**Hurry.**  
Girl's Father: "Ho, num. Well, I guess I'll smoke a cigar and then go to bed."  
Impatient Sultor: "Here! Have a cigarette."

**The Latest.**  
Did you know Georgette has sued her husband for divorce?  
"No! On what grounds?"  
"Radio cruelty. She wanted to listen in on music and he always tuned in on prize fights and ball games."

**How it Happens.**  
Country Cousin: "I suppose you city people never see anything green."  
City Cousin: "Oh yes, we do—lots of country people visit the city, you know."

**The Verdict.**  
Judge: "Did you or did you not steal this man's cow?"  
Prisoner: "I did not, your honor. The cow imagined she was a bull and chased me for two miles, right to my very house."  
Judge: "Some bull!"

**THE TRICKY TROTTER COUNTER.**  
Applied Reading.  
I took a good book  
To my little son Frank.  
My work I forsook  
And took this good book  
To him in a nook.  
On books I'm a crank.  
I took a good book  
And gave him a spank!

**It Has Happened.**  
She saw him come, as in a trance;  
Much pleased was she that he had spied her  
So he could ask her for a dance.  
He saw him come, as in a trance;  
What girl would not leap at the chance  
To dance with handsome Mr. Snyder?  
She saw him come, as in a trance—  
And ask the girl who sat beside her!

**The Plastic Age.**  
A little boy who was visiting his grandfather was telling him how sick he was previous to coming to his house.  
"Grandpa," he said, "do you know I had the cramps?"  
His sympathizing grandfather, upon hearing this, asked him: "And where did my little boy have the cramps?"  
"Upstairs in my little bed," was the prompt reply.

**Limitations.**  
Craig: "Does your stenographer waste her time over cross word puzzles?"  
Vaughn: "I should say not. She wouldn't be able to spell one out in a hundred years."  
—James J. O'Connell.

**To Develop A Site.**  
Wiltse and De Young, Alexandria Bay, have filed a map of what is known as the "Dingman Farms Addition." This property has been purchased by Wiltse, De Young and Thomson and laid out into Punglow sites. There are ten of these sites bordering the St. Lawrence river on the main land and located about one and one-half miles from Alexandria Bay. This tract is the one that has at different times been selected as that most desirable for a hotel site.

**To Run A Ferry.**  
J. Herbert Hutchinson, Alexandria Bay, N.Y., has purchased the ferry steamer, Roosevelt, and will run it as a ferry between Alexandria Bay and Rockport, Ont. This steamer will carry twenty cars and upwards of 150 passengers. Mr. Hutchinson has purchased land and erected wharves at Rockport. The owner of the Roosevelt conducted a ferry between the two ports last season and an account of the traffic has found it necessary to purchase the larger steamer.

**Quebec man recommends them to all who suffer.**  
St. Antonio, Que., Mar. 20 (Special)—Once more Dodd's Kidney Pills have proved their inestimable value in the case of Mr. L. Soucy, a well-known resident of this place. He writes: "I can tell you that Dodd's Kidney Pills have done me much good. I have suffered for two years from bad kidneys. One of my friends advised me to take them. Two boxes have restored my health. I advise all those suffering from kidney complaints to try Dodd's Kidney Pills, they will surely relieve them."

**To Avoid Disease the Kidneys must be kept in good working order. The kidneys are the scavengers of the body. Their work is to strain all the impurities out of the blood. If the kidneys are wrong the impurities, the seeds of disease, remain in the blood, and serious trouble is bound to follow. At the first sign of trouble try Dodd's Kidney Pills.**

### LECTURE AT NAPANEE

By Prof. Trotter of Queen's on Canadian Federation and U.S. Napanee, March 21.—The Napanee Historical Society during the fifteen years of its existence has had many and varied highly talented lecturers. The subject of the relations of the Canadian Confederation to the United States, until last night, had not been touched upon. This is a matter of real interest to the people of this part of the country, the home of the U. E. Loyalists and particularly to members of the Historical Society. Therefore it was with genuine pleasure that the large audience present in Historical Hall listened to the address so ably given by Prof. Trotter of Queen's University. He gave careful analysis of relations, events, attitudes and feelings of the peoples of both countries from the time of the war of 1812 until the negotiations for the confederation of the Canadian provinces, which were commenced in 1864 and consummated in 1867. The appreciation of his hearers was expressed by hearty cheers.

### ICE BRIDGE WEAKENING.

Last Passage at Picton Made by Mr. Carr, of Bethany.  
Deseronto, March 20.—The ice bridge to Fredericksburg is now in very poor condition and the bay is opening up. Open water has appeared in front of the steamboat wharf and a fisherman's boat was blown from the shore into the bay. Probably the last passage over the ice for the season was made to-day by Mr. Carr, of Bethany, in a Ford car.

The case of Edward Freeman which was before Magistrate Bedford on Wednesday, was enlarged for one week and Freeman was taken to Belleville jail.

Charles Wilson, of Picton, was a visitor in Deseronto yesterday. Ted Hearns, of Point Anne, is spending a few days in Deseronto.

The local fishermen are very busy getting their nets and equipment ready for an early start.

Mr. Clarke, public school inspector, attended at Deseronto schools on Wednesday and Thursday.

### GANANOQUE

March 21.—The illustrated lecture in the Lyceum on Thursday evening last by H. J. Moore, attracted a large audience. Those who already know a lot about the growing of flowers and how to utilize that knowledge in the beautifying of their home surroundings undoubtedly gleaned considerably more knowledge along these lines, and certainly the novice derived great benefit from this lecture. Mr. Moore paid high compliment to the local horticultural society for the splendid work it was doing here, and made an appeal to each member present to undertake to bring in at least one more member. Mr. Linklater followed this up in his closing remarks and obtained the promise of practically everyone present towards this end. A hearty vote of thanks was tendered to Mr. Moore upon the motion of Mayor Wilson and seconded by Mr. Andrew Edward, president of the horticultural society.

Prior to the lecture Mr. Sine, chairman of the canvassing committee, gave out the results of the canvass on the 17th March, which at that time stood as follows: South ward, 123; West Ward, 73; North ward, 54.

The many friends of Mr. and Mrs. Gerald Hudson, Detroit, Mich., are sorry to learn of the death of their baby, born a couple of weeks ago.

Miss Kathleen O'Brien and her little niece Anna Gray, are spending a few days in Kingston.

Mr. and Mrs. John Malette spent Thursday with friends in Kingston. Last night the Oddfellows, their wives, and Rebekahs held a social evening in their new hall. The evening was given over to a real jolly old time with dancing, cards, etc., and one very interesting item was the burning of the mortgage for \$18,000, covering the purchase of this fine block only a few years ago.

Jack Richardson, son of Mr. and Mrs. William Richardson, was taken to the Hotel Dieu for a tonsil operation on Thursday last.

The late Mrs. J. B. Harvey. The death occurred at Lyndhurst, on Saturday, of Mrs. J. B. Harvey, after a long and very painful illness. The funeral was held at her late residence, on Sunday, and was largely attended by relatives and friends of the family. Rev. S. E. Morton was the officiating clergyman. The late Mrs. Harvey leaves to mourn her loss besides her husband, three children, Paul, Joan and David, all of whom are attending the Continuation school at home, also her father, D. W. Green.

Purchases Business. Norval S. Lee has purchased the hardware and plumbing business of Knight Bros., Almonte, and has already taken possession. Mr. Lee is well known in the district. He is a native of Lavant, and for seven years was in business in Lanark village. Two years ago he sold out and since that time has been in business with his father in Lavant.
