returned home. Mrs. A. E. Paul is spending a couple of weeks with friends in Toronto and at other western points. The Bishop of Ontario will dedicate the Leonard Memorial windows in the Church of St. Mary Magdalene on Sunday at the service of Mattins, 10.30 a.m. At the evening service his lordship will administer the rite of confirmation.

While in Napanee, Sir George E. Foster was the guest of Dr. G. W. Mordon, principal of the Collegiate Institute. Percy Madden, Buffalo, N.Y., has been visiting friends in town. T. S. Henry, who has been on the sick list all winter, has been reported not so well during the past few days.

Many friends in town of Dr. R. C. Cartwright regret to hear of his recent accident. Trinity Methodist church anniversary services will be held on Sunday and Monday, March 8th and 9th.

Hartington Notes.
Hartington, March 6.—Earl Ryan has received a carload of coal for his cheese factory. Mr. and Mrs. Gardiner, Kemptonville, visiting at Daniel Freeman's for the past week returned home to-day. Mrs. Clakey was in the city, the guest of Mrs. Cook. Mrs. Rutlan, Sydenham, is visiting her sister, Mrs. Denison. Jessie Campbell, Wolfe Island, spent the week-end with her parents. Ethel Moore has returned home accompanied by her aunt, Mrs. M. McWilliams, Bethel, for a visit. Mrs. Charlotte Amey, Deseronto, is visiting at George Brown's. Mrs. Jane Leonard is visiting her son, at Yarker. Edgar Ryan has gone to Rochester.

LETTERS To The Editor

Wants Tariff Protection.

Toronto, March 4.—(To the Editor): May I write in your columns a discussion pro and con as to the wisdom of all public organizations omitting from their discussions the most important national question upon which the people of Canada have to decide, namely that of Protection or Free Trade. The reason the subject is omitted is that it constitutes a part of political platforms. It would seem to be a sensible and reasonable rule that all petty politics should be taboo, but surely Canada wants its public bodies to take part in the development of sane public opinion on a subject that means economic life or death according to the way it is decided. Anyone who cannot endure hearing the opposite side of a question (thoroughly aired is not a very desirable member of any organization, and instead of this question being taboo every organization should invite discussion and pass a resolution recording its views. These organizations will discuss employment, trade conditions, wages, immigration, emigration, taxes and transportation but the subject upon which all these rest must be mentioned only under one's breath. If the Chinese or Hindus followed such a course I should like to hear some Canadian's comments on it. Such words as "superstition," "undeveloped," "funny people," would inevitably creep into our criticism. Boards of Trade for instance are organized to guard the interests of the communities in which they are organized.

HER HEADACHES WERE SO BAD SHE COULDN'T DO ANYTHING
Once the head starts to ache and pain you may rest assured that the cause comes from the stomach, liver or bowels, and the cause must be removed before permanent relief may be had.
There is no better remedy for headaches of every description than **BURDOCK BLOOD BITTERS** as it removes the cause of the headaches in a way that no other remedy will do.
Mrs. Wm. Helgard, Lower Stewart's, N.S., writes:—"I suffered for a long time with my head. It would ache and ache until it made me so sick, I could not do anything, but after taking four bottles of B.B.B. I feel that I cannot recommend it too highly to all those suffering from headaches of any kind."
B.B.B. has been on the market for the past 46 years and is recognized by all who have used it to be without an equal as a remedy for headaches; put up only by The T. Millburn Co., Limited, Toronto, Ont.

ROADS GOOD FOR HAULING.

Wood and Logs to the Mill at Fernleigh.

Fernleigh, March 5.—The recent snow storm was much needed. It put the roads in a good condition for lumbermen hauling wood and logs to the mill. Mr. Flake is still hauling lumber to Robertsville. Miss R. Root spent the week-end with Miss B. Royce in the village. Hugh Mills is engaged at George Salmon's repair for the tourist season. Mr. and Mrs. Mills and son, Hutson, also Clarence, spent Sunday at F. Lyons'. Mrs. R. Bauder is at C. Mills'. Arthur Bauder made a trip to Harlowe on Thursday. James Thompson, also his brother, Sanford are spending a few holidays at E. Thompson's on a fishing trip. G. Salmon has Mr. Denny engaged drilling a well which we hope will be successful as water is scarce in the dry time of the year. Most of the farmers are busy filling their ice houses.

CATARAQUI DISTURBED.

By Earthquake Shocks—A Visit From the School Inspector.

Cataraqui, March 6.—The earthquake last Saturday night was felt very strongly in some parts of the village. Bernard Curran of the Bank of Montreal, has been moved to Ottawa. Harold Sharp spent a few days with friends in Glenburnie. Miss Laura Baker, teacher at Desert Lake, was home for the week-end. Mrs. Curran entertained the Ladies' Aid on Thursday afternoon. Mrs. Simpson and Little daughter, Marjorie, have returned from a trip to Toronto and Erie, Pa.

B. Truscott, I.P.S., visited the school here on Friday. Miss Mcken-dry is the guest of the Misses Sharp. Glenvale Dramatic Club put on a play entitled "An Old-Fashioned Mother," in the Township hall here on Feb. 24th. The hall was well filled and the play much enjoyed.

At Storms' Corners.

Storms' Corners, March 6.—The Ladies' Aid met at the home of Mrs. E. M. Miller on the 4th and the meeting was largely attended. After the business the hostess served a delicious lunch. The next meeting will be held at Mrs. W. Amey's. H. Saldor has purchased four fine cows and a horse and intends to start farming shortly. Mrs. E. Terry is the happy possessor of one hundred and twenty-five chickens two weeks old. Miss Jane Asseltine is ill with mumps.

our public debts and that every person that leaves Canada imposes a greater burden on those who are left.

"That Canada's total debts, internal public debts and external, amount to \$916.00 per capita, as against Germany's \$261.00 per capita, which experts say she cannot pay."
"That unless we adopt a policy that will enable us to reduce our indebtedness we shall become bankrupt."
"THEREFORE BE IT RESOLVED that we petition the Government of Canada to impose a tariff as high as that of the country that establishes for us our basis of cost."
It is my belief that Canada has only the choice of two things—a tariff at least as high as that of the United States, or bankruptcy. Mr. Otto Kahn, of Kuhn Loeb & Company, a banker of international fame, said in Toronto that Canada should have a higher tariff than the United States. This question should be discussed, not in a political or heated way, but in a cool, fair-minded way, willing to hear both sides. Any organization wishing to debate the above resolution, and if a better proposition is not available I shall be glad to defend the resolution up to the limit of my ability to fill engagements. Or if any speakers want the facts and figures to assist them in defending the resolution I shall be glad to send same on request.

I am sending this to the leading papers, believing that all who are
His System Was Absolutely Cleared
So Says Ontario Youth After Taking Dodd's Kidney Pills.
Mr. Edward Dupuis suffered from kidney ailments and found relief in Dodd's Kidney Pills.
Auld, Ontario, Mar. 6th (Special).
"I took one box of Dodd's Kidney Pills and it did me so much good that I got a second box and it absolutely cleared my system."
I suffered from rheumatism and back aches. I often had stiffness in my joints and was always tired and nervous. My head also used to ache. I am never bothered now."
This statement comes from Mr. E. Dupuis of this place.
Mr. Dupuis suffered from three of the various ills that accompany any kidney trouble. That's why he got prompt and permanent relief from Dodd's Kidney Pills. They act directly on the kidneys, strengthening them and enabling them to do their full work of straining all the impurities out of the blood. Impurities in the blood are the seeds of disease. Dodd's Kidney Pills make good health by removing the seeds of disease. Sound kidneys mean pure blood. Pure blood means good health.

"That this leaves our farmers, work people and manufacturers working with their hands tied."
"That this difference in tariff allows the United States to bleed Canada of \$200,000,000 every year on trade balance alone."
"That in addition we must pay about \$179,000,000 interest and dividends to the United States on American investments in Canada."
"That in ten years the United States have sold us \$2,000,000,000 more goods than we sold them, and that we mortgaged our country for \$2,000,000,000 to pay for these goods that we could have made ourselves."
"That this difference in tariff has caused 300,000 people to leave Canada for the United States every year for the last three years."
"That these people are farmers' customers, and as a consequence our farmers are obliged to leave much of their crop to rot where it was grown because of having no market."
"That every farm and household in Canada is mortgaged to the extent of \$2,350.00 on account of
