We Stand Behind It We stand behind every piece of coal we sell to you. We are not prevaricating. We know very well that if we cheat you once, you won't come back to us. We don't make any money selling one ton of coal—our profit donsists in salking several hundred tons of coal. To do this, we must keep every customer who once comes to us. We must give satisfaction pure and simple; to give satisfaction we must do better for you than any one else. We want your coal trade, and if we once get it, we will keep it.
