We stand behind every piece of coal we sell to you. We are not pre-variating. We know very well that if we cheat you, you won't come back to us. We don't make any money selling one ton of coal—our profit consists in selling several hundred tons of coal. To do this, we must keep every customer who once comes to us. We must give satisfaction pure and simple; to give satisfaction we must do better for you than any one else. We want your coal trade, and if we once get it, we will keep it.

An Inactive Liver Is The Cause of CONSTIPATION
When your liver gets sluggish and inactive your whole health suffers. Your bowels become constipated; you have sick and bilious headaches; your tongue coated and furry; your breath bad; specks float before your eyes, and often you feel as if you were going to faint, especially if in a crowded place where there is little or no ventilation.

MILBURN'S LAXA-LIVER PILLS
They will stimulate the sluggish liver so that it will regulate the flow of bile to act properly on the bowels, and thus clear away all the poisonous matter that is responsible for all your liver troubles.

Watch your tongue
The tongue is the mirror of the digestive tract and upon its surface is reflected the result of digestive disorders. Examine your tongue frequently and when you find it coated with "fur", or unnatural in appearance, heed Nature's signal.
Indigestion, biliousness, dyspepsia and constipation are responsible for most of the ills of mankind. Sleeplessness, headaches, nervousness and many ills follow in their train. Restore your digestion by using Beecham's Pills. They clear the tongue, remove the bad taste, strengthen the stomach and bowels, activate the liver, promote the digestion and assimilation of food and make you feel strong and well.
