ROTARY CLUB'S SHOE AND STOCKING FUND

Statement Presented at Luncheon Friday—Deficit of \$103.96 to Be Cleared Off.

At the Rotary Club luncheon on Friday, Rotarian, Harry Breathwaite gave a report on the Rotary Club's Shoe and Stocking Fund. The club has carried on a splendid work during the winter months, providing shoes, stockings and rubbers to the members of needy families, and the undertaking met with a liberal response on the part of citizens, but the statement shows that there is a deficit of \$103.96, and the club would be glad to receive donations from any person who would like to give something to help wipe out this deficit. The P.W.O.R. band provided \$52.45 for the fund as a result of a series of band concerts given for this purpose, and the members are grateful to the members of the band for their kind support. The appeal in the newspapers was also well received, showing that the people of Kingston did not forget to help those who could not help themselves.

It is of interest to note that the club, in carrying out its work, purchased 219 pairs of shoes, 45 pairs of rubbers and 133 pairs of stockings, all of which did a great deal to relieve the suffering. The club will be pleased to receive a donation from citizens or from any organization that would care to help on the good work and place the club's shoe and stocking fund on the right side of the ledger. Following is a complete statement of the fund:

Receipts—Balance from 1924, \$17.76; contributions from appeal, \$265.65; Rotary Club, \$150; P.W.O.R. band, \$52.45; total, \$485.86.

Disbursements—219 pairs of shoes and 45 pairs of rubbers, \$597.81; 133 pairs of stockings, \$76.45; printing, \$15.76; total, \$689.92, showing a deficit of \$103.96. Donations sent to Rotarian Harry Breathwaite, at the Weber piano works or the Whig office will be acknowledged in the Whig.

LATE MRS. FRED PALMER
Who Was Miss Anna Redmond of Holford, Ont.

The death of Mrs. Fred Palmer occurred at her late residence, 112 Fulton avenue, Fulton, N.Y., on Friday night, March 13th, after a lingering illness following an operation performed at the Watertown hospital. Deceased was forty-nine years of age, and was born at Holford, Ont., a daughter of the late Mr. and Mrs. John Redmond, where she was well and favorably known.

In 1908 she entered the Hospital of the Good Shepherd at Syracuse, N.Y., as nurse-in-training, graduating after a three years' course. Later she took the New York State examination and became a Red Cross nurse, ever putting the best of herself in her work. Both in hospital and private nursing her patients loved her dearly, and much regret is expressed at her demise. Besides her sorrowing husband, she leaves five brothers to whom much sympathy is expressed.

Sent To Reformatory.
Pleading guilty to a charge of stealing two batteries from Isaac Cohen, Gerald Ferguson, about twenty-five years of age, was on Saturday morning sentenced by Magistrate Farrell to not less than three months, and not more than one year in the Ontario Reformatory. Ferguson had been employed by Mr. Cohen. The accused had been in trouble before.

Ice-Has Disappeared.
The ice in the harbor was an absent quantity on Saturday morning and the steamer Wolfe Islander had no trouble making her regular trips. A large number of Wolfe Islanders, who have not been in the city for about ten days, came over with a big quantity of produce.

Australia Is Aroused.
Sydney, March 23.—Strong opposition has been aroused throughout Australia by the government placing the contract for two cruisers and also two submarines in Great Britain. Labor forces are particularly aroused.

The bill amending the highway act provides that amounts spent on county roads in urban districts must be returned to the extent of 25 per cent. in towns and 75 per cent. in villages.

Oxford Team Had To Abandon Race

Putney, Eng., March 23.—The annual Oxford-Cambridge boat race ended, sensationally this afternoon when the Oxonians, after rowing about two miles in very rough water, were forced to abandon the contest owing to water-logged condition of their boat.

"LEO, THE ROYAL CADET."

Patriotic Canadian Military Opera by Cameron and Teigmann.
This opera is of real historic interest. The scenes are the Royal Military College, Kingston Mills and South Africa, and the aim of the work is to stimulate military and civic spirit, and to bring patriotism to the home. This brilliant, realistic, operatic romance will be presented in Kingston early in May, and repeated as a complimentary performance for the Old Boys' and Girls' reunion in August.

Lecture at Queen's.
On Friday afternoon D. A. Nichols, of the Dominion Geological Survey, Ottawa, gave a lecture on "Topography of Canada," in the physics building at Queen's University. The lecture was illustrated with a number of colored slides, which showed the topographical features of Canada. The lecture, which was open to the public, was well attended.

IN MEMORIAM.
In loving memory of our little darling, Garth Allan Lindsey, who departed this life March 23rd, 1924.

Often do our footsteps wander,
To a grave, not far away,
Where we laid our little darling,
Just one year ago today,
—Sadly missed by his mother and father.

IN MEMORIAM.
In loving memory of Rose May Collins, who died March 23rd, 1924.

To-day brings back sad memories,
Of the dear one we laid to rest,
At times our hearts are sad,
But God knows what is best.
—Father, Mother and Sister.
