### Died at Piccadilly.

Godfrey, April 18.—A sad event took place at Godfrey, on April 9th, when Bert Freeman passed away. The funeral was held in Piccadilly church and the sermon was preached by Rev. Mr. Fairbank. Deceased, although he had not been well for some time, was in bed only one week. His death came as a shock to his friends. Mr. Freeman was a worker in the Sunday school, holding the position of superintendent, and was well liked by everyone. He was a cheery disposition, with a joke for young and old. He leaves to mourn his death, a wife, three brothers, and four sisters, besides many friends and relatives. He will be sadly missed in the community.

### When You Catch Cold Rub on Musterole

Musterole is easy to apply and it sets in its good work right away. Often it prevents a cold from turning into "flu" or pneumonia. Just apply Musterole with the fingers. It does all the good work of grandmother's mustard plaster without the blister. Musterole is a clean white ointment, made of oil of mustard and other home simples. It is recommended by many doctors and nurses. Try Musterole for sore throat, cold on the chest, rheumatism, lumbago, pleurisy, stiff neck, bronchitis, asthma, neuralgia, congestion, pains and aches of the back and joints, sprains, sore muscles, bruises, chilblains, frosted feet—colds of all sorts. Seldom fails to deliver results. 40c. and 75c., at all drug-gists.

Better than a mustard plaster.
