THE FLOCKS OF SPRING. When the winter is done, and April's dawning Shatters the dark of the year, And the rain-fed rivulet under the bridge Again runs clear.

And the shepherd sun comes over the hill To let out the flocks of Spring, With laughter and light in the pastures of air The flocks take wing.

They scatter on every lingering wind,— The perfume, and the bee, And the whispers of the jostling grass Glad to be free.

The minstrelsy of the shining pools The dancing of the hours; And over the sod in a sudden rapture Flame the flowers.

The Editor Hears

A fashion note says the small hat is here to stay, it is made of felt, straw or satin and it frequently wears a topknot which makes the wearer look somewhat like a tufted fowl.

That the rise in the price of meat is deplored by housekeepers. Wise women will use the many excellent meat substitutes we became accustomed to during the war and so keep the family budget down to normal. The majority of Canadians eat too much meat, especially in the hot weather.

That Charles D. Roberts published his first book forty-five years ago and yet looks like a man of fifty. His out-door life in which he absorbed the intimate knowledge of the beauties of earth and sea which makes his nature poems so delightfully real, has also given him a prolonged youth.

That if cleanliness is next to Godliness it is also closely allied to good health. All the laws made for God's chosen people which can be found in the older books of the Bible were made for the protection of a half civilized race. Read them and see if our highly more advanced civilization has improved upon them. Still we are getting more cleanly year by year. We have got rid of many evil ways and getting back to the old law looked at with modern eyes and interpreted in modern ways. But we can go farther yet. The children learn many useful things in school. Don't laugh and say: "What was good enough for my mother is good enough for me." It isn't if you have opportunities given to you your mother had not. Remember the story of the woman who tossed her head at some good advice from a trained nurse and said: "Well! I guess I should know something about children. Me that has buried six!"

That in aid of the Queen's, B.C., Hospital, a dance was given which had a novel feature the event of the evening was, the "bachelor's handicap," the ladies picked their partners by finding the owners of shoes thrown in the centre of the room by the male members of the party. The bachelors claimed that this was most unfair; they had not been notified of this innovation, and not having done any mending were forced to show the holes in their socks.

Mountain Grove. The Mountain Grove Ladies' Aid met at the home of Mrs. James Price on Thursday, March 5th. It was a beautiful day and a goodly number attended. The earlier part of the afternoon was spent in finishing up work left over from the previous meetings. A quilt was also commenced.

WOMAN'S INSTITUTE.

About 4 p.m. the members withdrew to the parlour, where devotional exercises were opened by singing "I Need Thee Every Hour." Mrs. (Rev.) Gall then led in prayer, after which Mrs. J. Price, secretary read the minutes of the last meeting. Mrs. D. J. Cronk, president, then read a psalm, and after singing another hymn, various methods regarding money matters were discussed and members were asked to have their donations for the bazaar in as early as possible. A new oven door was placed on the range at the parsonage, for which the "Aid" paid. Mrs. Hill, chairman of the purchasing committee, also received five dollars to secure material for sewing. Plans were made to hold a social evening in the near future. The "Mispah" benediction was then pronounced and the hostesses appeared with ample refreshments. The sum of \$1.30 was received from the luncheon, after which the meeting adjourned to meet again at Mrs. Gall's on Thursday, March 19th.

CONCERT AND PLAY BY VICTORY I.O.D.E.

A Delightful Event Given in the Y.W.O.A. Hall on Tuesday Evening.

A well arranged and altogether delightful programme was arranged by the Victory Chapter I.O.D.E. and put on in the Y.W.O.A. hall on Tuesday evening. The first part consisted of several songs by Capt. Lee, whose well trained baritone voice is always heard with pleasure. Miss Moffat played a violin number and was recalled, and Miss Harriet Gardner sang twice, giving "Will O' the Wisp" which she sang charmingly as an encore. Mrs. J. L. Jerome, who always is greeted with applause, sang two songs in her full sweet soprano. Dr. Thomas Gibson, who has seldom been heard by the Kingston public, is a pianist whose music has been long admired by music lovers in the capital. He played "The Sea" and Mendelssohn's "Spring Song" with a perfection of execution and a sympathy which was most delightful. On being recalled he chose "Moonlight" (Du Busy). Mr. Hess sang two songs in the vibrant tones Kingston audiences so enjoy hearing. Being recalled he sang a French song, Miss MacLeod being his accompanist. The

other accompanists were Mrs. R. G. Betts and Dr. Gibson.

Five well-known Kingston girls put on a clever little play, "Their New Paying Guest," which was received with much laughter and applause. Mrs. Loveday (Miss Nevada Best), who is in reduced circumstances, takes paying guests to eke out her slender income, assisted by her daughters, Grace and Lucy (Miss Doris McKay and Miss Aline Ruth-erford). The arrival of the paying guest (Miss Katy Bermingham), who is preceded by a telegram saying a lady answering her description has just escaped from a lunatic asylum, is the cause of an exciting scene in which Mary, the maid (Miss Jessie Torrance) does valiant work with the kitchen poker. "All's well that ends well," as she says when another telegram comes to say that the escaped lunatic has been found and Miss Hardcastle is quite a harmless paying guest, after all. All the young actresses took their parts splendidly.

Miss Edith Carruthers, the regent of Victory Chapter, and her officers are to be congratulated on the success of their undertaking.

How to Make Pine Cough Syrup at Home. You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine is famous for this purpose. Fine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain sugar syrup. To make the best pine cough remedy that money can buy, put 2 1/2 ounces of Pine in a 16-oz. bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make 16 ounces—more than you can buy ready-made for \$2.50. It is sure, good and very pleasant—children take it eagerly. You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—irritated membranes—and this Pine and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment. Pine is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs. Beware of substitutes. Ask your druggist for "35c ounces of Pine" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money refunded. The Pine Co., Toronto, Ont.
