

ONLY THE MOTHER KNOWS ABOUT THE COUGHS AND COLDS OF THE CHILDREN

It is hard to keep them from taking cold; they will run out of doors not properly clad, or have on too much clothing; play too hard and get overheated, and cool off too suddenly; get their feet wet; kick off the bed clothes at night, and do a dozen things the mother can't prevent.

DR. WOOD'S

Norway Pine Syrup will check the cough or cold before any serious lung trouble can possibly develop. Mrs. Everett E. Keetch, R. R. No. 2, Fredericton, N.B., writes: "My little boy, age nine years, had a dreadful cold which left him with a bad cough. I tried Dr. Wood's Norway Pine Syrup, and after using three bottles he was completely relieved. I would advise all mothers to use this remedy for their children as it is an excellent medicine."

The way to relieve soreness, lameness, rheumatic pains, etc., is red pepper.

That's the new-day way, the quick, efficient way. No old way compares. Nothing else creates such concentrated, such penetrating heat. And a heat that doesn't hurt you.

You feel that heat instantly when you apply Red Pepper Rub. In three minutes it seems to penetrate the depths. The circulation is started, congestion is relieved. The soreness and pain depart.

Think how many hours of pain Red Pepper Rub may save you. Everybody finds many needs. Have it ever ready. Get it now. Then when pain starts, or a chest cold, turn to this jar for relief. It is usually but a matter of minutes.

Do this for comfort's sake.

See the Historic St. Lawrence

on your voyage to Europe!

To residents of North America no river in the world embraces such wealth of historic romance as the mighty St. Lawrence.

Up its great waters, the brave pioneers of New France travelled on their voyages of discovery and settlement—the renowned Jacques Cartier to found the city of Montreal, nine hundred miles from the sea; the courageous La Salle on his long journey to the Mississippi; the gallant Champlain to found Quebec; the devout Recollet Fathers on their missions to the Indians.

Travelling on the St. Lawrence Route to Europe one starts at Montreal and for two or three days the beautiful and historic features of the river pass before one in entrancing panorama. To view them adds immeasurably to the pleasure of the overseas voyage.
