AMUSEMENTS
 What the Press Agents Say About Coming Attractions

"ZEEBRUCGE" DREW CAPACITY AUDIENCE

Great Screen Production Scored a Decided Triumph at the Capitol Theatre.
 Without a doubt, the greatest screen production that has ever come to Kingston in the history of motion pictures is "Zeebrugge," the wonderful attraction at the Capitol theatre the first four days of this week. The first big showings of the picture here on Monday were attended by capacity audiences, and on Monday evening the house was sold out in record time, the lineup for tickets being formed long before the doors were opened.

It was a gala opening for this far-famed picture and the management of the Capitol theatre put forth every effort to usher in "Zeebrugge" with all the pomp and ceremony that could be attached to such an important naval story, which will pass down through the centuries as one of the greatest naval operations ever performed by the British Navy. The theatre was profusely decorated with flags, inside and out, and the entire theatre presented a loyal appearance indeed. In the

by the British Admiralty, which has approved these pictures. The orchestra, during the showing of "Zeebrugge" and before the performance, took part in the evening's entertainment by playing of stirring patriotic naval music, which had its effect upon the audience. In all, "Zeebrugge" is a picture of a life time, one that none with real British spirit cannot afford to miss, and apart from this, is a spectacle that will remain in the minds of those who see it, long after other screen productions have passed into oblivion.

GLORIA SWANSON AT STRAND.
 Algiers, the French Foreign Legion and as colorful love story as you've ever seen on the screen—that's "Wages of Virtue," Gloria Swanson's newest Paramount picture, which will be shown at the Strand theatre today for the last time. The story is an adaptation of Percival Wren's novel, with Ben Lyon in the leading man's role opposite the star and Norman Trevor, Ivan Linow, Joe Moore and others in the cast.

SPORT

Belleville Bowlers Coming.
 Belleville bowlers will come to Kingston in the near future to play the return game with the Frontenacs. The locals were defeated in Belleville when they visited the Bay of Quinte City a short time ago but on their own alleys the local bowlers expect to more than make up the margin by which they were beaten. Seven ladies will also come down from Belleville to bowl with the ladies of the Frontenac alleys in an exhibition game. The ladies who will represent Belleville will be Miss Goyer, Mrs. Goyer, Miss V. Bland, Miss Murray, Mrs. Young, Miss I. Ithier and Mrs. Salisbury.

Kingston Tennis Club.
 An executive meeting of the Kingston Tennis Club will be held on Friday night in the Whig building for the purpose of discussing tennis in the city for the coming season. Much enthusiasm is being shown by tennis players and it is expected that there will be a larger membership this year. There will be eight courts in play this year, four grass courts, two cinder courts and two clay courts.
