CUTICURA HEALS ITCHY PIMPLES
On Face, Neck and Chest. Were Hard, Large and Red. Lasted Six Months.

"My trouble began with pimples on my face, neck and chest. The pimples were hard, large and red and featured and itched very badly, especially at night. The irritation caused me to scratch and the scratching caused eruptions. The trouble lasted about six months. I began using Cuticura Soap and Ointment and they afforded relief, and after using one cake of Cuticura Soap and one box of Cuticura Ointment I was healed." (Signed) Miss Harriet Guadon, 817 S. Elm St., Spokane, Wash., June 4, 1923.

Cuticura Soap daily, with Cuticura Ointment occasionally, prevents pimples or other eruptions. They are pleasing to use, as is also Cuticura Talcum, an excellent deodorant.
