SWIFT'S PREMIUM HAMS and BACON

There is all the difference in the world between just Ham and Bacon and "Premium." Yet it costs so little more.

What Premium Stands For

The choicest quality and meat of assured tenderness. A distinct mild cure followed by an even smoking over fragrant hardwood fires. This is how that sweet, mild, rich flavor is obtained for which Premium is famous.

FREE FREE FREE

Here is a wonderful opportunity of securing one of these perfect Hams free; a Ham that can be fried, broiled or baked without parboiling. Any purchaser of one pound or more of Swift's Premium Ham or Bacon is eligible for this. The names of these will be placed in a box and on Saturday night at 9.30 p.m. the name drawn out will receive this delicious Ham absolutely FREE.

When buying Hams and Bacon ask for Premium. Do not let this opportunity slip by without taking advantage of it.
