Every Shingle a Fire-guard

EVERY Bird's Asphalt TWIN Shingle you lay upon your roof is a sure protection against the menace of flying sparks. They are endorsed and recommended by fire underwriters and fire chiefs everywhere.

Bird's TWIN Shingles are beautiful, too. They add to the attractiveness of any building. The colours—red, green or blue-black—are the natural colours of crushed slate, and never fade. Nothing to rot, nothing to rust, nothing to paint—and at no greater cost than ordinary shingles.

Bird's Asphalt TWIN Shingles are made by the makers of the famous Bird's Paroid Roofing which has given satisfaction throughout Canada for over twenty years.
