TO START PAVING ABOUT FIRST OF MAY

The Work Is Expected to Provide Employment for Seventy-five Men.

City Engineer Howard Dick informed the Whig on Thursday morning, that he intends to start paving about the first of May. This will be a great help to the workmen who have been engaged in this work during the summer months. It is expected that when the work is well underway, about seventy-five men will be given employment.

The new cement mixer will arrive in the city the first of the week, and then all will be in readiness to start.

It is the intention of the engineer's department to start paving on William street, between Barrie and Division streets. When that block is completed, the plant will be moved to Earl street, where the two blocks between University and Frontenac streets, will be done, Johnston street from Barrie to Victoria street.

Block of Granite Falls From Truck on Barrie Street

About half past four o'clock on Wednesday afternoon a curious accident occurred on Barrie street just north of Brock. A heavy truck belonging to Fallon Bros. came up Brock and turned on to Barrie carrying a block of granite perhaps five feet long and four feet wide and a foot thick. After turning, the car struck a bump and the block shifted and smashed its way through the light siding and fell in the middle of the road. Fortunately it was not broken, for such a stone is very valuable. A heavy tripod was brought from the works and with a block and tackle the slab was laboriously re-placed in the car after an hour's work by five men.

SPLENDID PRODUCTION

Of a Comedy by the "Bi-Nails Club" of St. Luke's Church.

One of the most delightful comedies of the season, "Welcome Home Jimmy," was presented Wednesday night in St. Luke's parish hall by the "Bi-Nails Club," successors to St. Luke's Dramatic Club. The hall was packed to the doors with an appreciative audience.

The part of the partially blind old mother was exceptionally well played by Mrs. Grimshaw, while Lucille, the daughter, was ably presented by Miss Marion Shea. Miss Dorothy Compton displayed exceptional ability in her rendition of the part of Peggy Sommers, the daughter of a neighbor. Miss Lillie Bennett made a dandy old maid taking the part of Melinda Preston, Jimmy Brooks' fiancée to perfection. The part of Allie Thomas, the school teacher, and boarder at Coolbrook farm was presented by Miss Daisy McCammon who handled this difficult part with exceptional ability.

For the male cast, it is hard to say which was the best. Mr. Bert McCammon played the leading role, "Valentine Gardner," is mistaken for the returned prodigal son "Jimmy Brooks," and carried the deception exceptionally well until exposed by the school teacher in the last act. In this he was ably seconded by his pal, Chesterfield McSwope, played by Mr. Alwyn Young. These two characters contributed much to the ludicrous situations throughout the play. Danny Banks, the neighbor's boy, was played very well, indeed, by Mr. George Saunders, while the part of the village "lawyer" and "villain," was performed by Mr. Norman Hyland as though he were cut to fit. Taken altogether, this play is perhaps the best ever attempted at St. Luke's and augurs well for the future of a club with members who are able to adapt themselves so well to the parts they represent.

It is understood that the play is to be presented at several outside points during the next month.

Mr. George Shea, saxophone player, or, assisted by several other local musicians rendered delightful music during the intermission.

The entire show was under the direction of Mr. J. W. Connor, assisted by Miss Gladys Green.

NORMAN A. BLUME, Popular new member of Canada's famous Originals, coming to the Grand Opera House Friday and Saturday, April 17th and 18th, in their latest and best revue, "Stepping Out."

Vault Given To Cemetery. What is known as the Porter vault, in the cemetery, has been given to the Clayton, N.Y., Cemetery Association by Frank D. Rogers and his wife, Lucy Porter Rogers. This gift is not only appreciated by the cemetery association but by the residents of Clayton and the vault will stand always as a monument to the thoughtfulness and generosity of Mr. and Mrs. Rogers. The gift has been accepted by the association. The addition of this vault to the services of the Clayton Cemetery Association, the best gift the association has ever received, makes the local cemetery almost complete as a public burying ground.
