KING AND QUEEN SPEND EVENING AT A PICTURE SHOW
 The king and queen spent their first evening in a picture palace recently. For several years past the royal family has interested itself in the movies, and command performances have been given at Balmoral and elsewhere in private rooms specially fitted up for the occasion with a small screen, a portable projector and an orchestra composed of a piano and a few strings. The Prince of Wales has sponsored the British cinema as patron, star and spectator in one. The king and queen have played their parts in a hundred capitals.

But for the first time their Majesties attended a public performance in a picture-house and sat amongst the audience in a box cunningly constructed with anterooms and connecting passages from the back rows of the stalls.

A film reproduction of the attack on Zeebrugge in 1918, made with great care and vigor by a British company, and fully approved by the Admiralty, was the core of the entertainment, and there followed an animated cartoon of Bonzo, the study dog, and a number of scenes of the arrival of the king and queen at the theatre just one hour and thirty minutes earlier.

The best seats, according to the custom of the movies, being placed as far as possible from the screen, their Majesties enjoyed for at least one evening of their lives an undisturbed and unaccustomed view of the Englishman's back registering pleasure in seats which cost a guinea apiece and which could have been sold a dozen times over before the performance began.

"Zeebrugge" will be shown at the Capitol Theatre for four days, starting today. The usual prices prevail.

SPORT

Lex Rice Joins Galt Terriers.
 The Galt Terriers, who in 1922-23 won the Ontario championship and lost out to Toronto Oskars last year in the finals, will be back in the fight for the honors of 1925, with even a stronger line-up than has heretofore carried G.A.A. colors. Not only are all of last year's regulars available, but also four newcomers including Lex Rice, catcher last year with the Kingston Pontes. Lex Rice denies the report sent out from Kingston that he would turn pro. with Knotty Lee's at present homeless M.-O. leaguers. Lee is sweet on the former Pony, and has been ever since he took over the Kingston team last summer, and while he has time and again approached Rice, the latter has steadfastly refused to make the jump. He is reckoned to be one of the best backstops in amateur ball.

Vancouver Has a Crew.
 Vancouver, B.C., March 23.—Officials of the Vancouver Rowing Club are confident they can send a representative crew to take part in the Australian Henley, according to information brought out at a meeting of the executive, and the Australian officials will be advised to this effect.

BOWLING

Telegraphs Take All.
 Telegraph defeated Trainers No. 2 in three straight games at the College Inn Bowling Academy on Saturday night, the scoring being as follows:
 Telegraphs—Chambers, 424; Trotter, 422; Wehman, 434; Johnston, 403; Cooke, 415. Total, 2098.
 Trainers No. 2.—Belva, 356; Dart, 269; Scrutton, 391; Jewell, 353; Nicholson, 462. Total, 1834.

Ottawa Rugby Club.
 Dr. J. R. Hand was on Saturday elected president of the Ottawa Rugby Club of the Big Four and Joe Tubman, pudgy backfield star, one of the Senators for many seasons, was chosen captain for the team for the 1925 season. Dave McCann and Walter Gilhooley were again appointed coaches. Ottawa will open their season with an exhibition game against one of the intercollegiate teams.

Quebec-Ontario League.
 There were no developments at the annual meeting of the Quebec-Ontario Baseball League called for Sunday at Montreal and whether the league will function or not will not be definitely known until the return of Leo Dandurand from the west. Things look bad for the league this season.

Girls' Basketball.
 It has been arranged that the girls' basketball team representing Sydenham street Methodist Sunday school will meet the "Swastika Club" of Napanee at the Y.M.C.A. on Wednesday evening. In Napanee on Thursday evening last the Kingston girls lost out by the margin of one point but are hopeful of coming out on top this week. After the game the Napanee girls will be entertained at Sydenham street church.

Action Against Citizens.
 Ottawa, March 23.—A \$45,000 libel action has been commenced in Hull by Mr. Frank Ahearn against The Citizen because of an editorial which, it is claimed, implied that the Ottawa hockey team and the National Hockey League, with both of which Mr. Ahearn is intimately associated, made a practice of fixing the professional hockey games.

The writ states that the editorial was published because the Ottawa Hockey Association, Limited, had refused, a few days previous, to continue the practice of paying The Citizen \$1,000 yearly principally for reports on its sporting page.

RESULTS OF THE TERRIBLE TORNADO THAT SWEEPED THROUGH ILLINOIS

What was once the main street of Frankfort, Ill., reduced now to nothing but a pile of twisted debris and desolation, following the ruin and death that visited the town during the terrific tornado of March 18th.

Ruins of the Longfellow grade school at Murphysboro, Ill., where approximately seventy children were crushed to death when a tornado of unprecedented fury swept through the town, snatched off the roof of the building and piled the dead and injured in heaps.

This is the first picture to come from Annapolis, Mo., where the tornado of March 18th marshaled its winds of death and havoc and sent them roaring through five states, whose death toll from the disaster totals approximately 1,000.
