**The Late Mrs. S. S. Fraser.**  
A well-known and respected resident passed to her eternal reward, on Saturday evening, April 18th, at 11.20, at the residence of her sister, Mrs. A. J. Shannon, 347 Frontenac street, in the person of Mrs. S. S. Fraser, after a long and lingering illness. Although looking for her death daily, still the sad news came as a shock to her family and innumerable friends in the city. The late Mrs. Fraser is survived by two sons, J. S. Fraser, who is postmaster at Canoe Lake, Arthur, who is a guard in Portsmouth penitentiary; three brothers, George N., of this city; Cornelius, of Midland; and Thomas, of Missouri; and two sisters, Mrs. M. Silver, Sunbury, and Mrs. A. J. Shannon, Frontenac street.

The late Mrs. Fraser made her home with her son, Mr. J. S. Fraser, Canoe Lake, and had spent the past winter with her sister, Mrs. A. J. Shannon, and was looking forward to returning to her home at Canoe Lake with her sister, as soon as the weather became fine, but six weeks ago she took ill. Her husband, predeceased her twenty-two years ago. He dropped dead in Chapman's store, corner of Queen and Division streets. Deceased was a devoted and affectionate mother, and a friend of all who came in contact with her. Always serving, doing her best for others, was her constant thought. Like her Master, she always endeavored to faithfully serve; she went about doing good without expectation of praise or reward. A quiet, kindly, inoffensive lady, she served her time and generation as best she knew how. The funeral will be conducted by Rev. P. Sanders, pastor of Calvary Congregational church, Tuesday morning at 10 o'clock to Cataract cemetery, from the residence of her son, Mr. Arthur Fraser, 338 Brock street.

**LATE REV. T. F. DOWDELL.**  
A Faithful Anglican Clergyman

Passes to Rest.

Canon J. W. Jones has issued the following regarding the death of Rev. T. F. Dowdell, B.A., rector of Elizabethtown:

His death is deeply lamented by all, including not only his own family but also his former parishioners and the clergy of the diocese. The Brockville clergy attended to his every want, administering the consolation and blessings of the Holy Communion and the bishop also visited him yesterday, in the afternoon, and again shortly before his death.

The Rev. Thomas Falconer Dowdell was an Englishman by birth and early education. He came out to this country in his youth and afterwards entered Lennoxville university, graduating in arts and theology in 1898. He was ordained on May 1st, 1898, in St. George's cathedral by Archbishop Lewis, who appointed him to the mission of Shannonville. At Shannonville he married Miss Bertha Davidson, and leaves a son and two daughters to honor his memory with their mother. He was ordained priest by the Bishop of Ottawa, acting for Archbishop Lewis, on 25th Jan., 1899. June 1st, 1901, he was transferred to Selby, doing excellent work. In 1908 he was appointed incumbent of Loughboro, where he experienced much hard work—the new C.N.R. railway track needed his old church at Sydenham, which he sold and used the money, with as much more which he collected or arranged for, to build the handsome church edifice in the village. This hard work wore him down somewhat and Bishop Bidwell, in 1915, appointed him to Merrickville and Burritt's Rapids. Here he inherited a heavy church debt which he nobly faced. He gradually reduced it while he did not neglect the never ending pastoral duties. In November, 1922, Bishop Bidwell appointed him to the important parish of Elizabethtown. Here, as elsewhere in his ministry, he won his parishioners by his individual care and love, encouraged by his devoted wife. He unstintingly did his duty, caring for the flock over which he had been appointed overseer. He was a faithful parish priest winning and keeping the esteem of his people. As a mark and appreciation of his sterling worth the clergy elected him as a member of the executive committee at the last synod which greatly pleased him, and his mature advice

was listened to when he attended the committee in Kingston, last February. Now his sudden death is deeply regretted by all—and once again we are all taught the transitoriness of life. May he rest in peace and may perpetual light shine upon him. "His servants shall serve Him; and they shall see His face." The funeral will take place at Lym Church, on Wednesday, at one p.m., and thence by train to Cataract for interment.

**NAVY LEAGUE EVENT**  
IN GRANT HALL, 29TH

Will Consist of Theatricals, Music and Living Pictures—For a Worthy Cause.

The event being arranged by a number of ladies and gentlemen interested in the Navy League of Canada (Kingston Branch), which is to be held in Grant Hall on the evening of Wednesday, April 22nd, is an assured pleasure for all who will attend. The programme will consist of theatricals, music and living pictures. The public is promised an evening of excellent entertainment, and the proceeds will be devoted to the local work of Navy League—the training of the lads of the Sea Cadet Corps in everything that pertains to good Canadianism. "The Navy League stands for peace, for security, for prosperity, for the right, for self-defence, for manhood, for character. It is the antidote to unrest; to disorder."

The event will be under the patronage of the G. O. C. Military District No. 3, the principal of Queen's university, the commandant of the Royal Military College, the grand knight, Frontenac Council of the Knights of Columbus, and of the presidents of the Kiwanis and Rotary Clubs.

Mrs. James Miller and Prof. Keith Hicks have accepted the responsibility of arranging the presentation of two short plays, "Pros and Cons" and "The Workhouse Ward," and Dr. Thomas Gibson is arranging a short music programme.

Eight tableaux will be presented representing diverse pictures, groups and objects d'art, the direction and scenery for which will be under the supervision of Mrs. L. F. Goodwin and Miss Bormingham. The moderate prices of admission are within the reach of all, and it is hoped that the hall will be filled.

**FORBIDDEN TO SPEAK.**

**Bishop Manning Inhibits Ex-Bishop W. M. Brown.**  
New York, April 20.—Bishop William T. Manning forbade Dr. William Montgomery Brown, former Protestant Episcopal bishop of Arkansas, from officiating or speaking in any parish or mission of the New York diocese.

In another letter to Dr. W. N. Guthrie, rector of St. Marks-in-the-Bowwerie, Bishop Manning said that Dr. Guthrie's invitation to Dr. Brown to speak in St. Mark's was in "open contempt and defiance of the authority and law of the church."

Bishop Brown was found guilty of heresy last year by a trial court of the Protestant Episcopal church. Later a court of review affirmed this judgment and ordered him "deposed from the ministry of this church."

**Boston Marathon Race.**

Boston, April 20.—In a flurry of snow and with a bleak wind blowing in their faces, ninety-five runners started from Hopkinton at noon today in the twenty-ninth Boston A.A. marathon road race. The course, which is of the standard marathon distance of 26 miles, 385 yards, ends at the B.A.A. club house in Boston. Of 121 men entered in the race, twenty-six failed to start because of inclement weather.

Mellor was the winner.

**Central Ontario's Snow.**

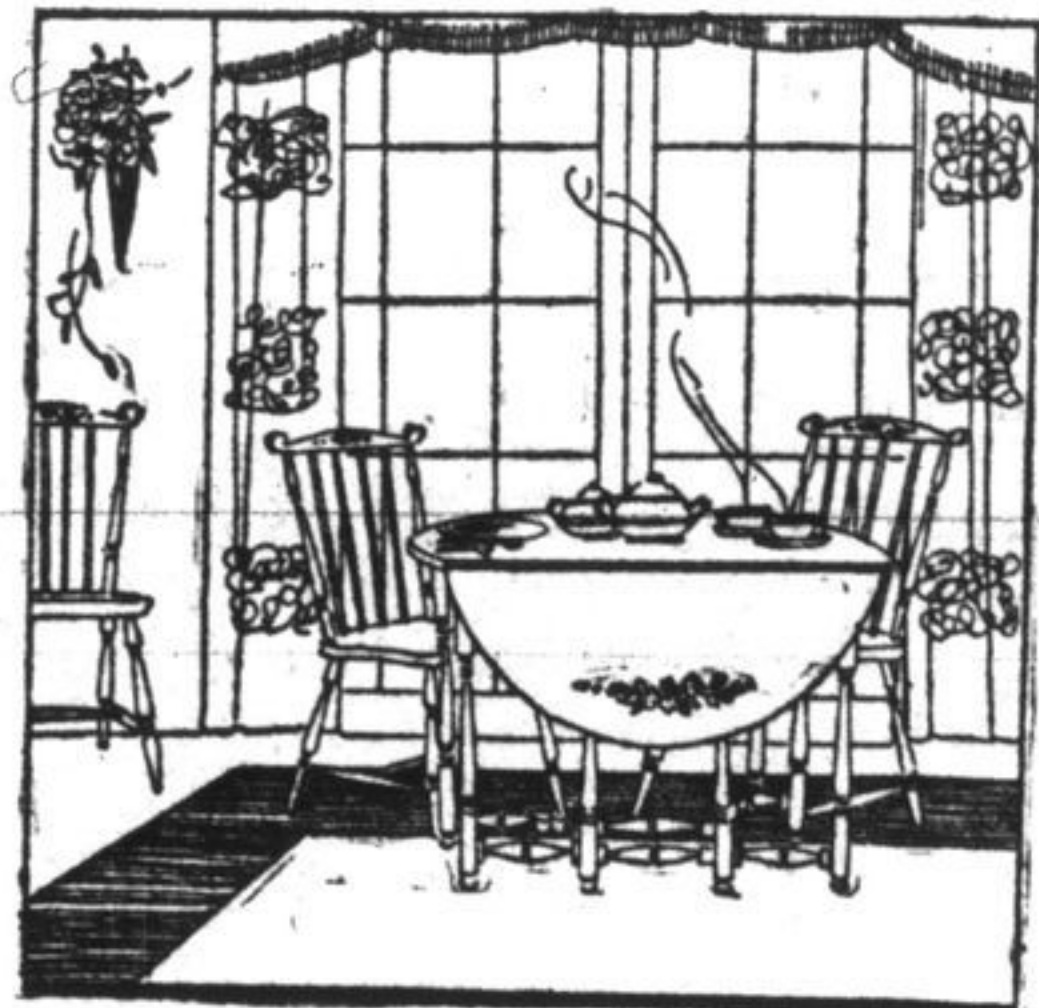

Toronto, April 20.—In Lindsay there was more than half a foot of snow Sunday and a funeral was delayed while a way was shovelled along the road to the cemetery. In Peterboro the snow was nearly twelve inches in depth along the roadways. Midland had eight inches and Belleville five inches. A fall of the "beautiful" covered Central Ontario as far east as Kingston and as far west as London.

**Crop Prospects Bright.**

Winnipeg, Man., April 20.—Much needed rainfall brightened early crop prospects in Manitoba, the southern parts of the province receiving liberal drenching during Saturday. With a large percentage of the wheat acreage already seeded, the present moisture will hasten germination, materially.

At New York, a suit for \$9,774,899.94 was filed by the Bethlehem Shipbuilding Corporation against the United States Shipping Board Emergency Fleet corporation, claiming that amount as balance due on account of construction of 36 vessels during and just after the war.
